RAISING THE GRADE farmworker housing, medford, oregon

IDENTITY, COMMUNITY, AND AFFORDABILITY

For this project, we addressed three aspects of the farmworker community, *identity, community*, and *affordability*. Focusing on these, our goals were to:

- -Create thresholds and transitions between levels of community
- -Create **gathering space** for the internal community, as well as the external community, to come together
- -Create a **prototype** that is **self empowering and self sustaining**, not only for the farmworkers but also the farm owners
