i would say, for me personally?  The location.  

they have varied majors 

31 ummmm good football.  

21 the professors really care, they're pretty much available to the students  

(-be more specific?) campus activities, intermurals, rim, just things like that there is a whole lot available and there are a lot of P.E. classes you can take.  

Um, the student interaction and cultural atmosphere.  

the size of classes, the student to teacher ratio is pretty small, it seems like a small campus  

14 cultural diversity  

17 Probably, at least within my department which is what I am familiar with, the professors all have the ability to give weight to other peoples views... I don't know how to word that.  They are open minded.  

41 town of eugene,location  

15 the diversity in the classes and the people  

22 Its architecture department.  

14 cultural diversity  

21 tha's a hard one, i'd say probably faculty  

34 The outdoor pursuits program. (And that's the academic one, not the outdoor pursuits through the EMU.)  

41 being in oregon  

21 probably information that professor have, diverse information seems to draw a certain type of person, fairly openminded, fairly politically active, very diverse acceptance of different, diverse ideas, very dynamic  

29 Academics.  

22 id have to say im my major that my advisors and professors are very personal everyone in the dept really cares and wants to see the best for all us 

19 diversity  

19 i guess its diversity in thinking it just seems like a melting pot for mental and social ideas.  

22 Well, I could tell you why I'm there, it's for the architecture department.  (PROBE) Well, that's about the one that I know of.  

15 the variety of art classes to choose from

338 412 STRENGTH 0 1 0 1 14 WELL, I WOULD HAVE TO SAY
the multi-cultural courses they require. Also the romance language

370 466 STRENGTH 0 1 0 1 21 it offers alot of good
professors
in my department there is a good ratio of students per professors. Research oriented classes. 

The opportunity to try something new - the wide selection of classes. Something different, not related to your major. Cultural diversity and open forum a open minded liberal. 

The four student unions and the events that they bring on campus. 

The school of music. 

Their language program - they offer a lot of languages and the teachers are very good. 

The professors are pretty good. 

The accessability of everything on campus classes building library. 

I'm not sure. I think I will pass cuz I can't really think about that right now. 

The campus and the few dedicated professors who really make learning a stimulating experience and who appreciate teaching older students rather than just the younger students. 

The location in the state of Oregon in an urban area. 

The academics - the prestige over all friendness of the campus. 

Biology dept is very good. 

Just one I don't know, aw, shit, well, Eugene. 

Faculty and the people - students. 

Opportunity for extracurricular involvment. 

Their football team. 

The knight library. 

Faculty, they have a good faculty, with good background in the materials they teach, they have a good backup with the GTFs. 

Cultural diversity. 

Variety of ethnic backgrounds and that type of thing. 

Diversity. 

Do I have to answer that? I don't feel like thinking right now. 

The study abroad programs. 

Location, and liberalism. 

Thinking. 

The cultural view: race/gender requirement. 

Contacts with outside stuff. 

The emphasis on the liberal
I think it helps me become more independent. I think it's probably the diversity in the people in the curriculum and that it seems to be changing all the time.

Quality education at reasonable prices.

The professors. I guess the quality of instruction, quality of the faculty.

The atmosphere of acceptance even though there is not a lot of diverse cultures here. The faculty is also very good at encouraging learning.

I don't know, I would say the pre-med program. Choices available for majors. School computer network. Variety of programs.

The diversity of the people. Their exchange program. Their technology with the computers and finding information.

I guess like political activism. Mix of academics with outside programs and using outside resources in the community.

I think they have a pretty good variety of classes that you can take. - like history and that kind of stuff.
last few years so I'd say that the greatest strength is the quality of the business school I guess.

The professors are very involved with the students, and they like to help students succeed. I was very impressed with the Academic Learning Center.

I don't have much idea. It's a good college town with things to do both inside and outside the university. They have a lot of different strengths. For me personally, their football team is very good. I think it is very culturally diverse and I think it is a good experience for people of different cultures to discuss their different opinions.

Social skills are important. I'll say the relationships between the students and the faculty.

They have a lot of different cultural and cultural things going on, on and off campus and this city provides a nice environment. I don't know how to say it, but I guess the arts, just like, music and art and a lot of, it just emphasize it more than a lot of other colleges do.
Uh, they have a good balance in all respects in college.

I guess I'd have to say the fine arts and architecture department.

I don't know.

There are a lot of trees on

cultural diversity and understanding between the cultures

I think they have some good professors.

I think it has really good professors.

been here long enough i like the professors they are better than other colleges i've been at
can I qualify that?-I'd say their journalism teachers because their teachers are the best.
it's in

the U fo one greatest strenght is, i dont' know, i cna not come up with one really good answer on that i'm afraid, i like pretty much everything about the campus,it's hard to pick one specific aspect, it'shard to pick one aspec that is the most outstading, i would have to pick the curriculum,i guess because it's a wude variety of classes minors and majors to choose from,

right now, none,

professors,professors ablity to interact whti student on more thqant jsut a business level, more perosnl

people are realy cool, they're easy going and nobody has any realy poroblems with each other, there's not alto of conflicts, everbody seem to gert along with each other

the awareness or the openminded ability that poepl have her, just the ablility to tyr different things and not afraid to
don't know, I suppose the wide varieties of majors offered

there is always something to do

it has to offer in every, it has alot to offer students both academically

different degrees it offers

eueugen, like the size

the campus, it's beaustifula
nd its just in general, and it's a great place to feel like your apart of
the school and right now i am going to portaland stat and they don't
have any campus and it's kind of boring
599  623 STRENGTH  0  1  0  1  29 it not too bad, the campus
and the faculty is good and the students, the classmate are pretty
friendly
600  624 STRENGTH  0  1  0  1  22 the psychology dept, well,
because of the research it accomplishes and its world class professors
and the quality of teaching
601  625 STRENGTH  0  1  0  1  42 uhhh.. the size of the
school, what i like most about the school?, location i guess,
relatively low living expense, even though tuition has gone up, still and
the people around here, safe environment, ah, that's about it
602  626 STRENGTH  0  1  0  1  22 i don't know... um, their
ability to require multicultural education, that would be a major
improvement over other schools, or at least to require two classes
603  627 STRENGTH  0  1  0  1  21 great teachers
604  663 STRENGTH  0  1  0  1  31 i like the football team a

610  584 STRENGTH  0  1  0  1  29 it's academic program

Technology in the geology department is excellent compared to other universities especially with computers and stuff. It's more diverse, there are a lot of things, what would be the word that has different access points? I think diverse.

The art department has a lot of different access points. With professors in the geology department, the linguistics center for the language, and the English department, the faculty in general is good. Karen Ford is good. My flute professor is good. Academics, some of the

659 718 STRENGTH 0 1 0 1 15 uhhmm. I think the variety of classes and the options you have,...both academic pursuits and extracurricular activities.
660 605 STRENGTH 0 1 0 1 99 ummmm not sure [long puase] I can't think of any
661 719 STRENGTH 0 1 0 1 22 for me i'm studying finance dept. I think they provide really really good courses for bus. students.;;;like finance courses, etc. also they invite guest speakers from other schools, and its a good way to get information ffrom outside of school. And I think they computer system at u. of o is really good for students.- whoever wants to use computer. U of o also provides some good computer courses, for stu's who have never used computers before.
662 692 STRENGTH 0 1 0 1 29 a well rounded education
663 720 STRENGTH 0 1 0 1 19 Probably its diversity. and the variety of classes you can take
664 693 STRENGTH 0 1 0 1 42 that it still seems small, like a small college atmosphere
665 694 STRENGTH 0 1 0 1 43 i would say its campus and the setup of obtaining -- like the academic setting of it like how the camus is, its really easy to register for classes and to get the things you need, its just comfortable.
666 695 STRENGTH 0 1 0 1 15 diversity of classes - course offeriings, esp within certain majors, sme depts are weak but in most of the majors I've had I've had a larger degree of courses avaliable that I could have chosen from. [anything else?] I think that the library, I work there and have some problems with it, but the expansion is really good. And I think the ITC unit within the library is a really good addition. Its a really good idea to have computers avalibe for students to use for any prupose.
667 721 STRENGTH 0 1 0 1 41 the location. the people. friendly.
668 696 STRENGTH 0 1 0 1 34 the cultural - the museums
669 722 STRENGTH 0 1 0 1 14 I think its the cultural background; the diversity of the people that they have there. the international students.
670 697 STRENGTH 0 1 0 1 46 the liberal attitude on the campus, the people -- friendly
671 723 STRENGTH 0 1 0 1 31 football I like the football team the academics is fine with me . It is average i think.
672 698 STRENGTH 0 1 0 1 22 uhhmm. well... for me personally, I think its their jazz program...I think its a as faras...having a jazz program...implemented...a lot of school's don't even have that....the faculty also involved is good...its underrated...not heard about enought.
673 590 STRENGTH 0 1 0 1 45 general attitude
674 699 STRENGTH 0 1 0 1 19 diversity.
675 724 STRENGTH 0 1 0 1 46 liberal ideas, there liberal ideas and education is important for a new society or a new generation.
676 700 STRENGTH 0 1 0 1 16 I guess like the ,, campus activities...social life..what they offer students to do outside of class...not just the Greek system, but all the clubs and organizations, etc.
677 725 STRENGTH 0 1 0 1 21 the faculty, teachers and the course content and course materials, and it is a challenging environment inside the classroom.
678 751 STRENGTH 0 1 0 1 14 I think U of O is very good. Because, there are a lot of diff. cultural background students. so I
think that is good for international students. One prob. is the tuition -- kind of expensive.

