

This is your handbook for registration in this summer session. You will find instructions, course and other registration aids here. For course descriptions and certain other basic information you may need to refer to the Summer Session Bulletin. You should feel free to consult a faculty member of your choice, and to call on any appropriate office if you have any questions.

Registration is the process which puts you into the right classes and establishes you as a properly registered University of Oregon student. It may seem rather complicated in operation, for various rules and requirements and limitations have to be observed—please watch for these and follow them carefully to avoid errors.

For instructions on registration and directions to faculty advisers and schools and departments refer to the Index below. The Academic Calendar below lists the dates and deadlines you should

DIRECTORY OF ADVISERS

The Office of Academic Advising, located in 140 Hendricks Hall, coordinates all undergraduate academic advising at the University and serves as a source of information for all questions relating to academic programs and requirements.

All new students who have selected a major should report to the appropriate departmental office for assignment to a faculty adviser. Students who have not yet selected a major will be advised by a member of the staff of the Office of Academic Advising.

REGISTRATION PROCEDURES

PLEASE NOTE: Every student intending to enroll for credit must file in advance an Intent-to-Enroll Notice. This must be done before official registration can be started. To avoid delay in receiving registration materials this notice should be filed in the Registrar's Office several weeks before classes begin.

Obtain Your Registration Material. For those who filed Intent-to-Enroll early this can be as soon as June 16. Materials will be released in the basement of the Registrar's Office from 9-12 and 1-4 during June 16-20; from 6-9 on Sunday evening, June 22; and from 12 and 1-5 during June 23-27; later they will be in the Registrar's Office, 102 Emerald Hall. Registration material will consist of this Time Schedule of Classes and a packet of cards identified with your name and permanent student number. (To add courses later use a Course-Change Card—see "3e" below).

Plan Your Summer Study Program. Use the trial program blank on page 31 of the Time Schedule to work out alternatives to your study program. Consult a faculty adviser (directory, page 4) if you have questions about your academic program, then fill out your registration card. The registration card should contain only those courses in which you will enroll, including any sections, + DIS or + LAB.

Enroll in Courses with Departments. Go to the several school and department offices (directory, page 3) for acceptance into their courses; this is evidenced officially by the department stamp placed in the last column on your Registration Card. Please note the following:

You are officially enrolled in every course which has been stamped by the department on your Registration Card, unless cancelled by a second department stamp across the "Credits" column on that card.

You are enrolling for credit unless you clearly write "audit" in the "Credits" column of the Registration Card.

You must enroll for a specific number of credits in each course (including any shown in the Time Schedule with variable or to-be-arranged credits).

You are enrolling to be graded (except in totally no-grade courses) unless you clearly mark the "no-grade option" on your Class & Grade Card. You must make sure your instructor concurs with you in this option.

Changes in your study program may be made within stated deadlines (see Calendar, page 1) by filing a completed Course-Change card. There is a service charge of \$1 per course for each program change made after the original registration.

CHECK WITH STUDENT SERVICES in EMU ballroom Monday through Friday, June 23-27, (hours 8-12 and 1-5); later this will be in 207 Emerald.

CHECK WITH AUTO REGISTRATION DESK if you will have a motor vehicle at the University this summer. The clerk will collect your Auto Data card, assess the permit fee and issue your parking sticker. (Unregistered vehicles may be ticketed and fines assessed).

CHECK WITH REGISTRAR and obtain fee assessment—in EMU ballroom Monday through Friday, June 23-27 (hours 8-12 and 1-5), later in 102 Emerald.

PAY FEES TO CASHIER to complete your registration. The cashier will be in EMU ballroom Monday through Friday, June 23-27 (hours 8-12 and 1-4), then in 107 Emerald Hall (hours 8-12 and 1-5). You are not officially registered until your fees are paid.

REGISTRATION FEES*

Undergraduate registration for full load (8 or more hours)	\$123.00
Graduate registration for full load (8 or more hours)	141.00
Auditor (8 or more hours)	121.00
Graduate assistant (at least 0.15 FTE)	35.00
Registration on hour basis, credit or audit, for part-time load (1-7 hours)	\$15.50 per term hour (\$31.00 minimum)
Staff fee (at least \$.50 FTE; approved by Budget Office for academic staff, Personnel Office for classified staff) per term hour	3.00
Deposit required of all students registered for 8 or more hours (against breakage or loss of University property, refundable)	10.00
Change of program fee (assessed immediately, for each course changed from original registration)	1.00
Late-registration fee (full-load students), \$5.00 for the first day late, plus \$1.00 for each additional day allowed	5.00+
Exceptions to procedural deadline, if approved, may be assessed a penalty fee	\$1.00 to \$10.00

Fees are assessed by the Registrar's Office according to the standard fee schedule. If a particular student is to pay a non-standard amount, this will be authenticated by the department concerned as arranged with the Business Office.

