Oregon Pledge Song

Fair Oregon, we pledge to thee
Our honor and fidelity,
Both now and in the years to be,
A never failing loyalty.
Fair Oregon, thy name shall be
Written high in liberty.
Now, uncovered, swear we every one
Our pledge to Oregon.

John Stark Evans, a music major at the University of Oregon, wrote the Oregon Pledge Song while waiting to be shipped out during World War I. When he returned in 1922, he gave the rights to the pledge song to the university.

A Sense of Tradition

UNIVERSITY OF OREGON
SUMMER COMMENCEMENT
AUGUST 12, 2000

WELCOME—STUDENTS, PARENTS, AND FRIENDS—to the University of Oregon. With each year's commencement comes a great sense of accomplishment as well as an awareness of the future. This year is no exception, holding as it does the joy and satisfaction of achievement and the promise of challenges and opportunities that will stretch courage and creativity in new and exciting directions.

The University of Oregon began with a promise from one generation of Oregonians to future generations. It was based on the belief that education could make a difference in the lives of men and women, and it was this difference that would, in turn, improve the quality of the state, the nation, and the world.

That pledge—made nearly 125 years ago—is kept in part by the traditional commencement ceremony we attend today, and it will be kept in full by the accomplishments that you as graduates build and celebrate in the future.

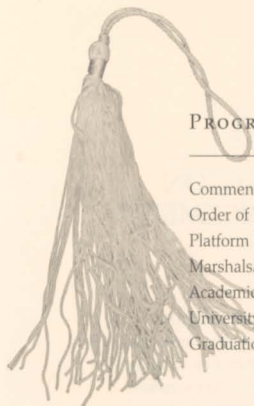

On behalf of the university community, I offer our best wishes as you continue to fulfill that original promise in the years to come.

Dave Frohnmayer
President of the
University of Oregon

The President's Centennial Medallion, shown above, was commissioned in 1975 and is worn by the president as a badge of office during formal university ceremonies.

Professor Emeritus Paul Buckner of the Department of Fine and Applied Arts created and executed the design.

The University Seal, shown on the title page, was created by Judge Matthew P. Deady, first president of the Board of Regents, and was approved by that body in 1878. In its center is a representation of Mt. Hood as a symbol of the state. Around its edge is the university's motto, *mens agitat molem*—mind moves the mass.

The University of Oregon opened its doors in 1876. Dady Hall housed the entire university in those days. Built of bricks made from clay dug out of the local hills, the building was guaranteed by its architect to last 1,000 years. The first commencement in 1878 graduated five students. Today the university serves 17,200 students on its 280-acre campus. More than 1,200 faculty members teach in its professional schools and its arts and sciences departments.

The academic procession is led by the university marshal, who carries the University Mace. The position is one of honor and is traditionally held by a previous recipient of the Thomas F. Herman Faculty Achievement Award for Distinguished Teaching.

Commencement Speaker
Philip Romero became dean of the Charles H. Lundquist College of Business in 1999. His background combines think-tank economics and corporate strategy with high-visibility public policy work. After several years as a research economist at California's RAND Corporation, in 1990 he became director of strategic planning for United Technologies Corp.

In 1991 then-Governor Pete Wilson tapped Romero to be California's chief economist. He held that post from 1992 to 1998. While in the Wilson administration, Romero served as acting director of the California Office of Planning and Research. As Wilson's national security adviser and deputy cabinet secretary, he oversaw state agencies that regulated or promoted business.

Romero graduated in 1980 from Cornell University with majors in economics and government. He earned a doctorate in policy analysis in 1988 from the RAND Graduate School in Santa Monica.

Academic Costume

The history of academic dress goes back several centuries to the chilly universities where cap, gown, and hood were needed for covering and warmth. Subsequently this has become a ceremonial costume with certain standardized features. The hood is lined with the official colors of the degree-conferring institution; for the University of Oregon these are yellow and green. The outside trimming of the hood and the color of the tassel signify the subject in which the degree is conferred:

maize/agriculture
white/arts, letters, humanities
drab/commerce, accounting, business
blue-violet/architecture
lilac/dentistry
copper/economics
light blue/education
orange/engineering
brown/fine arts
russet/forestry
crimson/journalism
purple/law
lemon/library science
green/medicine
pink/music
apricot/nursing
silver gray/oratory, speech
olive green/pharmacy
dark blue/philosophy
sage green/physical education
peacock blue/public administration
salmon pink/public health
golden yellow/science
citron/social work
scarlet/theology
gray/veterinary science

At the University of Oregon it is customary for master's degree candidates to wear their hoods in the procession. Doctoral candidates carry their hoods and are hooded during the ceremony. Each bachelor's degree candidate changes the cap tassel from front right to front left as the degree is conferred. Caps are removed during the pledge song and during the commencement address.

University Mace

In medieval times the mace was usually carried into battle by kings, bishops, and other leaders for use as a weapon. Later on it came to be used more for ceremonial occasions. Today it is a symbol of authority.

The mace leading the University of Oregon's academic procession was designed and made by the late C. Max Nixon, professor emeritus of fine and applied arts, as a gift to the university he had served since 1958. The creative use of copper, bronze, silver, and walnut typify the spirit of the university.

The head of the mace is a sphere made up of four university seals joined at a common axis. The outer rims of the seals are copper. The university's name and motto, in Latin, are in bronze. The mountain at the center of the sphere is in silver, while the forests and hills are in bronze. Surmounting the linked seals is a replica of Deady Hall, the university's first building, cast in bronze.

At the top of the oiled walnut shaft and within the sphere created by the seals is the university's founding date. At the base of the shaft is a finial ornament in bronze, finished with a stylized pine-cone pattern. Embedded in its tip is the seal of the State of Oregon, also in bronze.

Graduation with Latin Honors

Graduating seniors who have earned at least 90 credits in residence at the University of Oregon and have completed all other university degree requirements shall be awarded graduation with honors: upper 2 percent, *summa cum laude*; upper 5 percent, *magna cum laude*; upper 10 percent, *cum laude*. These distinctions are based on students' percentile rankings for their graduation term.

The honors determination for summer 2000 degree candidates is provisional. It is based on academic work completed prior to the graduation term and is not official until final grades have been recorded.

Names of degree candidates are listed alphabetically by college or school and degree.

For summer 2000 candidates, the students whose names are listed herein were considered to be candidates for the degrees indicated when the program was printed. This is not an official degree list. The appropriate degrees and diplomas will be awarded to those candidates who have successfully completed all requirements by the end of summer session 2000.

Oregon Pledge Song

Fair Oregon, we pledge to thee
Our honor and fidelity,
Both now and in the years to be,
A never failing loyalty.
Fair Oregon, thy name shall be
Written high in liberty.
Now, uncovered, swear we every one
Our pledge to Oregon.

John Stark Evans, a music major at the University of Oregon, wrote the Oregon Pledge Song while waiting to be shipped out during World War I. When he returned in 1922, he gave the rights to the pledge song to the university.