691  756 STRENGTH  0  1  0  1  21 I would have to say the

faculty, I have found them to be uniformly intelligent, coherent people.

They seem to care about whether I'm making it. They've been willing to

so I would have to say the faculty.

692  731 STRENGTH  0  1  0  1  19 I d have to say ...the

and getting computers all over the school.
    probably for the reason that
I came here which was the journalism program, high standards for
departments.
    they have...fairly good
...good graduate programs in science. Good labs. I think I would
probably be more satisfied if I was a grad. student rather than an
undergrad.
    all the different clubs and groups on campus. Once I became a
student senator I realized all the different groups and clubs on campus
and all the different kinds of people in them...
    I would say, I'm very impressed with the Architecture Dept. The quality
of the profs....their knowledge... Impressed with the professors.
    the professors. I've had in biology have all been really good in helping me
understand the material.
    all the resources that I
could have for my major and having them having their own dept. and
research and having it so I can go in there and check it all out.
    thats a hard one. the thing that drew me here probably more than academics, is the track
team(I'm on the track team). The history of the
school...everything...track, notoriety, etc.
    their high level of
opportunities.
    Caring faculty and staff.
    diversity.
    um, diversity.
    campus
    ha, ha, greatest strength-
it's liberal aspect of the university
    the campus, as far as
grounds crew. great looking!
    diversity. there's a lot of
diff. people here, and it seems that everyone fits together well;
there's no problems between groups, and things like that.
    I am in the business school
so I am going to spread from the point of the business school being the
UO's greatest strength. The general atmosphere is very positive and a
very good learning environment. And the fact that Eugene is a perfect
university town.
    attention to the
environment [expand] well I mean I haven't thought about this at all but
living here made me quickly aware of the environment
    Uhhmmmm. I don't know.
the professor that make it interesting, the professors that help you build interest within that particular course.

the liberal setting really helps you to find out who you are...explore yourself...find yourself...it's not rigid.

I think the liberalness. the liberal setting really helps you to find out who you are...explore yourself...find yourself...it's not rigid.

friendly atmosphere. good people. also, I like the location. good size.

wide variety of course material that is offered to students here

for me i think for me it the biology department it is ranked # 10

the unity is great

students

classes are taught...being that they are smaller classes around 30 people rather than freshman classes that approximate 100

know. Probably the atmosphere--how everything's so laid back and people here are a lot more understanding than in California

help from the professors outside of class including office hours and online help

opportunities to learn from people from many different cultures.

overall, it provides...almost out-of-school rather than in school.

in activities that are available.

I like the campus and I like the courses. I've been in other schools...how they do the reg. here is much better than the way they do in other schools...you have to gosh into a gym and run around, etc.

the...activists...people trying to create change. I like the ones who try to uncover things that normally would not be evident to the average observer. Maybe concerning the Univ's political dealings and political activities, I guess.

That they offer lots of majors.

specifically in my area there is a lot of research to study and participate in

the mix of different types of people.

degree programs, it's like a good all around liberal arts program
I think teachers make themselves approachable. Teachers make themselves approachable. If you need help it is readily available to you.

10 106 WEAKNESS 0 1 0 1 47 parking, more parking
11 51 WEAKNESS 0 1 0 1 31 getting advising time in a timely manner. It is difficult to find where advisors offices are especially when you are new to campus- find where buildings are. it is hard to pull that info out of people.

12 301 WEAKNESS 0 1 0 1 23 Probably the communication.
13 52 WEAKNESS 0 1 0 1 11 i would make classes a little smaller, the big lecture classes-sometimes i get lost.

14 251 WEAKNESS 0 1 0 1 91 beggars in the street

17 53 WEAKNESS 0 1 0 1 92 student diversity, racial and ethnic diversity, (would you expand on that?) they talk about multi culturalism and diversity but besides asian students they attract very few students from other races and ethnicities

18 302 WEAKNESS 0 1 0 1 92 Its outreach toward minorities.
19 108 WEAKNESS 0 1 0 1 11 offer more classes in the evening
20 303 WEAKNESS 0 1 0 1 48 The preregistration for art majors.
21 109 WEAKNESS 0 1 0 1 99 i dont know, i have no complaints
22 207 WEAKNESS 0 1 0 1 22 teacher seem to be more of researcher than teachers and they seem to be more of researchers than teacher.

23 252 WEAKNESS 0 1 0 1 84 i think the students complain an awful lot
24 54 WEAKNESS 0 1 0 1 21 thier GTF programs, sometimes i think there are GTF's that are not qulified to be student teachers

25 55 WEAKNESS 0 1 0 1 11 availability of classes
26 253 WEAKNESS 0 1 0 1 47 chabng eht parking it is horrible

27 110 WEAKNESS 0 1 0 1 31 increase in advising for students
28 304 WEAKNESS 0 1 0 1 98 I don't know.
29 111 WEAKNESS 0 1 0 1 59 it needs to have better research facilities

30 254 WEAKNESS 0 1 0 1 32 let me think for a bit . . . the one thing is that trying to know what is available on campus is really hard. Intramural sources, clubs, I don't even know wherer ot look
for resources. The advertisement of resources available. More computer access.

31  56 WEAKNESS  0  1  0  1  61 the cost
32  305 WEAKNESS  0  1  0  1  61 Um, I would sa, um, gees, lower tuition.
33  255 WEAKNESS  0  1  0  1  61 cost of tuition make it lower
34  112 WEAKNESS  0  1  0  1  21 end tenure-university professors should teach, I don't think people should dish out bucks to have gfts teach, professors are employees and should go through yearly evaluations
35  57 WEAKNESS  0  1  0  1  62 more scholarships
36  113 WEAKNESS  0  1  0  1  61 lower tuition
37  58 WEAKNESS  0  1  0  1  91 i don't think anything, it used to be registration but they made it easy with duck call, actually all the losers that hang out on 13th street they just bring down the whole experience of going to school here. I don't even want to walk down 13th now. They just bug me, asking for things.
38  114 WEAKNESS  0  1  0  1  11 smaller class size
39  59 WEAKNESS  0  1  0  1  47 parking
40  210 WEAKNESS  0  1  0  1  11the size--maybe smaller, the teachers and students more close.
41  60 WEAKNESS  0  1  0  1  61 the cost. (How would you change it?) lower it, a lot. I am paying out of state and it gets up there.
42  115 WEAKNESS  0  1  0  1  32 better academic advising more knowledge of what you can do with the classes you have already taken
43  211 WEAKNESS  0  1  0  1  11 smaller classes!
44  61 WEAKNESS  0  1  0  1  48 the department beuracracy needs stream re-aligning, it is an extream mess.
45  116 WEAKNESS  0  1  0  1  11 variety of classes add more classes to the elective pool
46  256 WEAKNESS  0  1  0  1  25 more professors than gfts to teach upper lever courses and juse=t mor in general
47  1 WEAKNESS  0  1  0  1  98 dk
48  257 WEAKNESS  0  1  0  1  98 k don't know
49  2 WEAKNESS  0  1  0  1  23 more contact between professors and students. Very cold and impersonal experiences.
50  62 WEAKNESS  0  1  0  1  98 um, I don't really, know that one, I cant think of anything off hand
51  3 WEAKNESS  0  1  0  1  98 don't know
52  258 WEAKNESS  0  1  0  1  61 probably this is going to sound normal lower tuition
53  63 WEAKNESS  0  1  0  1  52 id get more use of the computer, say like expand more, than just in the emu and the library, cause three;s always a line
54  4 WEAKNESS  0  1  0  1  75 more facilities for ethnic student groups: and non-us citizens and equal attention
55  64 WEAKNESS  0  1  0  1  98 i really cant think of anything of the top of my head that bothes me about the school
56  259 WEAKNESS  0  1  0  1  98 i dont know
57  5 WEAKNESS  0  1  0  1  23 needs to be more teacher student contact. More personal less cold.
58  6 WEAKNESS  0  1  0  1  98 no idea
59  260 WEAKNESS  0  1  0  1  11 availabilty of classes
60  65 WEAKNESS  0  1  0  1  23 id say accesiblity to professors and other teaching staff
61  7 WEAKNESS  0  1  0  1  23 teacher interaction with students
WEAKNESS 0 1 0 1 98 i don't know
What is taught in classroom is very limited to real life situations—its mostly theory
WEAKNESS 0 1 0 1 61 maybe the i don't know, maybe the tuition center for students
WEAKNESS 0 1 0 1 21 gtfs
facultly focusing on classroom instructions instead of research
WEAKNESS 0 1 0 1 11 small student to professor ratio, 15 to 1 or less, for all areas, every academic pursuit
WEAKNESS 0 1 0 1 31 more academic advising.
WEAKNESS 0 1 0 1 48 the way you preregister for art classes. the fact that you have to wait in line for preregistration for art classes, somethn like duck call with time, would be better, and some classes like computer classes, and for senior and people who are in the greater need should get more priority than who gets there the earliest.
WEAKNESS 0 1 0 1 61 parking arrangement, they kinda suck
WEAKNESS 0 1 0 1 76 i wish there was a good education program i could take part in. they are bringing it back but its too late for me
WEAKNESS 0 1 0 1 98 I really don't know
WEAKNESS 0 1 0 1 47 parking
WEAKNESS 0 1 0 1 99 nothing that i can think of
WEAKNESS 0 1 0 1 61 well if it was at all possible it would be to lower tuition
WEAKNESS 0 1 0 1 31 the advising system
WEAKNESS 0 1 0 1 48 preregistration for the fine arts dept
WEAKNESS 0 1 0 1 49 i think i would probably make in state and out of state tuition and elegibility the same, and the fact that all students have to pay incendental fees yet certain organizations exclude certain people i.e. safe ride
WEAKNESS 0 1 0 1 88 sometimes i feel uncomfortable with discrimination so discrimination
WEAKNESS 0 1 0 1 88 ummmmmm discrimination
WEAKNESS 0 1 0 1 97 this may sound stupid but maybe the community
WEAKNESS 0 1 0 1 61 the costs
WEAKNESS 0 1 0 1 99 i don't know, Im not very familiar with the uofo. i haven't seen anytyng to change
WEAKNESS 0 1 0 1 98 i can't think of anything
right now