* Based on 1968 Fee Schedule; subject to possible revision by State Board of Higher Education.

ABBREVIATIONS AND NOTES

Number of class meetings indicates the beginning time. Class meetings begin on the half-hour and usually terminate fifty minutes later. Morning hours are listed at 07:30, 08:30 and 09:30, evening hours at 7:30, 8:30 and 9:30.

Days of the week are abbreviated as follows:

M—Monday	W—Wednesday	F—Friday
U—Tuesday	H—Thursday	S—Saturday

Prerequisites for enrolling in courses are stated in footnotes.

Courses for which no weeks are indicated (certain 401, 403, 405, 407, 408, 409 and 501, 503, 505, 506, 507, 508 and 509) may cover any period of weeks within the 0-11 week period at the discretion of the department concerned.

Blanks (in credits, hour and days, room and building, instructor) signify that details are to be arranged.

No student who has failed to pay fees when due is entitled to attend class.

If you plan to enroll in the University in the Fall term and were not registered during the Spring term, it is important that you check with the Registrar's Office. Failure to do so may result in delayed registration during the regular term. (All June, 1968 graduates should also notify the Registrar of their intent to return in the Fall.)

TLN is the abbreviation for Term Line Number.

During the academic year, this alphabetic schedule will be rotated so that all students will be given an opportunity to register early once in each term. If you are unable to register at the time specified, you may register at a later time.

REGISTRATION PROCEDURES

You will note in studying your "Time Schedule" that a revision in the method of registration is being initiated. It is an attempt to develop a more orderly exchange between students and departments which will result in formal class instruction commencing on the opening day of classes.

The extent to which these procedural changes are successful will be dependent on cooperation between students and faculty. We have attempted to anticipate problems which could arise and through instructions printed herein hope the communications are clear enough to alleviate them. However, implementation of a new procedure is always subject to error. Shortcomings in this system can best be identified by those most closely involved—students and faculty. Therefore, following registration, suggestions pursuant improvements in the system based on problems you have encountered will be appreciated. Please feel free to contact me personally or submit your suggestions in writing.

DONALD E. RHOADES
Registrar

1. Pre-Registration

a. Returning/Former UO Students:

- 1) Pick up a copy of your *University Student Record* between 8:30 a.m.-4:30 p.m. on Monday and Tuesday, September 22-23 in the basement, Erb Memorial Union.
- 2) Report to your academic adviser if needed and plan your Fall Term course schedule. (See page 6, Time Schedule.)
- 3) Secure approval for courses where applicable, i.e. "instructor's consent" or "variable credits," prior to registering in McArthur Court.

b. New Students (First Time UO):

1) Entering Freshmen and Undergraduate Transfers:

- a) See page 6, Time Schedule on "Advising." Pick up Test Score Cards and copy of *University Student Record* (if college credit is being transferred) between 8:30 a.m.-4:30 p.m. on Monday, Tuesday, Wednesday, or Thursday, September 22, 23, 24, or 25 in basement, Erb Memorial Union as scheduled in the New Student Orientation Week Bulletin.
- b) Secure adviser's signature on Student Copy of Planning Schedule, (page 79 of Time Schedule), and approval for courses where advance clearance is required, prior to registering in McArthur Court.

2) Graduate Students:

- a) Pick up copy of *University Student Record* between 8:30 a.m.-4:30 p.m. on Monday, Tuesday, Wednesday, or Thursday, September 22, 23, 24, or 25 in basement, Erb Memorial Union.
- b) Secure approval for courses, where applicable, i.e. "instructor's consent" or "variable credits," prior to registering in McArthur Court.

2. Registration (McArthur Court)

a. Report on date and at time specified on Page 3 of Time Schedule to McArthur Court where you will be issued your registration materials.

- 1) Your registration packet will contain 1) Registration Form, 2) Registration Card, 3) Fee Card, and 4) Student Body Card.
- 2) If you wish to register your car and/or secure student insurance, stop at Auto/Insurance tables in McArthur Court.

b. Go to North Bleachers, McArthur Court, secure a lap board and marking pencil.

- 1) Study instructions *Part A*, Registration Form and complete *Part A* only.
- 2) Check "Closed Section Board" adjacent to bleachers, then fill in course sections on your *Registration Card*.
 - a) It is recommended, where multi-section courses are to be selected, that you report data pertaining to the course on the Registration Card with the exception of the entry. Gain departmental approval for single section courses first and multi-section courses last.
 - b) If the section you select has a single plus (+) printed after the days listed on the course, please enroll in one of the Lab. or Disc. sections which follow the lecture.

