HELLO1

Hello. This is ____ calling from the Oregon Survey Research Laboratory. We are conducting a 15-minute survey for three Oregon state agencies (two private research organizations, and the University of Oregon) about your opinions on a variety of issues. I want to assure you that I am not selling a thing, and that this survey is completely anonymous and voluntary. (Please do not even tell me your name.) I need to speak with a person age 18 or older (in your household). (Is that you?)

PROBE: The private agencies are Oregon Research Institute and ECO-Northwest. The state agencies are ODOT, the Oregon Lottery, and Oregon State Parks.