94  153 WEAKNESS  0  1  0  1  12 ummm easier to pass all
classes with little work

95  309 WEAKNESS  0  1  0  1  52 improve the use of computers
96  126 WEAKNESS  0  1  0  1  52 computing facilities
97  127 WEAKNESS  0  1  0  1  11 i would make all lower
division classes small get rid of large lectures.

98  154 WEAKNESS  0  1  0  1  23 ummmmmmm maybe teacher
availability

99  310 WEAKNESS  0  1  0  1  13 change the general education
qualifications, the 16 credit group things. Comment: i'm petitioning
the administration because of changing credits for classes from 3 to 4
credits leaves me a .5 credit short and they want me to take a 4 credit
class. More humanity in the beaurchracy,

100  204 WEAKNESS  0  1  0  1  99 nothing
101  75  WEAKNESS  0  1  0  1  61 the cost of tuition
102  155 WEAKNESS  0  1  0  1  52 computer access
103  270 WEAKNESS  0  1  0  1  51 the library hours
104  76  WEAKNESS  0  1  0  1  98 i cant think of anything
105  311 WEAKNESS  0  1  0  1  97?maybe improve communications
between other countries

106  128 WEAKNESS  0  1  0  1  61 lower tuition
107  156 WEAKNESS  0  1  0  1  99 nothing i can think of
108  77  WEAKNESS  0  1  0  1  11 fewer undergrad lecture
classes

109  212 WEAKNESS  0  1  0  1  11 the class size too large
they should be limited

110  271 WEAKNESS  0  1  0  1  48 the system of the the way
they regulate the registration for my major. the people have to wait out
side the class to get in the rest of the students can duckcall it. Only
the visual design majors have to do it this way. some visual dishtin
majors have to wait oneyear

111  129 WEAKNESS  0  1  0  1  15 i would turn it from a
liberal arts college to a an engineering
college and broader degrees

112  312 WEAKNESS  0  1  0  1  99 i don't know that i would
change anything

113   9  WEAKNESS  0  1  0  1  44 Your academic year, which is
horrendous.

114  213 WEAKNESS  0  1  0  1  71 budget i guess increase the
budget

115  130 WEAKNESS  0  1  0  1  51 the library
116  78  WEAKNESS  0  1  0  1  99 nothing
117  131 WEAKNESS  0  1  0  1  26 i don't know probably my
math instructor

118  10  WEAKNESS  0  1  0  1  91 Other than all of the
dirties on 13th street? That's about it... i'd clean it up.

119  313 WEAKNESS  0  1  0  1  62 probably financial aid,
availabilty, eligibilty, i know alot of people are having a hard time,
maybe their parents make too much money and i think that financial waid
to ahrd to et for people that really need it

120  214 WEAKNESS  0  1  0  1  87 it's moral enviroment it's
too liberal for me

121  79  WEAKNESS  0  1  0  1  26 the attitudes of some
professors (would you expand) i would just say that some are
inexessable and hard to deal with, not all of them mind you but some
crucial ones are inexessable.

122  11  WEAKNESS  0  1  0  1  96 Move it down to california.

123  314 WEAKNESS  0  1  0  1  52 moeny is there, better
equipment, computers and labs need better tools or any other deapartment

124  215 WEAKNESS  0  1  0  1  48 the fine arts registration
is not duckcall it is only one day and it is the day befor
125 12 WEAKNESS 0 1 0 1 11 Accesability to students
do that do not live on campus and have the ability to show up for things at
strange hours. I've got a lot of classes that expect me to drop
everything. Older students with kids... it's pretty inflexible.
126 315 WEAKNESS 0 1 0 1 71 well, i like to see the
funding improve, the state funding for higher education in genreal, of
course that would apply to all public educatin in the state of oregon.
127 216 WEAKNESS 0 1 0 1 49 the one thing that i have
had trouble with is transferring here the proof of not having aid at mt
hood and not attenting spring quarter they should be able to call the
college or something and do all that themselves instead of having me go
up to mt hood and request it myself
128 217 WEAKNESS 0 1 0 1 98 i don't know can't think of
one right now
129 316 WEAKNESS 0 1 0 1 51 the library, they need to
teach basciall to use the facilities, I took a library 101 class and it
kinda at the U of O and they don't offer it anvymoe, reall basic, 1
credit and they taught you how to use the dewey system and etc. Hw to
use the search and theycomputers thataare availble to us,for me ther's
so much information so many newspaper from all over the owrkd adn because
you dont'se e it on Janus, you don't think to ask for the London times,
or something else. I use Nexus and the Lexus computers becuase that 's
what i kno
130 13 WEAKNESS 0 1 0 1 41 Uh, the registrar's office.
131 317 WEAKNESS 0 1 0 1 98 i have no idea
132 80 WEAKNESS 0 1 0 1 92 ethnic diversity
133 318 WEAKNESS 0 1 0 1 11 the availability of certain
classes
134 219 WEAKNESS 0 1 0 1 61 financial, the tuition all
that stuff
135 132 WEAKNESS 0 1 0 1 11 i would gety more professors
per class and smaller classes
136 81 WEAKNESS 0 1 0 1 99 It's alright
137 319 WEAKNESS 0 1 0 1 49 tuition requirements
138 220 WEAKNESS 0 1 0 1 74 funding for school supplies
139 272 WEAKNESS 0 1 0 1 49 make it easier to establish
residency
140 133 WEAKNESS 0 1 0 1 48 the interdepartmental
whininess and lack of working together
141 273 WEAKNESS 0 1 0 1 98 CAN'T COMMENT DON'T KNOW
NOT MUCH
142 157 WEAKNESS 0 1 0 1 11 I would add a Judaic Studies
department . I think it is critical towards educating both the 1200
Jewish students and the 12000 students on this campus.
143 221 WEAKNESS 0 1 0 1 11 smaller class sizes
144 134 WEAKNESS 0 1 0 1 98 i honestly dont know
145 274 WEAKNESS 0 1 0 1 99 NOTHING TO CHANGE
146 82 WEAKNESS 0 1 0 1 98 dk
147 222 WEAKNESS 0 1 0 1 96 the location
148 320 WEAKNESS 0 1 0 1 11 class size, make it smaller
149 321 WEAKNESS 0 1 0 1 88 that supposed cultural
difference
150 223 WEAKNESS 0 1 0 1 62 they put more focus on
international students, and when we want to get financial aid it is very
difficult and it's not enough
better advising office
make more librarys
TUTUTION