- 3) Proceed to departmental tables as shown on diagram (Cover page, Time Schedule) and obtain departmental stamp for each course you wish to enroll in.
 - a) If you discover a conflict in your schedule and it is necessary to adjust the course selections on your Registration Card, return to department table and request "voiding" course enrollment by acquiring "Department Stamp" imprint in TLN column of course to be dropped.
- 4) Return to North bleachers and complete *Part B, Registration Form*.
 - a) PLEASE NOTE: It is important that *Part B* be completed in absolute accord (accurately) with course registration entries on Registration Card. As you will note, the TLN (Term Line Number) is the official control on this document. This section (*Part B*) represents your OFFICIAL registration for classes.
- 5) Report to the checkers stations in East Court for final processing of your registration.

Special Notes:

Law Students: Law students are to begin their registration for courses at the Dean's Office, Fenton Hall, prior to reporting to McArthur Court.

Clearance: If for some reason, at the time you report for your registration packet, you are being held for indebtedness, medical report, test score reports, etc., you will be referred to the appropriate agency in upper balcony of McArthur Court.

Name/Address Changes: If pre-printed personal information (i.e., name, address, etc.) *Part A, Registration Form* is incorrect, you may obtain "Change Forms" at Registrar's Table near North Bleachers, McArthur Court.

Departmental Course/Space Allocations: In general departments will implement a block allocation system in approving course requests. Basically, one-third of the available spaces in courses will be allocated on each of the three days during registration. Those students scheduled to register on Wednesday will be granted approvals until the allocated spaces for that day are exhausted. At that time, the TLN for that section will be posted as "Closed for the Day" on the "Closed Section Board." On Thursday, the section will be reopened, but only for those students scheduled to register on Thursday. The same process will be followed on Friday. When a section is completely filled, the TLN will be posted on the "Closed Section Board" as "Permanently Closed."

Students are encouraged to select and register for second choice sections when first choice sections are posted as closed and to complete their total registration including processing and fee payment in the East Court.

Drop/add change forms will be issued at the Registrar's Office beginning Monday, September 29. If spaces are available in first choice sections, students may initiate "Drop/Add" and process such changes through the Office of the Registrar at no charge Monday through Wednesday, September 29 through October 1.

Fee Assessment/Payment: Once your fees are assessed in the East Court, your Registration Form and Registration Card will be collected and you will be considered officially registered for classes at that time. Your Fee Card and Student Body Card will be returned to you and you may pay your fees at the Cashier's stations or may defer your payment until October 3, 1969 (without penalty) or not later than October 10, 1969 (with penalty). If your registration fees are not paid in full by October 10, your registration will be cancelled.

Fees not paid at the time of registration, may be paid by reporting to the University Business Office on Monday, September 29 through Friday, October 10. At time of payment please present your Fee Card and Student Body Card with remittance.

Graduation: If you intend to graduate Fall Term, Winter Term, or Spring Term, 1969-70, stop at "Degree Application Tables" and pick up an "Application for Degree" form.

Student Post-Registration Report: Following the deadline for dropping and/or adding courses (Oct. 17), an official copy of your registration will be printed and made available to you through a distribution station in Erb Memorial Union. You will be requested to check this registration report and to call at the Office of the Registrar if any discrepancy is discovered.

LATE REGISTRATION

For those who do not complete registration for courses on Wednesday-Friday, September 29, late registration will begin Monday, September 29. Students are requested to report to the Office of the Registrar to pick up registration packets. After completing *Part A, Registration Form*, students will be required to call at departmental offices for approval of courses selected and return later to the Student Services Office for *Part A* checking, Registrar's Office for *Part B* processing and fee assessment and the Business Office for fee payment.

ADVISING

New undergraduate students should select the advising meeting in the field of their primary interest. Those who have not yet decided what this field is to be should refer to the group designated "General Liberal Arts" in the list below. Those who have made this decision, even tentatively, should refer to the proper heading in the list. Special directions are that Elementary Education students should go to Education, but Secondary Education students go to their intended Education department; Honors College students go to Honors College meeting instead of to their academic department.

Group Advising Meetings (at 8 p.m. Monday, September 22, in the rooms listed below) will include all pertinent information on academic advising. Every new student, freshman or transfer, should attend one of these meetings unless he was advised during the summer. Students who miss these meetings should report to the appropriate departmental office (General Liberal Arts meetings are in 140 HEN). The following list includes the various head advisers in the departmental offices and the location of the Monday night meeting. The location of the departmental offices is given on page 11 of this book.

Old students should go directly to their old adviser if they wish to discuss their programs. Any student wishing to change his major should report to the departmental office of his *new* major to receive a new adviser assignment. Old students should follow the alphabetic schedule and see his adviser the day before he is scheduled to register.

Any student with seemingly insoluble problems should call the Office of Academic Advising (ext. 2261). We will find a solution or confirm the fact that it is, indeed, insoluble.

