REGISTRATION FEES

Payable at the time of registration (or by installments) each term.

Undergraduate Fee. Undergraduate students who are residents of Oregon pay a flat registration fee of \$32.00 each term; non-residents pay the non-resident fee in addition (see Special Fees). The registration fee includes the A. S. U. O. fee of \$5.00 a term, the health service fee of \$3.50 a term, the building fee of \$5.00 a term levied by the A. S. U. O., and the class fee of \$0.50. The remainder of the registration fee, in the amount of \$18.00, entitles the students to register in any school or curriculum without additional charge, and provides free use of all institutional facilities and equipment maintained for the benefit of students. (See "Special Fees" for exceptions.)

Graduate Fee. Graduate students pay a registration fee of \$26.00 each term. This fee entitles the students to all the privileges enjoyed by undergraduates except the right to vote in the A. S. U. O. elections; this amount does not include building and class fees. Before students are eligible for the graduate fee they must be enrolled in the Graduate School or have received a bachelor's degree or have completed all requirements for the bachelor's degree sought.

Graduate Assistants' and Fellows' Fee. Graduate assistants and fellows pay a registration fee of \$16.00 per term, which entitles the students to the same privileges as regular graduate students. To be eligible for this fee graduate students must devote essentially half-time to institutional service, be appointed with the approval of the Graduate School, and be enrolled for not more than ten term hours of academic work.

Part-time Fee. Any student, either undergraduate or graduate, registering for six or less term hours is entitled to a reduced rate of \$3.00 per term hour. This fee extends the privileges of class attendance and free use of the library, but not any other institutional privileges.

Auditor's Fee. An auditor is a person who has obtained permission to attend classes without receiving academic credit. The fee of \$1.00 per term hour entitles him to attend classes but not to enjoy any other institutional privileges.

DEPOSITS

Every student who enrolls for academic credit is required to make a deposit of \$5.00 payable once each year at the time of registration. For regulations in regard to refunds, etc., see the University Catalog.

SPECIAL FEES

Payable under the special conditions indicated.

Late Registration Fee. Students registering after the scheduled registration dates of any term pay a late registration fee of \$1.00 for the first day and \$1.00 for each additional day until a maximum charge of \$5.00 is reached. (See year calendar for dates.)

Late Payment Fee. Students who fail to pay installments of their registration fees when due are charged an additional \$0.25 for each day delinquent.

Change of Program Fee. Any student who requests a change in his study program after it has been filed with the Registrar is charged \$1.00.

Reinstatement Fee. If for any reason a student has his registration cancelled during a term for failure to comply with institutional regulations, but is later allowed to continue his term's work, he is charged \$2.00.

Special Examination Fee. If a student is granted the privilege of taking any special examination he may be charged \$2.00 for each such examination.

Transcript Fee. A fee of \$1.00 is charged for each transcript issued after the first, which is free of charge.

Graduation Fee. A graduation fee of \$6.50 is paid for each degree taken.

Non-resident Fee. Undergraduates who are non-residents of Oregon pay \$50.00 a term in addition to the registration fee paid by resident students, except that part-time students pay \$3.12 per term hour in addition to the registration fee. This fee is payable on or before the end of the fourth week from the date of registration.

Gymnasium Suit Fee. A fee of \$2.00 per term is charged students enrolled in Physical Education courses requiring the use of a gymnasium suit, to provide for laundry and repairs; this fee is not required of students with an active gymnasium suit deposit.

Special Course Fees. Additional fees are charged for instruction in musical performance.