faculty, they can use more formal professor instead of using lots of GTFs
some of the lectures
teaching instead of research
all of the bueracraticci paper work , we could eliminate some of it
UNDERSTAND ALL OF WHAT THE FACULTY SAYS BEACUSE ENGLISH IS MY MY FIRST LANGUAGE IT WOUDL BE HELPFUL TO HAVE HELP FROM THE UNIVERSITY TO UNDERSTAND ALL I AM NOT UNDERSTANDING IN CLASS I WOULD LOKE THE UNIVERSITY TO DO THIS
i dont know
dk
maybe improve advising
AVAILABILITY OF THE CLASSES
have teachers hold hands
more through computers or else not assign it.
the people who help, per advisors are not too knowlegable about th stuff we need to know
rational groups
getting different depts to work together instead of having it seem like one teacher is "here take all this" when you have 4 other classes ;;;;interdept communication
(probably would be best just to leave it at that.
THE RESIDENCY OFFICER
I don't know
availability of classes
more availability of certain classes. most of the classes i have are only offered at one time and i have to take it.
I'D MAKE SURE THE COMPUTERS WORK ALL THE TIME
the tuition
duckcall
I DON'T KNOW
the student advising, peer advising
financial aid
the music department (would you like to expand?) the atmosphere of the music dept. seems, i did not find the atmosphere very enjoyable so i did not go on as i would like to have done. just making things more available for undergrads in the area of jazz.
OH I THINK NOTHING I CAN THINK OF
to move academics ahead of administration, its way out of balance now. There is no good management on this campus anywhere. Everyone is protecting their own turf. No one
praises anyone. They don't have a clue. It's a sad commentary.
184  92 WEAKNESS 0 1 0 1 61 make it cheaper
185  287 WEAKNESS 0 1 0 1 51 the library - the big one
186  19 WEAKNESS 0 1 0 1 61 HUMM... ITS ALWAYS BEEN
PRETTY GOOD FOR ME IT COULD BE LESS EXPENSIVE
187  20 WEAKNESS 0 1 0 1 62 financial aid for students.
(expand on that) there is not enough of it.
188  136 WEAKNESS 0 1 0 1 61 tuition
189  288 WEAKNESS 0 1 0 1 47 um parking
190  21 WEAKNESS 0 1 0 1 12 the interest of classes i
don't think they are that interesting
191  137 WEAKNESS 0 1 0 1 61 the tuition
192  289 WEAKNESS 0 1 0 1 87 the u of o is biased to
feminism against male it is discriminatory against males i don't think
the dean of students treats male students fairly.
193  22 WEAKNESS 0 1 0 1 12 the dryness of the 100 level
classes.
194  138 WEAKNESS 0 1 0 1 61 tuition
195  23 WEAKNESS 0 1 0 1 49 i would put a brew pub in
the emu where the bowling alley is.
196  290 WEAKNESS 0 1 0 1 22 the surrounding structures
on the surface level. as for the business professors i can't speak for
others, to concentrate more on teaching us then on their research and
getting their PhDs.
197  139 WEAKNESS 0 1 0 1 11 additional classes
198  291 WEAKNESS 0 1 0 1 21 get rid of all the bad
professors relating to their tenure procedures how it is impossible to
get rid of someone no matter what the case may be.
199  24 WEAKNESS 0 1 0 1 84 just kind of getting people
involved, i know for a little while i did not know how to get involved
200  140 WEAKNESS 0 1 0 1 21 the graduate teaching
fellows knowledge of the subjects that they teach
201  292 WEAKNESS 0 1 0 1 61 MAYBE THE TUITION COSTS
202  141 WEAKNESS 0 1 0 1 11 i would probably improve the
ratio of students and faculty
203  293 WEAKNESS 0 1 0 1 11 SMALLER CLASS SIZE I THINK
WOULD REALLY HELP THE ACADEMIC PROGRAM
204  25 WEAKNESS 0 1 0 1 47 i can't think of anything,
probably the parking
205  142 WEAKNESS 0 1 0 1 23 more contact with professors
206  294 WEAKNESS 0 1 0 1 32 M=HMMM UM MAYBE LIKE A

208  26 WEAKNESS 0 1 0 1 98 i can't think of a thing.
209  27 WEAKNESS 0 1 0 1 47 parking lots
210  28 WEAKNESS 0 1 0 1 11 more night classes offered.
211  29 WEAKNESS 0 1 0 1 52 i would increase the number
of computer terminals for use by the students.
212  144 WEAKNESS 0 1 0 1 25 get rid of students who
teach upper division classes (i.e. sociology-Dale Montoya), and teach
the peer advisors how to advise. Also, let students feel free to give
own opinions and not be afraid of expressing themselves for fear of
failing a class (i.e.-Dale Montoya-SOC 380).
213  324 WEAKNESS 0 1 0 1 61 tuition...make it cheaper.
214  145 WEAKNESS 0 1 0 1 11 faculty /student ratio
probably
215  30 WEAKNESS 0 1 0 1 98 i don't know
216  325 WEAKNESS 0 1 0 1 61 I hope tuition is not so
expensive.
217  146 WEAKNESS  0  1  0  1  25 more professors instead of GTF's
218     31 WEAKNESS  0  1  0  1  62 availability of financial aid and scholarships.
219    326 WEAKNESS  0  1  0  1  11 More classes offered for the times. that's about it. and better pay for instructors.
220    147 WEAKNESS  0  1  0  1  23 its a little impersonal
221    32 WEAKNESS  0  1  0  1  21 the gtf's i dont know exactly what i would just make them better.
222     33 WEAKNESS  0  1  0  1  99 nothing yet
223     327 WEAKNESS  0  1  0  1  98 I don't know.
224     148 WEAKNESS  0  1  0  1  21 ummm, i think they should have tighter control on evaluating professors
225    149 WEAKNESS  0  1  0  1  11 uhhhhh smaller class sizes
226     34 WEAKNESS  0  1  0  1  62 it is very difficult to get a hold of anybody in the financial aid dept. like a financial aid advisor or counselor.
227    328 WEAKNESS  0  1  0  1  98 It is difficult for me to say.
228    150 WEAKNESS  0  1  0  1  21 that would be, ummm, I hate to say this but the GTF's in the English dept, the discussions that are led by the GTF's add nothing to the material, it is a common concern and is this anonymous???
229    228 WEAKNESS  0  1  0  1  11 make smaller classes in some areas, sciences
230    229 WEAKNESS  0  1  0  1  98 i can't think of anything
231    230 WEAKNESS  0  1  0  1  85 more non acoholic activities
232    231 WEAKNESS  0  1  0  1  11 the crowds, just too crowded
233    295 WEAKNESS  0  1  0  1  61 tuition
234    35 WEAKNESS  0  1  0  1  98 i really dont know anything right now.
235    296 WEAKNESS  0  1  0  1  32 um i would like the way that syudents know about their requirements and find out what they needed to complete their degree be better communcated
236    232 WEAKNESS  0  1  0  1  11 now that i am trying to do my scheddle, class scheduls, well, can change my mind? veto that and put tutions prices
237    233 WEAKNESS  0  1  0  1  59 let more undergrads into research
238    297 WEAKNESS  0  1  0  1  33 more emphasis on stress reduction type of seminars and lets see ... um maybe more teaching assistance perhaps people other than the professor( that may have experience and different office hours) that could awnser questions
239    36 WEAKNESS  0  1  0  1  98 i dont know for sure.
240    234 WEAKNESS  0  1  0  1  98 i don't know
241    298 WEAKNESS  0  1  0  1  99 i like it how it is i dont think id change anything
242    235 WEAKNESS  0  1  0  1  11 size of the classes
243    37 WEAKNESS  0  1  0  1  31 academic advising and teacher quality.
244    38 WEAKNESS  0  1  0  1  31 to be assigned an advisor, someone who could help you fill out your classes every time so you would know you would be taking the right stuff. To get an advisor, that would be great.
245    39 WEAKNESS  0  1  0  1  61 possibly to lower the finances - tuition might be a little high
246    236 WEAKNESS  0  1  0  1  76 to bring back departements that they've cut such as education and some of the others
247    40 WEAKNESS  0  1  0  1  91 Less Beggars on 13th