REGISTRATION FEES

Registration for full load (8 or more term hours) for credit:

Resident undergraduate, per term \$136.00

Nonresident undergraduate, per term 445.00

*Nonresident undergraduate "returning," per term 389.00

*"Returning nonresident" undergraduate students identified as follows:

(a) students who paid the nonresident fee at the University of Oregon in the Fall or Winter or Spring terms of 1968-69

or

(b) students who paid the nonresident fee at the University of Oregon prior to 1968-69 and were serving in the U.S. armed forces during some part of the academic year 1968-69. (Note that since there has been no nonresident fee in Summer terms, registration in a Summer term does not constitute a valid "returning nonresident" classification for fee purposes.)

No examination may be given ahead of the regularly scheduled time. Actual conflicts will be resolved by the instructors concerned. Deans may adjust within their schools.

Examinations are given in the classroom where the class meets unless different rooms are requested and scheduled by the Schedule Clerk, Registrar's Office.

ACADEMIC REGULATIONS

Academic Requirements Committee

This Committee is composed of 6 faculty members and 1 ex officio member (non-voting), appointed by the President upon recommendation of the Committee on Committees. One student member is appointed by the President upon recommendation of ASUO.

The Committee has the responsibility for the administration and interpretation of academic regulations for baccalaureate degrees, and for action on student petitions for exceptions to requirements and other academic regulations. (It does not have jurisdiction over regulations governing graduate degrees.)

This Committee reviews petitions by students for adding and/or dropping courses after the first day to change courses. Petitions may be obtained from the Registrar's office where complete instructions for procedure are given with each petition.

Study Load. There is no stated minimum or maximum number of credits for which an undergraduate student must register; the normal load is 15 or 16 hours, and the minimum "full load" generally is taken as 12 hours. Graduate students are subject to various restrictions on load; their minimum "full load" generally is taken as 9 hours.

Change of Program. A Drop/Add/Change Form, processed according to the instructions however, must be filed in the Registrar's Office to effect any post-registration change in the Registration Card. Any addition of courses must be effected within the first three weeks of a term. Any withdrawal from individual courses must be effected within the first three weeks of a term, except that first-term new students are allowed two additional weeks. The grading option may be changed within the first six weeks of a term. Complete withdrawal from all courses may be allowed, for good cause, by the Dean of Men or Dean of Women.

Change of Major. A new major may simply be indicated (by most students) as part of the registration process. Students in the Graduate School must make a change of major through the Graduate Dean's office.

Class Standing. The minimum credits for various undergraduate classifications are: 36 hours for sophomore, 93 hours for junior, 138 hours for senior. Any person with an accredited degree may have graduate standing, but additional screening is required for entrance into the Graduate School.

Credits. Credits at U.O. are defined as "hours," term hours or quarter hours, one hour equals one-third of one semester hour. The usual process for earning credits is through term registration as a resident student. Credits may be transferred from other accredited institutions (none from one-year schools after reaching junior standing) and from the Division of Continuing Education. "concurrent registration" students may register without extra fees at more than one division of the State System of Higher Education; details and forms are available at the registrar's offices. Credit in many undergraduate courses may be earned by examination; details are stated on the Academic Requirements Committee petitioning form, available at the Registrar's Office.

Course Numbers. Courses are numbered to suggest the level of students for whom they are intended; freshmen tend to take 100s, graduate students 500s. All may be applied on bachelor's degrees, but only "graduate credit" courses (500s and specified 400s) on advanced degrees.

Grading System. Standard grades are A, B, C, D, and F. Grade points of respectively 4, 3, 2, and 0 (per hour) are associated with these grades. The grade point average (GPA) is the sum of total grade points divided by total graded hours. No-grade marking may be elected, if requested in by student and department; in this system, P indicates the earning of credit and N the failure to earn credit. Other marks include W (withdrawn) if the student has been allowed to disenroll after the third week on petition, and I (incomplete) if the student's work has been satisfactory and the instructor wishes to allow a limited additional time for completing a minor part of it.

Degree Application. A formal Application for Degree must be filed with the Registrar, at least one month before an anticipated graduation. If all academic and financial records are clear by the date of the degree, it can be formally confirmed immediately while the diploma will be mailed.

Bachelor's Degree Requirements. Specifically required courses include English Composition (4 hours), Health Education (1 term), Physical Education (5 terms in activity courses). General education courses, sequences of at least 9 hours each, must total six (two in each of the three groups) for Liberal Arts majors or four (at least one in each group) for other majors; see list of courses below. Degree subjects include: for the B.A., 36 hours in language and literature courses and two-college-years proficiency in a foreign language; for the B.S., either 36 hours in social

science courses or 36 hours in science courses. Total credits must be at least 186, including at least 62 in upper-division courses and 150 with grades, 36 (24 upper-division) in the major; there are maximums for credits in professional fields and applied music and correspondence study—see Catalog. The cumulative GPA must be at least 2.00 for all college work and be based on not less than 150 graded hours; the minimum is 2.00 also for the mean of all grades earned in the University. Resident work (registered with U.O. on Eugene or Portland campus) must comprise at least 40 of the last 60 hours; not more than 9 hours of optional Pass credits may be included. The Dean's recommendation certifies completion of all special requirements in the major.

