ORDINANCE NO. 09-364-O

AN ORDINANCE ADDING SECTION 3.048, LIGHT INDUSTRIAL DISTRICT, TO THE CITY OF ROGUE RIVER ZONING ORDINANCE NO. 373, WHICH REGULATES THE USE OF LAND AND STRUCTURES AND ESTABLISHES ZONES FOR THAT PURPOSE IN THE CITY OF ROGUE RIVER, OREGON.

THE COMMON COUNCIL OF THE CITY OF ROGUE RIVER, OREGON, ORDAINS AS FOLLOWS:

SECTION 3.048. LI OR LIGHT INDUSTRIAL DISTRICT is added to the City of Rogue River Zoning Ordinance as follows:

SECTION 3.048. LI OR LIGHT INDUSTRIAL DISTRICT:

(1) **Purpose.** This district is designed to encourage heavy commercial and light industrial businesses that promote the economic and employment base of the City. This District is designed for the new and complementary light industrial and fabrication land uses.

- (2) **Permitted Uses.** All uses are subject to Article 10, Site Plan Review.
- a. Construction related businesses such as building material sales yards, offices, warehousing and storage, and nurseries.
 - b. Light service shops such as upholsterer, appliance repair, gunsmithing, knife sharpening and similar shops and services .
 - c. Printing, publishing and lithography shops and services.
 - d. Cabinet, carpentry, carpet, communication system, electrical, furniture, insulation, plumbing, heating and similar supply shops and services.
 - e. Small engine repair shops such as, but not limited to, lawn mowers, weed eaters and chainsaws.
 - f. Automobile service stations, auto body shop, muffler shop, mechanic shop, new and used-car sales, boat and trailer sales.
 - g. Vehicle and equipment rental and storage yards.
 - h. Mini-storage facilities.
 - i. Business, dancing, trade, technical or similar schools, classrooms or training centers.
 - j. Dry cleaning, laundry shops, and dyeing establishments.
 - k. Mortuary.
 - l. Mobile businesses, when:
 1. Comprised of two-hundred (200) square feet or less of enclosed space;
 2. Are one-hundred (100%) percent self contained; and,
 3. Are removed from the premises each night.
 - m. Public and quasi-public, utility buildings, lodges and clubs, structures and uses as appropriate to and compatible with the purpose of the LI District.
 - n. Maintenance, repair, improvement, expansion and renovation of

existing residences.

o. New garage and storage building for existing residence.

(3) **Accessory Uses.** The following uses are permitted as accessory to an existing use in the LI District.

a. Business offices and storage facilities incidental to any of the permitted uses shall be located on the same site with the principal building.

b. Family day care or group day care facilities.

c. New garage and storage building for existing residence.

(4) **Conditional Uses.** The following uses are permitted when authorized in accordance with Articles 6 and 10:

a. Other similar uses, when found to be consistent with the intent of this District by the Planning Commission.

(4) **Area, Width, Height, and Yard Requirements.**

a. The maximum building height is forty (40') feet.

b. Each new parcel must front on and have access to a publically owned and maintained road for a minimum of forty (40') feet, except when the parcel is served by a flagpole approved under Section 4.120 of the City of Rogue River Subdivision Ordinance, or a private road created and approved through a partition, subdivision or planned unit development.

c. There are no requirements for lot area or width, or for yard setbacks except as necessary to meet the off-street parking and loading requirements or as a condition of approval.

(5) **General Requirements.**

a. No use shall be permitted and no process, equipment or materials shall be used which are found by the Planning Commission to be harmful to persons living or working in the vicinity or by reason of odor, fumes, dust, smoke, cinders, dirt, refuse, water-carried waste, noise vibrations, illumination, glare, or unsightliness or to involve any hazard of fire or explosions.

b. All business, services and processes shall be conducted entirely within a completely enclosed structure, or in an area immediately adjacent thereto provided the area of such outside use is paved and does not exceed ten (10%) percent of the area of the enclosed industrial use and is entirely on privately owned property. Off-street parking and loading areas, sales yards, nurseries, new and used-car sales lots, boat and trailer sales lots, and vehicle and equipment rental and storage yards need not be within an enclosed structure.

c. Open storage of materials attendant to a permitted use or conditional use shall be permitted only within a paved area surrounded or screened by an approved solid wall or an approved site screening fence six (6') feet in height, provided that no materials or equipment, except vehicles, shall be stored to a height greater than that of the wall or fence.

d. Where a site adjoins or is located across an alley from a residential district, a solid wall or fence, six (6') feet in height, shall be located on the property line common to such districts, except in a required front yard, where it must be inside the property line.

e. All new development shall be required to provide half street improvements along all frontage roads, including curbs, gutters, sidewalks and storm drain facilities, and pavement to the center line of the road(s).

f. Any developer working in any public right-of-way within the city limits shall provide the City with a certificate of insurance in the amount of one-million (\$1,000,000) dollars naming the City as an additional insured. Public utilities are exempt from this section.

(6) **Signs and Lighting Premises.**

a. No sign or outdoor advertising structure which faces and is located directly across the street from property situated in an R-E, R-1, or R-2 district shall be directly illuminated or flashing.

b. No red, green, or amber lights or illuminated signs may be placed in such a position that they could reasonably be expected to interfere with or be confused with any official traffic control device or traffic signal or official directional guide signs.

c. Out-of-door lighting standards and fixtures for illumination of premises shall be so designed and installed that direct rays are not toward or parallel with a public street or highway or directed toward residential uses located in the R-E, R-1, and R-2 districts.

(7) **Off-Street Parking.** All uses shall provide off-street parking facilities as required in Article 5 except when located within a special district organized to provide common public parking areas.

(8) **Hydrologist, Soil Engineer, Engineer, and/or Geologist:** Any developer developing in the City limits may be required to pay for a State of Oregon licensed Hydrologist, Soil Engineer, Engineer, and/or Geologist who is hired by the City to review the development plans to insure that all requirements and specifications of the City are met.