274 160 WEAKNESS 0 1 0 1 96 what would I do, move the
school of music so it is more on-campus, yes, more on-campus
275 333 WEAKNESS 0 1 0 1 47 I would probably change the
parking
276 96 WEAKNESS 0 1 0 1 21 the teaching quality
277 161 WEAKNESS 0 1 0 1 45 resident advisors, RA's
278 334 WEAKNESS 0 1 0 1 98 I don't really know, I hadn't
really thought about it
279 97 WEAKNESS 0 1 0 1 31 having mandatory advising at
least once a year.
280 354 WEAKNESS 0 1 0 1 84 Probably more student
involvement.
281 162 WEAKNESS 0 1 0 1 11 class size
282 335 WEAKNESS 0 1 0 1 99 nothing
283 299 WEAKNESS 0 1 0 1 47 parking
284 355 WEAKNESS 0 1 0 1 94 I can't really think of
anything. Oh, can I add something? Maybe a footbridge over to the
other side of 13th street? I think it's only a matter of time before
some student gets hit by a bus.
285 300 WEAKNESS 0 1 0 1 61 make it less expensive and
wouldn't make classes quite as big, that's probably more important than
making it less expensive
286 241 WEAKNESS 0 1 0 1 23 um probably the
relationships between professors and students I'd like them to take more to
get involved with students..
287 356 WEAKNESS 0 1 0 1 61 High cost of tuition.
288 401 WEAKNESS 0 1 0 1 11 can't think of one, smaller
classes
289 402 WEAKNESS 0 1 0 1 51 I would say, library, I need
greater help in the library, just more information about how to access
information in the library, there ought in a class or something like that
290 357 WEAKNESS 0 1 0 1 31 Probably a better structure
for academic advising, nobody seems to know what they're talking about.
291 242 WEAKNESS 0 1 0 1 11 the technical program there
isn't much of one so just adding it. I really see high tech as being
Oregon's future and I think that the U of O could become as strong in
this area as OSU.
292 403 WEAKNESS 0 1 0 1 32 A personal experience for
freshmen with advisors and stuff like that
293 358 WEAKNESS 0 1 0 1 82 The sports program.
294 243 WEAKNESS 0 1 0 1 98 gee, I really can't think of
anything
295 404 WEAKNESS 0 1 0 1 72 dedication to the faculty,
not a lot of resources are for keeping good professors, I know the esc department keeps losing their good professors and the English
296 359 WEAKNESS 0 1 0 1 51 Longer hours for the
library.
297 244 WEAKNESS 0 1 0 1 46 I think there should be a
meal card or something at the emu that you don't always have to have cash
on you
298 405 WEAKNESS 0 1 0 1 21 no calls during Beverly
Hills, better gtf
299 245 WEAKNESS 0 1 0 1 98 I have no idea,
300 360 WEAKNESS 0 1 0 1 52 Computer support. (PROBE)
Um, such as printing, network devices and computer security.
301 406 WEAKNESS 0 1 0 1 48 the organization of the
ceramics department, it's just fairly unorganized in terms of things
being ordered, the cleanliness, the problems with ordering things,
the availability of some of the professors during their office hours
302  246 WEAKNESS   0  1  0  1  11 size of classes they could be a little smaller
303  361 WEAKNESS   0  1  0  1  98 I can't think of anything.
304  362 WEAKNESS   0  1  0  1  98 i can't think of anything right noe
305  363 WEAKNESS   0  1  0  1  11 incorporate distance learning degrees
306  337 WEAKNESS   0  1  0  1  99 I don't think I would change anything.
307  364 WEAKNESS   0  1  0  1  11 the student to teacher ratio
308  338 WEAKNESS   0  1  0  1  61 the student fees--I think they should be voluntary.
309  365 WEAKNESS   0  1  0  1  26 i would like to change the attitude of most staff to a customer service oriented mentality or mind set
310  339 WEAKNESS   0  1  0  1  23 I'd say the..probably having more personal interaction with professors.
311  340 WEAKNESS   0  1  0  1  99 I'm content...(PROBE)I haven't run into any problems yet.
312  341 WEAKNESS   0  1  0  1  13 require more writing and communication classes. there are no communications classes required, and I think at least a year should be required--communication and writing skills.
313  98 WEAKNESS   0  1  0  1  87 the liberal biase
314  99 WEAKNESS   0  1  0  1  92 the tolerance of the people for one another.
315  100 WEAKNESS   0  1  0  1  21 the gtf's. mabe like making stricter qualifications or something. (explain?) if they are assisting in the class it should be evident that they have enough knowledge in that subjct to grade the students effectively and correctly.
316  452 WEAKNESS   0  1  0  1  11 availability of classes or cheaper tuition actually.
            317  453 WEAKNESS   0  1  0  1  99 cant really think of much i seem to be pretty happy.
318  454 WEAKNESS   0  1  0  1  11 class size (how would change?) decrease the class sizes make more classes have more prof.s
319  455 WEAKNESS   0  1  0  1  49 try to focus more on the concerns of the actual oregon residents. It seems there are more out of state students than in state. i have seen the oregon academic system deteriorate. I do feel fortunate to be able to attend the UofO.
320  407 WEAKNESS   0  1  0  1  74 ummm, the way they use money for the buildings and stuff
321  408 WEAKNESS   0  1  0  1  47 Uh, I don't know, probably my efforts. Maybe the parking at Autzen Stadium. I wish they would get rid of the police station next to the 7 11 on 13th, I think it is totally unnecessary
            322  456 WEAKNESS   0  1  0  1  49 i would like to change the recreation center at the EMU, i mean the bowling lane is very bad. (how would you change it?) i would like to renovate the recreation center especially the bowling lane, and i would like to up grade the pool and snooker tables they are in very bad condition.
323  409 WEAKNESS   0  1  0  1  11 um, the availability of some of the classes
324  457 WEAKNESS   0  1  0  1  26 ethnic studies dept. Hire different professors
            325  247 WEAKNESS   0  1  0  1  23 they could try to, because it is a big campus, trya harder to get the professors to get to know the students, it also take initiative on students, if they could make everyone tfeel comfortable, i guess have better profeesor-student communications
WEAKNESS 0 1 0 1 22 not be so research oriented, I think.

WEAKNESS 0 1 0 1 34 more tutors

WEAKNESS 0 1 0 1 31 the academic advising and Oregon Hall those people are satan down there

WEAKNESS 0 1 0 1 13 the requirements...(probe) the specific requirements for graduation, the core-requirements I would change. Include humanities as a required class.

WEAKNESS 0 1 0 1 61 Tuition for out of state students is too high.

WEAKNESS 0 1 0 1 12 including different viewpoints for discussion classes, because everything here is liberal and leftwing and it gets really old

WEAKNESS 0 1 0 1 85 um, have maybe activities that um are, might bring smaller groups together, I don't know, I also think the campus is too big

WEAKNESS 0 1 0 1 71 get the university more active at the state level as far as funding goes.

WEAKNESS 0 1 0 1 47 parking--more parking spots for students...we have a lot, but a lot of them are marked 45 mins. or two hours...there just isn't a lot of places to park.

WEAKNESS 0 1 0 1 61 tuition

WEAKNESS 0 1 0 1 98 I have no idea

WEAKNESS 0 1 0 1 32 improve the peer advising, have they know what they are talking about.

WEAKNESS 0 1 0 1 98 I wouldn't know at this point.

WEAKNESS 0 1 0 1 21 the fact that professors should have actual interest in teaching, I find professors interested inputting out some materials but not willing to help you understand it

WEAKNESS 0 1 0 1 21 teaching quality

WEAKNESS 0 1 0 1 92 I would, I guess, have it more ethnically combined.

WEAKNESS 0 1 0 1 61 cheaper

WEAKNESS 0 1 0 1 52 More computers.

WEAKNESS 0 1 0 1 23 definitely faculty advising and relationships to students outside of class in an advising type relationship. yeah, faculty advising.

WEAKNESS 0 1 0 1 15 probably the organization, I guess

WEAKNESS 0 1 0 1 98 i dunno

WEAKNESS 0 1 0 1 11 the size of its classes

WEAKNESS 0 1 0 1 61 Lower the out of state tuition.

WEAKNESS 0 1 0 1 11 have sufficient classes available for the students

WEAKNESS 0 1 0 1 11 More majors...more fields of study

WEAKNESS 0 1 0 1 61 that's tough, cheaper books, just kidding, don't put that down, hee-hee, I really don't know

WEAKNESS 0 1 0 1 87 Their political attitude.

WEAKNESS 0 1 0 1 11 I would like to see more classes in the english department, more 200 and 300 level classes, taught by full professors.

WEAKNESS 0 1 0 1 47 parking

WEAKNESS 0 1 0 1 11 How often classes are offered, there are a lot of year long classes that if you don't get in the first term, you're stuck for the rest of the year.

WEAKNESS 0 1 0 1 21 lower level 100 or 200 level the teachers don't teach very well over half of the class fail the
tests and they grade on a curve they need to improve this
357 462 WEAKNESS 0 1 0 1 31 I think that from my
experiences that the academic advisors need to be a little more flexible
with their time, to meet with students.
358 349 WEAKNESS 0 1 0 1 23 more like help from the
faculty more one on one
359 463 WEAKNESS 0 1 0 1 42 Duckcall.
360 350 WEAKNESS 0 1 0 1 52 allowing more students to
get a nhold of more computers more or bigger computer labs
361 464 WEAKNESS 0 1 0 1 15 Biggest beef is the
languages, foreign languages.
362 551 WEAKNESS 0 1 0 1 47 parking old people like me
to get financil help or something get more classes in the early
evenings afer work hours
363 366 WEAKNESS 0 1 0 1 98 i don't know
364 367 WEAKNESS 0 1 0 1 98 i can't think of anything
365 368 WEAKNESS 0 1 0 1 11 some of the labs i would
make them smaller so there would be more personal contact with the GTS,
make more time available for the labs like night time and more daytime
labs.
366 369 WEAKNESS 0 1 0 1 47 um nothing really oh more
parking
367 465 WEAKNESS 0 1 0 1 99 nothing at all i don't think
i've been here long enough to know of anything that needs changing
368 370 WEAKNESS 0 1 0 1 11 the classes are too big i
would like to make them smaller
369 451 WEAKNESS 0 1 0 1 92 the racial diversity i would
like to broaden it
370 466 WEAKNESS 0 1 0 1 41 i'd like the admini. to be
changed they don't support the staff and are just more business like
instead of serving the students
371 467 WEAKNESS 0 1 0 1 62 financial aide there is
alot of unmet need to many of us are in dept espically out of state
students
372 170 WEAKNESS 0 1 0 1 11 length of classes (periods
of classes are too short, not enough time for instruction)
373 371 WEAKNESS 0 1 0 1 74 more adaptive equipment for
people with disabilities
374 468 WEAKNESS 0 1 0 1 47 parking
375 171 WEAKNESS 0 1 0 1 11 class size - decrease it -
especially for freshmen and undergrads
376 469 WEAKNESS 0 1 0 1 71 i think it doesnt have
enough money to run on it has had to cut alot of program and there are
to many t a,s instead of professors
377 372 WEAKNESS 0 1 0 1 24 maybe the faculty , add more
faculty of color
378 416 WEAKNESS 0 1 0 1 41 the accounts recievable
dept., the billing proceedures. (would you expand?) i dont find them
very helpful when i have had questions about my bill..
379 172 WEAKNESS 0 1 0 1 33 councilers availability to
the students
380 373 WEAKNESS 0 1 0 1 23 more individual attention
381 470 WEAKNESS 0 1 0 1 61 cost of tuition
382 417 WEAKNESS 0 1 0 1 11 reduce some class size
383 173 WEAKNESS 0 1 0 1 47 parking - I would like to
see them construct classes to help young people adapt to the job market
something more real - there doesn't seem to be as much practical
knowledge as there should be - if I am paying for this give me something
that I need and that i can use
384 374 WEAKNESS 0 1 0 1 23 i would have to say
communication between faculty and students—faculty members tend to put up barriers so students don’t feel comfortable approaching faculty members unless it is a critical situation.

