

Resources for Faculty – USFSP Digital Archive

We create or provide access to a number of resources for faculty to support their work when they join or are considering joining the USFSP Digital Archive. In addition to providing faculty with electronic and print copies of selected materials, we also link to all the locally developed and external resources from within the archive. All can be retrieved by the subject search [USFSP Digital Archive -- Faculty Resources](#)

Locally developed resources:

- 1st Steps for Submitting to the USFSP Digital Archive : A Step-by-Step Guide
