no enemy can alienate,
no despotism can enslave.

JOSEPH ADDISON

Oregon Pledge Song

Fair Oregon, we pledge to thee
Our honor and fidelity,
Both now and in the years to be,
A never failing loyalty.
Fair Oregon, thy name shall be
written high in liberty.
Now, uncovered, swear we every one
Our pledge to Oregon.

Academic Costume

The history of academic dress goes back several centuries, to the chilly universities where cap and gown and hood were needed for covering and warmth. Subsequently this has become a ceremonial costume, with certain standardized features. For example, sleeves in the bachelor's gown are pointed, in the master's gown are oblong, in the doctor's gown are bell-shaped. Only the doctor's gown has velvet facing. The hood is lined with the official colors of the degree-conferring institution; for the University of Oregon these are lemon yellow and green. The outside trimming of the hood and the color of the tassel signify the subject in which the degree is conferred, as follows:

Maize—Agriculture
White—Arts, Letters, Humanities
Drab—Commerce, Accountancy,
Business
Lilac—Dentistry
Copper—Economics
Light Blue—Education
Orange—Engineering
Brown—Fine Arts, including
Architecture
Russet—Forestry
Crimson—Journalism
Purple—Law
Lemon—Library Science
Green—Medicine
Pink—Music
Apricot—Nursing
Silver Gray—Oratory, Speech
Olive Green—Pharmacy
Dark Blue—Philosophy
Sage Green—Physical Education

Peacock Blue—Public
Administration, including
Foreign Service
Salmon Pink—Public Health
Golden Yellow—Science
Citron—Social Work
Scarlet—Theology
Gray—Veterinary Science

At the University of Oregon it is customary for master's candidates to wear their hoods in the academic procession. Doctoral candidates carry their hoods and are hooded during the ceremony. Traditionally, baccalaureate candidates change tassels on their cap from front right to the front left as the degree is conferred. Caps are removed during prayer, the playing of the National Anthem and the Alma Mater, and during the commencement address if desired.

Out of consideration for other members of the audience, it is requested that those who wish to take photographs of portions of the ceremony refrain from interfering with the view of others.

President's Welcome

On behalf of the University of Oregon, I congratulate members of the class of 1977 and extend best wishes to their parents, families and friends here assembled.

The completion of your degree program marks the successful conclusion of one endeavor and the beginning of another. We salute each individual whose accomplishments are recognized during these ceremonies.

William Boyd, President

The University

The University of Oregon opened its doors to 177 students on October 16, 1876. Today the University enrolls some 17,000 students. Its 925 faculty are engaged in teaching, research, and scholarship covering a broad range of humanistic, scientific, and professional knowledge.

The campus houses 35 departments and special programs in the liberal arts; nine professional schools and colleges; 12 research bureaus, institutes, and centers; and a graduate division.

The University's more than 80,000 alumni include two graduates who have won the Nobel Prize: William Parry Murphy, co-winner of the prize in 1934 for a development in the treatment of anemia, and Walter Houser Brattain, who won it in 1956 for the co-invention of the transistor. Seventeen Rhodes Scholars call the U of O their alma mater.

The University is one of only 24 public schools in the nation to be selected for membership in the prestigious American Association of Universities.

Alumni Membership

Congratulations and welcome to the University of Oregon Alumni Association. As graduates you may take part in any of the Association's activities including foreign travel, reunions, vacation learning experiences, or one of the many alumni groups around the world. You also will receive copies of the alumni publications *Old Oregon* and *Oregon Today*. The Alumni Association is a great way to keep in touch with "Oregon." We're here to serve you.