385 174 WEAKNESS 0 1 0 1 99 I can’t think of any one thing.
386 418 WEAKNESS 0 1 0 1 11 perhaps making some classes more accessible.
387 471 WEAKNESS 0 1 0 1 11 smaller and more focused humanities courses.

388 504 WEAKNESS 0 1 0 1 94 ummm the stupid cop station on 13th, and the cops always driving down 13th.
389 472 WEAKNESS 0 1 0 1 98 idontknow
390 473 WEAKNESS 0 1 0 1 11 smaller class size.
391 552 WEAKNESS 0 1 0 1 47 parking.
392 553 WEAKNESS 0 1 0 1 74 the size of the class rooms.

(how would change them?) change the chair and the table and the projector display.
393 375 WEAKNESS 0 1 0 1 45 Housing, availiblity for studnets
394 419 WEAKNESS 0 1 0 1 47 I DON’T KNOW MAYBE THE PARKING
395 376 WEAKNESS 0 1 0 1 11 smaller class size.
396 420 WEAKNESS 0 1 0 1 87 IT IS KIND OF LIKE THE HIPPIT Additude of EMGENR
397 505 WEAKNESS 0 1 0 1 21 probably some of the GTF's that the undergraduates get.
398 554 WEAKNESS 0 1 0 1 76 encourage the administration to check the popularity of courses and major courses before they cut those fields of study because a lot of courses have been cut and they don't check it out with people first.
399 377 WEAKNESS 0 1 0 1 91 the people that hang out on campus who do not go to the sxholl
400 474 WEAKNESS 0 1 0 1 44 change quarter system to semester system.
401 378 WEAKNESS 0 1 0 1 73 enlarge the art dept.
402 421 WEAKNESS 0 1 0 1 76 I PROBABLY WOULD LIKE A FEW MORE DEPARTMENTS ADDED THE ONES THAT WERE CUT AND MORE PAARKING
403 475 WEAKNESS 0 1 0 1 11 availability of classes.
404 476 WEAKNESS 0 1 0 1 32 better interaction between counselors and studenst to know what is available on campuss.
405 555 WEAKNESS 0 1 0 1 62 waiting in lines for financial aid.
406 422 WEAKNESS 0 1 0 1 98 I DON’T KNOW I CAN’T THINK OF ONE.
407 379 WEAKNESS 0 1 0 1 99 i can't really think of anything right now, i like eawht ia m doing i think it's really challenging.
408 477 WEAKNESS 0 1 0 1 82 I would like the rowing program to be varsity funded.
409 423 WEAKNESS 0 1 0 1 61 THE OUT OF STATE TUTITION TRY TO BALANCE THE IN AND OUT MORE FUNDING.
410 380 WEAKNESS 0 1 0 1 47 i don't really nkow since it is my first term here. i really cna't think of anything right of hand, i am prteey happy with my classes, oh i aknow a good one, th parking situation
411 424 WEAKNESS 0 1 0 1 92 A LARGER OF DIVERSITY OF MINORITY STUDENT
412 506 WEAKNESS 0 1 0 1 12 taking less hard classes I guess.
413 478 WEAKNESS 0 1 0 1 47 parking.
make somewhere a food store on campus

THE ARTS PROGRAMS I WOULD PROVIDE MORE FUNDING FOR THE ARTS AND NOT FOR SPORTS

have more interaction between prof and students or smaller classes

faculty teaching skills, i appreciated the faculty being more oriented towards students development that towards research

financial aid office (would you expand?) notifying you of your awards and the way they communicate with you through the mail, i have gotten different letters from them and I have been very confused. If they could streamline that some way.

having faculty members be more involved with students, and the administration in Oregon Hall be more receptive to students to problems I have had problems with them not being receptive to my needs.

access to computer labs, it seems pretty limited.

specified, that it was easier to find a major, there’s too many big classes, and you don’t get to do what you want to do until the last year

at the student health center and I would cut out the red tape for the financial aide and I would put more emphasis on helping students financially that need it.

in campus safety

student involvement I would like to see more people involved in more things rather than just football

involvement with students I guess

more difficult.

hard I can’t really say I would change anything, where I am right now

money, funding of faculty and programs

I would like them to be available in the evenings.

I'd improve advising

less emphasis on cultural diversity

probably smaller class size and more cultural diversity, i know that’s two things but I hope that’s okay

computer lab longer

a lot of the fees such as incidental fees

its academic of its academic advising program. The approachability of the advisors

and gender requirement

i think they should except
more in state students over out of state students.

439 180 WEAKNESS 0 1 0 1 99 nothing
440 511 WEAKNESS 0 1 0 1 92 for people on campus to start actually doing something about students of color and international students rather than just talking about it.

441 430 WEAKNESS 0 1 0 1 99 nothing
442 485 WEAKNESS 0 1 0 1 11 more night classes
443 560 WEAKNESS 0 1 0 1 87 make it more of a conservative college and less liberal.

444 512 WEAKNESS 0 1 0 1 13 the basic requirements the classes the lower division requirements not in terms of your major but university requirements i'd change the teaching style of the lower division requirements. on that the level of interest should be there for a student weather its 1st term or last year they are important classes and should be taught well

445 486 WEAKNESS 0 1 0 1 21 I think we could hire better professors in the political science dept.
446 561 WEAKNESS 0 1 0 1 11 pretty low ratio of students to teachers, the classes are too big (undergrad classes)
447 431 WEAKNESS 0 1 0 1 15 i would change the structure of the business school, the format of the way things are taught
448 513 WEAKNESS 0 1 0 1 41 i guess well at oregon hall just making more general knowledge of other peoples offices within the administration to make it more efficient for the students.
449 432 WEAKNESS 0 1 0 1 44 it would be to change to a semester system
450 487 WEAKNESS 0 1 0 1 13 well, pertaining to music, there are core classes you are required to take, classes in art music history traditional are the only ones which fulfill that requirement and i think Jazz music history and ther's should also fulfill that.
451 514 WEAKNESS 0 1 0 1 98 i dont have a good answer i need to be here longer than three months.
452 208 WEAKNESS 0 1 0 1 99 ohhhh, let me think, overall, right? there's nothing comes to my mind right now, sorry!
453 562 WEAKNESS 0 1 0 1 22 more emphasis on learning less emphasis on research
454 488 WEAKNESS 0 1 0 1 47 parking
455 515 WEAKNESS 0 1 0 1 42 umm that stupid duck call thing, only cause I got stuck paying for classes I withdrew from.
456 563 WEAKNESS 0 1 0 1 23 the availability of the professors and their contact times
457 489 WEAKNESS 0 1 0 1 48 registration for art classes (how?) maybe they do it through duck call because it is like an arena thing right now it is kind of disorganized.
458 516 WEAKNESS 0 1 0 1 13 ummm I would increase the criteria for english and writing requirements to graduate.
459 564 WEAKNESS 0 1 0 1 98 i don't know
460 517 WEAKNESS 0 1 0 1 11 smaller classes
461 490 WEAKNESS 0 1 0 1 25 more professor teachers as apposed to GTF's
462 565 WEAKNESS 0 1 0 1 32 the advising system, like informing the students when you need to turn in graduation applications, when you have to havethings in by. It's like you're informed as freshmen and then you're not informed again.
463 518 WEAKNESS 0 1 0 1 11 uhhhh probably be uh the fact that some classes there aren't offered enough, for example when a class is full and people are still trying to get in it, they should offer it again add another class
464 491 WEAKNESS 0 1 0 1 61 the cost of education and the size of the classes
the ethnic studied or multicultural program- give more $ to these programs

lower tuition

teaching, ive had a hard time getting the classe you need and them being availabel each term

I guess oh, I am not sure oh I would clear out all the annoying hippie people, they get in the way, they stink and they get in the way, and we are trying to have a good studying environment and they are always on campus and we are paying good money on tuition and they are always hanging out and they don't even go here, they really piss me off!!!!

I dont know,

Fine arts registration.

nothing

I think

when you have a requirement when you came into the school it was absolutly definitely going to stay the same all the way through.

get ore professor to teach the classes and incorporate their research finding into the classroom, and be more open to students

undeclared, have better advising for them.

They need to have more teachers like, you know, from different races and stuff. More variety. Hire more minorities.

what really bugs me is the whole parking system it sound trivial but it actually affects way you are as a student i have missed class because i haven been able to find a place to park. it just bothers me that they sell parking permits and then they dont have spaces they dont sell anything yet they have taken our money and i think thats fraud

my GPA, oh man, the weather, maybe if they had a little more variety of majors, htey have marketing and they have just stared a sports marketing, maybe just go more into depth

instead of trimesters

The peer advising that goes
on in the business school--I don't feel that it's adequate enough.

