Commencement

AUGUST 13, 2011

The president's centennial medallion, shown on the next page, was commissioned in 1975 and is worn by the president as a badge of office during formal university ceremonies. Professor Emeritus Paul Buckner of the Department of Art created and executed the design. The university seal, shown on the title page, was created by Judge Matthew P. Deady, first president of the Board of Regents, and was approved by that body in 1878. In its center is a representation of Mount Hood as a symbol of the state. Around its edge is the university's motto, *Mens agitat molem*—mind moves the mass.

University of Oregon
Summer Commencement
August 13, 2011

WELCOME TO THE UNIVERSITY OF OREGON. This is an important day in the lives of our graduates and their families and friends. I came to the University of Oregon because of the excellence and commitment of the faculty. I also came because of the passion of the students—a passion to learn, to grow, and to commit themselves to service to make this world better for all of us.

Graduates, I hope you reflect upon your experiences at this university, the places and situations in which you have been challenged, the knowledge and understanding you have developed, and the lasting friendships you have forged. Share this experience with your family and friends, and introduce them to those on campus who have made a profound difference in your lives.

Your University of Oregon education will continue to transform your lives. My parents were products of the Depression and didn't have the opportunity to attend college, but they valued it deeply. I was the first in my family to have that privilege, and that education continues to enrich and shape my life. That's the power of education. That's the power of the University of Oregon.

Congratulations and best wishes.

Richard W. Lariviere
President of the

Graduation with Latin Honors

Graduating seniors who have earned at least 90 credits in residence at the University of Oregon and have completed all other university degree requirements shall be awarded graduation with honors: upper 2 percent, *summa cum laude*; upper 5 percent, *magna cum laude*; upper 10 percent, *cum laude*. These distinctions are based on students' percentile rankings for their graduation term. The honors determination for summer 2011 degree candidates is provisional. It is based on academic work completed prior to the graduation term and is not official until final grades have been recorded.

Names of degree candidates are listed alphabetically by college or school and degree. For summer 2011 candidates, the students whose names are listed herein were considered to be candidates for the degrees indicated when the program was printed. This is not an official degree list. The appropriate degrees and diplomas will be awarded to those candidates who have successfully completed all requirements by the end of summer session 2011.

Oregon Pledge Song

Old Oregon, we pledge to thee
Our honor and fidelity,
Both now and in the years to be,
A never failing loyalty.
Fair Oregon, thy name shall be
Written high in liberty.
Now, uncovered, swear we every one
Our pledge to Oregon.

John Stark Evans, a member of the music faculty for many years,
wrote the Oregon Pledge Song, fondly known as "Old Oregon," in 1919.
He gave the rights to the pledge song to the University of Oregon.