SCHOLASTIC REGULATIONS

Scholastic Deficiency Committee

This Committee is composed of 7 faculty members and 4 ex officio members (non-voting), appointed by the President upon recommendation of the Committee on Committees. Two student members are appointed by the President upon recommendation of ASUO.

The Committee is responsible for the administration and interpretation of University scholastic regulations, reviews the scholastic records of students doing unsatisfactory work, places such students on academic probation and sets goals for improvement, disqualifies students from attending the University for continued unsatisfactory academic performance, and passes on petitions for reinstatement.

Also, the Scholastic Deficiency Committee entertains petitions by students for changes of grade. This procedure is to be used only when the instructor (or department head or dean if instructor is not available) chooses not to report the grade change directly to the Registrar's office.

If you have questions, please contact the Office of Student Services, 207 Emerald Hall.

NOTES ON COURSE LISTS

Term Line No. (TLN)—A code number is assigned for each course and section of a course. It is the control number used in officially registering you for classes. Therefore, it *must* be entered correctly from this *Time Schedule* to your Registration Card and Registration Form.

Hour of class meetings indicates the beginning time of the class. Class meetings are scheduled on the half-hour and generally terminate fifty minutes later. Morning hours are listed at 08:30 and 09:30. Evening hours are listed at 7:30, 8:30 and 9:30.

Days of the week are abbreviated to:

M—Monday
U—Tuesday

W—Wednesday
H—Thursday

F—Friday
S—Saturday

Notes refer to the footnotes at the end of each section except for these standard footnotes.

REGISTRATION PROCEDURE (McArthur Court)

PRIOR TO REGISTRATION

1. Secure **approval for courses** where applicable, i.e., "instructor's consent" or "variable-credits" (see course listings pages 18 to 66).
2. Complete **planned course schedule** on page 67. **Retain after registration to use as a record of your study program for your class attendance.**
 - a. PL-3 will telecast "Closed Section" information during registration March 30 and 31.

REGISTRATION:

1. Report on date and at time specified above for issuance of your registration packet.
 - a. Your registration packet will contain
 1. Registration Form
 2. Registration Card
 3. Fee Card
 4. Student Body Card
 5. Student Health Insurance Card (optional)
 6. Student Activity Record Card (optional)
 - a. Purchase of Student Health Insurance and/or Automobile Parking Permit may be transacted at stations inside McArthur Court as shown on diagram (Cover Page).
2. Go to North Bleachers, McArthur Court as illustrated on diagram (Cover Page), secure a lap board and marking pencil (#2 pencils must be used to properly mark your Registration Form).
 - a. Study instructions **Part A**, Registration Form and complete Part A only.
 - b. Check "Closed Section Board" adjacent to North Bleachers, **then** fill in course selections on your **Registration Card**.
 1. It is recommended, where multi-section courses are to be selected, that you record all data pertaining to the course on the Registration Card with the exception of TLN entry. Gain departmental approval for single section courses first and multi-sectioned courses last.
 2. If the section you select has a single plus (+) printed after the days listed for the course, please enroll in one of the Lab. or Disc. sections which follow the lecture.
3. Proceed to departmental tables as shown on diagram and obtain department stamp for each course you wish to enroll in.
 - a. If you discover a conflict in your schedule, and it is necessary to adjust the course selections on your Registration Card, return to department table and request "voiding" course enrollment by acquiring "Department Stamp" imprint in TLN column of course to be dropped.
4. Return to North Bleachers and complete **Part B**, Registration Form.
 - a. **Please note:** It is important that Part B be completed in absolute accord (accurately) with course registration entries on Registration Card. As you will note, the TLN (Term Line Number) is the official control on this document. This section (Part B) represents your OFFICIAL registration for classes.
5. Report to the checkers station in East Court for final processing of your registration.
 - a. Your Registration Form and Registration Card will be checked with you for accuracy.
 1. Graduate students, except Law, must stop at Graduate Student Table.
 - b. Your fees will be assessed.
 1. AFTER fee assessment, your Registration Form and Registration Card will be collected and you will be considered officially registered for classes at that time. Your Fee Card and Student Body Card will be returned to you.