OSPIRG caannot become politicaily active and there are alot of issues that
they could become involved in such as the salvage writer, that the

that deep down they are and that they are fake about it, and alos that

the WU and the tuition was the mostly about the same and now the U of O
tuition has gone up about, umm, i don't know, but it's last more that
the WU and the WU has some sort of sponsor and that what i am most

602 626 WEAKNESS 0 1 0 1 92 i guess, multicultural

606 582 WEAKNESS 0 1 0 1 19 it is difficult in some

- Weakness: 0 1 0 1 11 Have larger class sizes in some of the upper division classes
- Weakness: 0 1 0 1 51 The library we should be able to check out books for longer
- Weakness: 0 1 0 1 74 I would like to improve the physical accommodations for older students, for all students, I'd like to see larger desks adult size desks instead of those grade school size, smaller classes, better sound system, a better library with more popular books for lending, let's see, that's about it
- Weakness: 0 1 0 1 31 The counselor situation, in other words having more access to your counselors to find about requirements
- Weakness: 0 1 0 1 31 Uh, I'd probably say the advising, I think it needs to be a little more intense, I think we should be required to see our advisors every three months or so
- Weakness: 0 1 0 1 11 Better student teacher ratio,
- Weakness: 0 1 0 1 85 Probably the number of activities
- Weakness: 0 1 0 1 25 One is to have less tests and more professors with doctorate's certificates of professors

- Weakness: 0 1 0 1 98 I really can't think of anything right now.
- Weakness: 0 1 0 1 25 Not having GTF's grade

- Weakness: 0 1 0 1 61 Student work, at least not all of it.
- Weakness: 0 1 0 1 61 Tuition costs.
- Weakness: 0 1 0 1 61 Lower the fees, that is just a current thing that is bugging me.

- Weakness: 0 1 0 1 48 The art department become more professional, more upper level classes
- Weakness: 0 1 0 1 41 The service and attention
that you get at oregon hall because for the most part, most of people i have delt with are rude.

638  592 WEAKNESS 0 1 0 1 51 make the library easier to get stuff.
639  593 WEAKNESS 0 1 0 1 84 I would probably get more involved.
640  682 WEAKNESS 0 1 0 1 21 the intro level courses the professors are short in answering questions they appear not to what to be there it's a real turn off until you get past those classes if you get past those classes
641  594 WEAKNESS 0 1 0 1 11 to have night classes for working people.
642  595 WEAKNESS 0 1 0 1 74 a study room or some place to hang out in between classes in Gilbert hall like other buildings have.
643  683 WEAKNESS 0 1 0 1 92 the u of o in being able to keep students of color
644  596 WEAKNESS 0 1 0 1 14 the quality of undergraduate education.

646  597 WEAKNESS 0 1 0 1 23 consistency of, oh i mean a number of things but that is just general. (would you be more spec.?)
647  685 WEAKNESS 0 1 0 1 62 i would change financial aide increase it for aout of state students
648  686 WEAKNESS 0 1 0 1 52 i mean the open hours, of the computer lab, maybe extend to twenty four hours
649  713 WEAKNESS 0 1 0 1 42 Conceners about Duckcall. By the time the freshmen can register, the Jr. and Sr. s have already "loaded-up" on classes (they are not planning to take) -- and then they can always drop these classes later. Parking is a huge issues -- huge!!! I already pay 60/yr. and I can never find a place!! Maybe specify one lot only for staff, and another one for students. Maybe a lot or something!! Everyone I've talked to is pissed off about the parking situation!! BillDaly--GREATPROF
650  687 WEAKNESS 0 1 0 1 88 umm, i guess it'd probably be segregrationa and racism,
651  714 WEAKNESS 0 1 0 1 61 Cheaper. Dead week be dead week and not have finals and projects due, and everything else. Everywhere else in the world, this sort of stuff is not due during dead week; here it is!!
652  688 WEAKNESS 0 1 0 1 11 class size
653  689 WEAKNESS 0 1 0 1 84 seem to be some wya, to get peopleinvolved to keep the clampsu, or make peopel aware of wht they ar doing with their trach
654  715 WEAKNESS 0 1 0 1 11 I would change the class size. Lower the size, so there can be more interaction with proffessors.
655  716 WEAKNESS 0 1 0 1 22 Uhhhhmm. I don't know. probbly, their...the psychology dept., and how the profs. in psychology have too much research to do. and their lack of time for students. that's just my personal opinion.
656  690 WEAKNESS 0 1 0 1 11 more classes in the same so that people can get in, so they are not full too quickley
657  691 WEAKNESS 0 1 0 1 25 less GTFS teach some of the classes
658  717 WEAKNESS 0 1 0 1 11 I would have them deal more...you know like...the core classes are too big...they are trying to shove 500 students into one class...ridiculous... they need to
concentrate more on quality of teaching, rather than quantity. Offer more actual time periods -0 more classes - in the required classes. to get the size down.

659 718 WEAKNESS 0 1 0 1 23 uhhmmmm. probably say...more advising and help from the faculty, from when you are a freshman up until you grad. the SAME advisor, with required mtgs. and things.

660 605 WEAKNESS 0 1 0 1 23 umm some of the format of classes, they need to be more personable, as opposed to such a - i don't know - more individual instruction and more experience oriented learning.

661 719 WEAKNESS 0 1 0 1 61 Lower the tuition.!!

662 692 WEAKNESS 0 1 0 1 48 my major - the way my major is run (fine arts) [tell more?] getting classes in fine arts, basically they have a time set up and they don't tell you until about a week before for the signup time and the sched book is not out, so you can't sched around other classes. You stand in line, I got there about 3:30 am, they don't count the credits you're taking - like last spring I couldn't be counted as a senior. Also problems with how internships are run, and not enough computers. probs w/prof who runs internships.

663 720 WEAKNESS 0 1 0 1 48 sometimes in the dept., classes are scheduled for the same times. I've had problems with that; others have complained. Some classes I NEED to take, but they are offered at the same times. That is a problem.

664 693 WEAKNESS 0 1 0 1 95 the weather [any else] not as many arts and letters requirements

665 694 WEAKNESS 0 1 0 1 45 I would say dorm life [tell more] dorm housing and the eating situation. I wd like make bigger dorm rooms, and have the cafeteria open all the time and where you can eat any time you want.

666 695 WEAKNESS 0 1 0 1 51 I work at the library and a major problem is that all new students should be required to take a class in library proficiency - a 1 credit pass/no pass class or a library proficiency test. Also to make the libr more user friendly. Need mroe librarians. Libr use has increased phenomenally this year. I'd like to see weak dept like ethnic studies either be funded or dissolved [comments on politics about faculty members leaving UO about it]

667 721 WEAKNESS 0 1 0 1 61 Lower the tuition -- especially for non-resident student.

668 696 WEAKNESS 0 1 0 1 31 the advising staff -- keeping more involved with more of the students -- easier access to them, in Oregon Hall

669 722 WEAKNESS 0 1 0 1 47 Parking. There's not enought parking. Maybe they could put parking structures in.

670 697 WEAKNESS 0 1 0 1 92 cultural diversity - need more decrease tuition costs also increase the amount of emphasis on academics in general, to foster an environment that is more conducive to what its supposed to be about.

671 723 WEAKNESS 0 1 0 1 99 everything is just fine with me.

672 698 WEAKNESS 0 1 0 1 11 sometimes I wish it was a little smaller...in my larger classes, I don't feel its easy to meet any other kids in the class. It's hard to meet people in those large class settings.

673 590 WEAKNESS 0 1 0 1 98 i cant think of anything.

674 699 WEAKNESS 0 1 0 1 11 class size--smaller. for more specific attention from instructors.

675 724 WEAKNESS 0 1 0 1 26 i would take a certain professor out of this school and banish him forever. He shouldnt be
allowed to teach. For bad ethics out of class. I think he should not be allowed to teach.

676 700 WEAKNESS 0 1 0 1 11 make a women's studies major.
677 725 WEAKNESS 0 1 0 1 32 more information for the students for more getting involved in the activity.
678 751 WEAKNESS 0 1 0 1 61 Tuition is too high.

Computer system sometimes has problems -- upgrade the hardware. for instance, OSU is already using windows 95, and we do not.

679 752 WEAKNESS 0 1 0 1 23 faculty being... available enough. too many TA's in difficult courses. The profs bring in a lot of research and knowledge, but they're not necessarily good teachers!! Getting the message across is their problem., or getting excited about the material. They're too old ...huge generation gap going. The TA's are good, but so busy being grad. students, that its hard for them to teach courses.

680 726 WEAKNESS 0 1 0 1 22 change the amount of effort that professors spend on research and sway it towards teaching.
681 727 WEAKNESS 0 1 0 1 31 the accessibility to advising such as peer advisors and tutoring is also another one.
682 753 WEAKNESS 0 1 0 1 25 Don't want GTF's to teach upper division classes. Upper division classes need smaller class size.
683 633 WEAKNESS 0 1 0 1 92 recruitment and retention of student and faculty of color
684 728 WEAKNESS 0 1 0 1 11 offer more classes per term. They only offer one class per term and you have to wait a whole time to take it.

