Senior Memorial

The supreme loyalty, patriotism, and whole-souled spirit of the sons of Oregon, backed by the every unit of the University in responding to the call to arms, that is what the artist, Mr. Roswell Dosch, will breathe into his Soldier Memorial Statue that will be erected on the campus at the outcome of the war. The present senior class has started the fund with a gift of \$217. Added to this is \$180 that was netted in a recent tag day on the campus. The entire cost of the statue, done in bronze, will approximate from \$6000 to \$7000.