6. FEE PAYMENT:

- a. **Fees are to be paid at Cashier's Station. Last day to pay fees without late fine is Wednesday, April 1. Late fines commence 8:00 a.m., Thursday, April 2, and are \$5.00 for that day and \$1.00 additional for each day thereafter.**

* * * *

If your fees are not paid in full by Friday, April 10, your registration will be cancelled. (Fees not paid at the time of registration may be paid at the University Business Office on Wednesday, April 1 through Friday, April 10. At the time of payment, please present your Fee Card and Student Body Card with remittance.)

SPECIAL NOTES:

1. **Law Students:**
Law students are to begin their registration for courses at the Dean's Office, Fenton Hall, prior to reporting to McArthur Court. Non-law students may register for Law 430 in McArthur Court.
2. **Clearance:**
If for some reason, at the time you report for your registration packet you are being held for indebtedness, medical report, test score reports, etc., you will be referred to the appropriate agency in Upper Balcony in McArthur Court.
3. **Name/Address Changes:**
If pre-printed personal information (i.e., name, address, etc.) Part A, Registration Form is incorrect, you may obtain "Change Forms" at the Information Table near North Bleachers, McArthur Court.
4. **Supplemental Registration Forms:**
If you have more than ten Term Line Numbers to mark on your Registration Form, obtain a "Supplemental Registration Form" at the Registrar's Table.

Departmental Course Allocations:

In general, departments will implement a block allocation system in approving course requests. Classically, one-half of the available space in courses will be allocated on each of the two days of registration. Those students scheduled to register on Monday will be granted approvals until the allocated spaces for that day are exhausted. At that time, the TLN for that section will be posted as "Closed for the Day" on the "Closed Sections Board."

On Tuesday, the section will be reopened, **but only for those students scheduled to register on Tuesday.** When a section/course is completely filled, the TLN will be posted on the "Closed Sections Board" as "Permanently Closed."

Students are encouraged to select and register for second choice sections when first choice sections are posted as closed and to complete their total registration including processing and fee payment in the East Court.

Drop/Add:

Drop/Add change forms will be issued at the Registrar's Office beginning Wednesday, April 1. If spaces are available in first choice sections, students may initiate "Drop/Add" and process such changes through the Registrar's Office at no charge **beginning** Thursday, April 2 and Friday, April 3. Charges for drop/add will commence Monday, April 6.

LATE REGISTRATION and LATE PENALTY PAYMENT (Thursday, April 2)

Those who DO NOT complete registration and pay fees on Monday, Tuesday, or Wednesday, March 30, 31, or April 1—

The late penalty will be:

- \$5.00—Thursday, April 2
- and
- \$1.00—additional for each day thereafter

LATE REGISTRATION PROCEDURES

Those who do not complete registration on Monday-Tuesday, March 30 and 31, in McArthur Court are requested to report to the Office of the Registrar to pick up late registration packets beginning Wednesday, April 1.

1. Complete Part A, Registration Form
2. Report to departmental office for approval of courses selected
 - a. Graduate students only—report to Graduate Dean's Office
3. Return to Student Services Office for Part A checking
4. Report to Registrar's Office for Part B checking and fee assessment
5. Report to Business Office to pay fees

SHORT TERM LOANS

Maximum: \$136.00

Short-Term Loans for purposes of Tuition and Fees Only:

Students who experience difficulty in meeting payment of tuition and fees at the time of registration may, if they meet the following criteria, apply at the Accounting Department of the Business Office for a short-term loan not in excess of \$136.00.

Criteria

1. Enrolled at University of Oregon the previous term
2. Cumulative and previous term University of Oregon GPA of 2.00 or above

Students who fail to meet the criteria listed above are advised to report to the Office of Financial Aids (Emerald Hall, 274).

Short-Term Loans for purposes other than tuition and fees:

For other personal and educational needs students may, if they meet the criteria listed above, apply at the Accounting Department of the Business Office for a short-term loan not in excess of \$90.00.

In no event shall a student's total short-term obligation exceed \$136.00.

\$75.00

ADVANCE REGISTRATION DEPOSIT

UNDERGRADUATES: An advance registration deposit of \$75.00 will be required to confirm intent to enroll for Fall Term 1970 as specified below:

RESIDENTS OF OREGON (New to the University)

A newly admitted resident student whether a freshman with no advanced standing, or a freshman, sophomore, junior or senior transfer must confirm his intent to enroll by submitting the advance registration deposit within two weeks of his date of admission or by May 1 whichever is later. Instructions for submitting the advance registration deposit will be mailed to each newly admitted student.

The deadline date for filing applications for admission to the Fall Term is August 15. This date coincides with the deadline for requesting an advance registration deposit refund so a new admission granted to a resident applicant August 15 (on an application submitted on or before that date) must of necessity, then, result in a request for non-refundable deposit.