685 754 WEAKNESS 0 1 0 1 23 Just getting to know your professors more.
686 634 WEAKNESS 0 1 0 1 11 samlter classes
687 729 WEAKNESS 0 1 0 1 47 parking
688 635 WEAKNESS 0 1 0 1 99 i can't think of anything
689 755 WEAKNESS 0 1 0 1 14 The academic standards should be higher, for entrance into the university.

690 730 WEAKNESS 0 1 0 1 99 can i skip that? It is too involved
691 756 WEAKNESS 0 1 0 1 47 parking. I do not understand why they cannot manage a parking garage, even if they contracted with the city and built one a couple of blocks away. Before my kids grew a little older, it was a nightmare.
692 731 WEAKNESS 0 1 0 1 25 Less GTF's teaching courses. I think that for a university like the U of O., they don't have enough trained people to teach what they need to teach. Some of my GTF's in economics teach stri cttly from the book. I'd rather here what he has to say...More hands on experiences.
693 757 WEAKNESS 0 1 0 1 11 class sizes when you are a freshman and you come into those class sizes it is kind of frightening.
694 732 WEAKNESS 0 1 0 1 12 The undergrad courses;...the large classrooms where they just lecture and regurgitate what the book says...I only had a couple of classes that had disc. sections, but I found them helpful.
695 758 WEAKNESS 0 1 0 1 98 i dont know, i havent thought much about it.
696 759 WEAKNESS 0 1 0 1 48 registration. The process for registration for the graphic design/fine arts.
697 733 WEAKNESS 0 1 0 1 42 I would make DUCK call be open 24 hours.
698 760 WEAKNESS 0 1 0 1 11 its size
699 734 WEAKNESS 0 1 0 1 84 I don't know how to phraseit, but I would make the people take school more seriously.
People don't seem to think about the future very much...

700  761 WEAKNESS 0 1 0 1 47 parking
701  736 WEAKNESS 0 1 0 1 26 the Math dept. I don't think the GTYF's are competent, and I don't think the prof's are very impartial, or...quality. I think the quality needs to improve. I don't think the grades I'm receiving is reflective of the work or the facts I'm receiving. This applies to the math dept. I don't think the grades show the amount of learning or the amount of improvement. and I don't think I'm being treated impartially. I'm leaving the math dept. feeling more bitter, than I am knowledgeable.

702  737 WEAKNESS 0 1 0 1 31 the advising. I don't feel that comfortable going to advising people--both oregon hall and my dept5. Its just everything, I don't where to go,also I don't know how important it is.cause I've already made my own decisions.
703  762 WEAKNESS 0 1 0 1 11 goodness that a goo
704  738 WEAKNESS 0 1 0 1 61 cost of tuition couId go down; or at least not go up.
705  763 WEAKNESS 0 1 0 1 32 probably closer relations with peer advising
706  735 WEAKNESS 0 1 0 1 41 The bureaucracy down at Oregon Hall--maybe their student relations...all the little steps and procedures and red-tape things that seem to take 45 minutes, when it could have been done in 10. and they're not very friendly.
707  598 WEAKNESS 0 1 0 1 21 the G TF's they need to be capable of teaching the class before they are allowed to do so
708  443 WEAKNESS 0 1 0 1 21 The french GTF program, they are the ones who teach 1st and 2nd year french.
709  599 WEAKNESS 0 1 0 1 11 THE AVAILABLE OF CLASSES
710  444 WEAKNESS 0 1 0 1 98 i dont know.
711  600 WEAKNESS 0 1 0 1 47 GEEE.. THE PARKING LADIES I ALWAYS GET TICKETED
712  739 WEAKNESS 0 1 0 1 21 Well... some of the profs. I don't think they want to teach, I think they want to be there for research. I don't think they should be teaching if they don't want to be. Actually i also think some classes I've had...it is hard to get sufficient help if you need it...times conflict and it is hard to get times set up...
713  764 WEAKNESS 0 1 0 1 61 all the costs, the money that you have to spend.
714  740 WEAKNESS 0 1 0 1 99 dksl. Nothing at all.
715  765 WEAKNESS 0 1 0 1 52 computer labs, they suck. I would like there to be more computers that run all the time and are not breaking down. parking, build an underground parking lot because the student body is expanding. and the computer labs suck they need to be serviced. They are constantly breaking down and loosing my stuff. I use the labs all the time.
716  741 WEAKNESS 0 1 0 1 15 Add an engineering dept.
Civil engineering.
717  766 WEAKNESS 0 1 0 1 91 less hippies
718  742 WEAKNESS 0 1 0 1 95 the weather. I can't think of anything off--hand, really; I've had a good experience here.
719  767 WEAKNESS 0 1 0 1 47 parking
720  743 WEAKNESS 0 1 0 1 95 Rain. I can't really think of anything.
721  768 WEAKNESS 0 1 0 1 21 GTF training. (expand on that?) it seems that i have had a lot of GTF's that don't know what they are talking about. The profs. knows their subjects well but the gtf's dont and a lot of them end up getting dumped. I've heard a lot of other people say the same thing. To add to that i havent noticed the
problem in the psychology dept.

---

722 WEAKNESS 0 1 0 1 47 Parking -- make sure you have a space for every student who registers, needing a space. MAKE sure you have a space! I have to work in Harrisburg, and at the coast, so you need to drive a lot, or leave classes early; I don't have time to ride home by bus and get my car.

723 WEAKNESS 0 1 0 1 61 humm, well, idon't know but i think that tuition is a big problem

724 WEAKNESS 0 1 0 1 48 the accounting dept. and its faculty members.

---

725 WEAKNESS 0 1 0 1 99 hm, nothing i guess

---

726 WEAKNESS 0 1 0 1 31 better advising.

727 WEAKNESS 0 1 0 1 99 I like it how it is.

728 WEAKNESS 0 1 0 1 32 advising, helping students figure out what credits they need to graduate for a certain major.

---

729 WEAKNESS 0 1 0 1 49 i think that out of state um, students should be able to gain residency after they've been here some period of time

---

730 WEAKNESS 0 1 0 1 99 No. nothing.

731 WEAKNESS 0 1 0 1 96 everything is perfect i would just change the town. i am from portland and i wish UO was in portland instead of in a small little town.

732 WEAKNESS 0 1 0 1 61 um, the increase in cost

733 WEAKNESS 0 1 0 1 47 Parking. Big parking structure right next to Oregon Hall.

734 WEAKNESS 0 1 0 1 23 I'd want the...a little more contac t with teachers. I'm a senior and I'm still in very large classes; i find it hard to have contact with teachers, and form relationships with them, etc.

735 WEAKNESS 0 1 0 1 71 maybe I don't know I guess more funding

736 WEAKNESS 0 1 0 1 21 teacher apathy i think in the biology dept there are a lot of good researchers but researchers don't make good teacher it is very obvious that they are only teaching the course because they have to and they don't spent the time outside of class to help the students students come here because of the ranking and are very disappointed because hey never get into the lab as an undergrad i feel that there should be more caring teachers and not so many researchers

737 WEAKNESS 0 1 0 1 61 cheaper or keep tutition the same

738 WEAKNESS 0 1 0 1 61 tuition.

739 WEAKNESS 0 1 0 1 61 one is tuition and the jother one is the length of the terms I think they should be semesters and not terms.

740 WEAKNESS 0 1 0 1 14 more competitive academically

741 WEAKNESS 0 1 0 1 32 helping people discern their major earlier, career research is strong

742 WEAKNESS 0 1 0 1 11 class sizes-make them smaller

743 WEAKNESS 0 1 0 1 11 REGISTRATION CLASSES FILL UP TO FAST MORE SECTIONS NEEDED

744 WEAKNESS 0 1 0 1 11 probably smaller classes

745 WEAKNESS 0 1 0 1 99 Nothing, really

746 WEAKNESS 0 1 0 1 32 advising - has had trouble understanding what classes to take for his major

747 WEAKNESS 0 1 0 1 11 smaller classes at the 100 and 200 level

748 WEAKNESS 0 1 0 1 95 less rain
Whenever I go to the library it seem that half the books I need are missing or the information in the computers is wrong or the books are not on the shelves. Advising Department - things could be clearer. Maybe the term could be a week or two longer.

Availability of classes. Better counseling or advising. Lower prices—tuition, or the ability to get in-state easier. 

The best thing would be to get involved in the special groups in the freshman year. (figs) I think that's important because I didn't do that. Also, I was admitted as a declared major— but I wanted to change my major, and every time I went to talk to someone about that, they indicated that wasn't an option. I had this problem for 3 years.

Inconsistencies. With teachers and courses. One teacher teaches one course one term, and then another teacher teaches the same course a different term, and they are almost completely different classes.

I would like it if classes were not taught by GTF's, and were taught by prof's. Especially the large classes. If someone is paying a lot of money for college, they should be educated by the best that is available.

Better undergraduate professor, better qualified. And the health center, more qualified people working there— that know what they are doing.

The showing of more practical applications of what we were learning in classrooms, demonstrations within the classroom.

I don't know.

I would make the library a little easier to find sources, and to update Janus.

It really scares me that people are not taught to think for themselves, I would eliminate multiple choice tests.
