MERITORIUS SERVICE AWARD

This award, established in 1996, is given at the discretion of the dean of the College of Education to individuals who have provided outstanding service to the college or the field of education in general.

This year the award is given to William K. Worrell in recognition of his dedication and commitment to championing the development of children, growth of community, and advancement of schools.

Dr. Worrell received his B.S. and M.S. from Oregon State University, and his Ph.D. from the University of Oregon. He taught and coached wrestling at McMinnville High School and Churchill High School from 1962-1969. From 1969-71 he was Acting Principal and wrestling coach at Jefferson Junior High. He served as Research/Development Specialist for Eugene Public Schools from 1973-75, Assistant Superintendent and Superintendent for LaGrande Public Schools 1975-82, Superintendent of Bend-LaPine School District 1982-88, and School District Services Director for the Oregon School Boards Association 1988-93.

He retired from education in 1993 after 31 years of service and joined his wife, Connie, as co-manager of Express Personnel Services in Bend, Oregon; a company they have owned since 1985.

Dr. Worrell served on numerous boards until his death in April of this year including the Bend-LaPine School Board, UO College of Education Alumni Society Board, the National Wrestling Hall of Fame Board of Directors, Oregon School Activities Association, Rotary, Bend Chamber of Commerce, and the Salvation Army to name but a few. He also served as an Explorer Troop Boy Scout Leader and a T-Ball coach and was an Elder for his church.

OUTSTANDING ALUMNUS AWARD

Established in 1989 by the College of Education Alumni Society Board, recipients must be an alum of the college. Selection is based on leadership and contributions to education or to society in general.

Verne A. Duncan was born in McMinnville, Oregon. He earned his B.A. in social science and education from Idaho State University; an M.Ed. in education administration from the University of Idaho, a Ph.D. in public school administration from the UO; and an MBA in labor management from the University of Portland.

A retired Colonel in the U.S. Army Reserve, Verne Duncan served in the Idaho House of Representatives from 1962-1965. In February 1997 he was appointed to fill the state senate seat for District 12.

He has taught at all levels from elementary to college. He was superintendent of the Clackamas County Education Service District from 1970-1975, and from 1975-1989 he was Oregon's state Superintendent of Public Instruction. He was a professor of education and adjunct professor of political science and served as the dean of the University of Portland's School of Education from 1989-1996. The College of Education welcomes you on this day of celebration! The faculty and I join your family and friends in congratulating you, the graduates, on your significant accomplishments.

The value of your achievements goes beyond completion of a degree or certificate. Your professional horizons have been expanded, creating new opportunities and responsibilities. The faculty have fostered learning environments to enable you to contribute to a humane and educated society. I hope that your experiences at the College of Education have instilled and inspired the values and ethics of a noble and critical profession.

This occasion marks a significant achievement, a beginning that presents horizons of future challenges. About these challenges, the French writer Andre Gide has written, "ONE DOES NOT DISCOVER NEW LANDS WITHOUT SHORES, BOTH PERSONAL AND PROFESSIONAL, THAT WILL HAVE TO BE LOST SIGHT OF AS YOU MEET YOUR FUTURE CHALLENGES." As graduates, I believe you have the self-confidence and courage to do this – to discover your own "new lands."
