University of Oregon
Commencement

AUGUST 19, 2006

The president's centennial medallion, shown on the next page, was commissioned in 1975 and is worn by the president as a badge of office during formal university ceremonies. Professor Emeritus Paul Buckner of the Department of Art created and executed the design. The university seal, shown on the title page, was created by Judge Matthew P. Deady, first president of the Board of Regents, and was approved by that body in 1878. In its center is a representation of Mount Hood as a symbol of the state. Around its edge is the university's motto, *Mens agitat molem*—mind moves the mass.

University of Oregon
Summer Commencement
August 19, 2006

WELCOME TO THE UNIVERSITY OF OREGON Summer Commencement. With each year's commencement comes a great sense of accomplishment as well as thoughts of the future. This year is no exception, holding as it does the joy and satisfaction of achievement and the promise of challenges and opportunities that will stretch courage and creativity in new and exciting directions.

The University of Oregon began 130 years ago with a promise from one generation of Oregonians to future generations. This promise was based on the belief that education could make a difference in the lives of men and women, and it was this difference that would, in turn, improve the quality of the state, the nation, and the world. This year we renew our commitment to be a part of making a difference. Our pledge is kept in part by the traditional commencement ceremony we attend today, and it will be kept in full by the accomplishments that you as graduates build and celebrate in the future. On behalf of the university community, I offer our best wishes as you continue to fulfill that original promise in the years to come.

University of Oregon

The University of Oregon opened its doors in 1876. Deady Hall housed the entire university in those days. Built of bricks made from clay dug out of the local hills, the building was guaranteed by its architect to last 1,000 years. The first commencement in 1878 graduated five students. Today the university serves 20,000 students on its 295-acre campus. More than 1,200 faculty members teach in its professional schools and its arts and sciences departments.

University Mace

In medieval times the mace was usually carried into battle by kings, bishops, and other leaders for use as a weapon. Later on it came to be used more for ceremonial occasions. Today it is a symbol of authority.

Designed and created by C. Max Nixon, Department of Art, the university mace combines copper, bronze, and silver in the four-sided spherical head atop an oiled walnut shaft. The sphere is made up of four university seals joined at a common axis. The outer rims of the seals are copper. The university's name and motto, in Latin, are in bronze. The mountain at the center of the sphere is in silver, and the forests and hills are in bronze. Surmounting the linked seals is a replica of Deady Hall, the university's first building, cast in bronze.

At the top of the oiled walnut shaft and within the sphere created by the seals is the university's founding date. At the base of the shaft is a finial ornament in bronze, finished with a stylized pine-cone pattern. Embedded in its tip is the seal of the state of Oregon, also in bronze.

Academic Costume

The hood is lined with the official colors of the degree-conferring institution; for the University of Oregon these are yellow and green. The outside trimming of the hood and the color of the tassel signify the subject in which the degree is conferred:

maize/agriculture
white/arts, letters,
humanities
drab/commerce,
accounting, business
blue-violet/architecture
lilac/dentistry
copper/economics
light blue/education
orange/engineering
brown/fine arts
russet/forestry
crimson/journalism
purple/law
lemon/library science
green/medicine
pink/music
apricot/nursing
silver gray/oratory, speech
olive green/pharmacy
dark blue/philosophy
sage green/physical
education
peacock blue/public
administration
salmon pink/public health
golden yellow/science
citron/social work
scarlet/theology
gray/veterinary science

At the University of Oregon, it is customary for master's degree candidates to wear their hoods in the procession. Doctoral candidates carry them and are hooded during the ceremony. Each bachelor's degree candidate moves the cap tassel from front right to front left as the degree is conferred. Caps are removed during the pledge song and the commencement address.

Honor Cords

Bachelor's degree candidates who graduate with academic honors may wear honor cords over their gowns. Colors of honor cords signify specific honors.

Graduation with Latin Honors

Graduating seniors who have earned at least 90 credits in residence at the University of Oregon and have completed all other university degree requirements shall be awarded graduation with honors: upper 2 percent, *summa cum laude*; upper 5 percent, *magna cum laude*; upper 10 percent, *cum laude*. These distinctions are based on students' percentile rankings for their graduation term. The honors determination for summer 2006 degree candidates is provisional. It is based on academic work completed prior to the graduation term and is not official until final grades have been recorded.

Names of degree candidates are listed alphabetically by college or school and degree.

For summer 2006 candidates, the students whose names are listed herein were considered to be candidates for the degrees indicated when the program was printed. This is not an official degree list. The appropriate degrees and diplomas will be awarded to those candidates who have successfully completed all requirements by the end of summer session 2006.

Oregon Pledge Song

Old Oregon, we pledge to thee
Our honor and fidelity,
Both now and in the years to be,
A never failing loyalty.
Fair Oregon, thy name shall be
Written high in liberty.
Now, uncovered, swear we every one
Our pledge to Oregon.

John Stark Evans, a member of the music faculty for many years,
wrote the Oregon Pledge Song, fondly known as "Old Oregon," in 1919.
He gave the rights to the pledge song to the University of Oregon.