RESIDENTS OF OTHER STATES (Non-residents) (New to the University)

A non-resident undergraduate newly admitted must confirm his intent to enroll by submitting the advance registration deposit within two weeks of the date of his admission or May 1 whichever is later. Instructions for submitting the deposit will be mailed to each newly admitted student.

The deadline for filing applications for admission to the Fall Term is August 15. However, the quota for non-resident undergraduate will undoubtedly be filled much earlier. Deposits are refundable as late as August 15 so this quota conceivably result in some new vacancies being created in the quota as late as August 15. If a new admissions should occur on or after August 15 (based on applications submitted on or before that date) the deposit required to confirm enrollment would have to be viewed as non-refundable.

RESIDENTS OF OREGON (Returning)

Advance registration deposits accompanying "Intent to Re-enroll" forms are to be submitted to the Office of the Registrar and will be processed in the order of date of receipt in that office.

In order to be assured permission to re-enroll such requests must be received in the Office of the Registrar by a date later than August 15. If the quota has not been reached by that date, additional requests will be accepted until the quota has been realized. However if the quota is reached by August 15, any request received after that date will not be processed unless evidence of circumstances beyond the student's control warrants waiver of the deadline date.

Re-enrollment forms will be available in the Office of the Registrar on May 1 and will be accepted in the office beginning May 1.)

RESIDENTS OF OTHER STATES (Non-residents) (Returning)

Advance registration deposits accompanying "Intent to Re-enroll" forms are to be submitted to the Office of the Registrar and will be processed in the order of date of receipt in that office.

Requests for re-enrollment will be accepted until the quota is reached or no later than July 1, whichever is later.

Re-enrollment forms will be available in the Office of the Registrar on May 1 and will be accepted in that office beginning May 1.)

DEPOSIT REFUND DEADLINE

The advance registration deposit is required at time of acceptance of admission or filing for re-enrollment unless the student has received a scholarship, grant, loan, or award in excess of \$75.00 and evidence of this is in the Office of the Registrar Business Office. It is the responsibility of the student to initiate such action through the University Financial Aids Office.

The advance registration deposit is refundable in full if notice of cancellation is received in the Office of Admissions for new admissions or the Office of the Registrar for returning students prior to August 15.

GRADUATES

As of February 23, 1970, a policy decision regarding an advance registration deposit had not been reached.

ACADEMIC REGULATIONS

Academic Requirements Committee

This Committee is composed of 6 faculty members and 1 ex officio member (non-voting), appointed by the President upon recommendation of the Committee on Committees. One student member is appointed by the President upon recommendation of ASUO.

The Committee has the responsibility for the administration and interpretation of academic requirements for baccalaureate degrees, and for action on student petitions for exceptions to these requirements and other academic regulations. (It does not have jurisdiction over regulations governing graduate degrees.)

This Committee reviews petitions by students for adding and/or dropping courses after the last day to change courses. Petitions may be obtained from the Registrar's office where complete instructions for procedure are given with each petition.

Study Load. There is no stated minimum or maximum number of credits for which an undergraduate student must register; the normal load is 15 or 16 hours, and the minimum "full load" generally is taken as 12 hours. Graduate students are subject to various restrictions on load; their minimum "full load" generally is taken as 9 hours.

Change of Program. A Drop/Add/Change Form, processed according to the instructions thereon, must be filed in the Registrar's Office to effect any post-registration change in the Registration Card. Any addition of courses must be effected within the first three weeks of a term. Any withdrawal from individual courses must be effected within the first three weeks of a term, except that first-term new students are allowed two additional weeks. The grading option may be changed within the first six weeks of a term. Complete withdrawal from all courses may be allowed, for good cause, by the Dean of Men or Dean of Women.

Change of Major. A new major may simply be indicated (by most students) as part of the registration process. Students in the Graduate School must make a change of major through the Graduate Dean's office.

Class Standing. The minimum credits for various undergraduate classifications are: 45 hours for sophomore, 90 hours for junior, 135 hours for senior. Any person with an accredited degree may have graduate standing, but additional screening is required for entrance into the Graduate School.

Credits. Credits at U.O. are defined as "hours," term hours or quarter hours, one hour equals two-thirds of one semester hour. The usual process for earning credits is through term registration as a resident student. Credits may be transferred from other accredited institutions (none from two-year schools after reaching junior standing) and from the Division of Continuing Education. Under "concurrent registration" students may register without extra fees at more than one division of the State System of Higher Education; details and forms are available at the Registrar's Office. Credit in many undergraduate courses may be earned by examination; instructions are stated on the Academic Requirements Committee petitioning form, available at the Registrar's Office.

Course Numbers. Courses are numbered to suggest the level of students for whom they are intended; freshmen tend to take 100s, graduate students 500s. All may be applied on bachelor's degrees, but only "graduate credit" courses (500s and specified 400s) on advanced degrees.

Grading System. Standard grades are A, B, C, D, and F. Grade point of respectively 4, 3, 2, 1, and 0 (per hour) are associated with these grades. The grade point average (GPA) is the quotient of total grade points divided by total graded hours. No-grade markings may be elected, if concurred in by student and department; in this system, P indicates the earning of credit and N the failure to earn credit. Other marks include W (withdrawn) if the student has been allowed to disenroll after the third week on petition, and I (incomplete) if the student's work has been satisfactory and the instructor wishes to allow a limited additional time for completing a minor part of it.

Degree Application. A formal Application for Degree must be filed with the Registrar, at least one month before an anticipated graduation. If all academic and financial records are clear by the date of the degree, it can be formally confirmed immediately while the diploma will be mailed later.

Bachelor's Degree Requirements. Specifically required courses include English Composition (9 hours), Health Education (1 term), Physical Education (5 terms in activity courses). General education courses, sequences of at least 9 hours each, must total six (two in each of the three "groups") for Liberal Arts majors or four (at least one in each group) for other majors; see list of courses below. Degree subjects include: for the B.A., 36 hours in language and literature courses and two-college-years proficiency in a foreign language; for the B.S., either 36 hours in social science courses or 36 hours in science courses. Total credits must be at least 186, including at least 62 in upper-division courses and 150 with grades, 36 (24 upper-division) in the major; there are maximums for credits in professional fields and applied music and correspondence study—see Catalog. The cumulative GPA must be at least 2.00 for all college work and be based on 150 graded hours (unless required work in major is on a no-grade basis); the minimum is 2.00 also for the mean of all grades earned in the University. Resident work (registered with U.O. on Eugene or Portland campus) must comprise at least 45 of the last 60 hours; not more than 9 hours of optional Pass credits may be included. The Dean's recommendation certifies completion of all special requirements in the major.

SCHOLASTIC REGULATIONS

Scholastic Deficiency Committee

This Committee is composed of 7 faculty members and 4 ex officio members (non-voting), appointed by the President upon recommendation of the Committee on Committees. Two student members are appointed by the President upon recommendation of the ASUO.

The Committee is responsible for the administration and interpretation of University scholastic requirements. It reviews the scholastic records of students doing unsatisfactory work, places such students on academic probation and sets goals for improvement, disqualifies students from attending the University for continued unsatisfactory academic performance, and passes on petitions for reinstatement.

Also, the Scholastic Deficiency Committee entertains petitions by students for changes of grade. This procedure is to be used only when the instructor (or department head or dean if instructor is not available) chooses not to report the grade change directly to the Registrar's Office.

The Committee will accept student petitions for reinstatement provided completed petitions and supportive data are received in the Registrar's Office by not later than:

Spring Term 1970

March 6—in order to be resolved in time to register for classes on regular registration dates

April 3—in order to be resolved in time to register for classes by late registration deadline date (April 10)

If you have questions, please contact the Office of Student Services, 207 Emerald Hall.

Examinations are given in the classroom where the class meets unless different rooms are requested and scheduled by the Schedule Clerk, Registrar's Office.

ADVISING

Students new to the University must consult with an academic advisor. Those who have chosen a major, even tentatively, should see the head advisor in their major field. Those who have not yet chosen a major should come to the Office of Academic Advising (140 Hendricks Hall) for assignment to an advisor.

Students in Elementary Education should go to the chief advisor for the College of Education, Department of Curriculum and Instruction, but Secondary Education students are advised in their intended academic department. Honors College students should go to the Honors College for assignment to an advisor.

Old students should go directly to their old advisor if they wish to discuss their programs. Any student wishing to change his major should report to the department office of his new major to receive a new advisor assignment.

Any student with seemingly insoluble problems should call the Office of Academic Advising (ext. 2261). We will find a solution or confirm the fact that it is, indeed, insoluble.

CLASSES IN COMMUNICATION SKILLS

The Reading-Study Skills Center

This center, operating in conjunction with the Counseling Center, provides three types of non-credit classes for students who wish to improve their proficiency in reading, writing, or study skills.

Accelerated Reading introduces methods for improving reading rate, comprehension, and flexibility.

Study Skills offers a series of 3 three-hour lectures in effective study techniques.

Basic Skills provides individualized programs tailored to meet personal needs in the Language Arts area.

A \$7.50 fee is charged U of O students. This fee covers any or all of the above classes and is good for a year from date of payment.

The Speech and Hearing Center

This center provides diagnosis and remediation for speech and hearing disorders of University students. There is no charge for these services.

Students may sign up for these classes during registration near stairway 4 (adjacent to the student insurance table).

NOTES ON COURSE LISTS

Term Line No. (TLN)—A code number is assigned for each course and section of a course. It is the control number used in officially registering you for classes. Therefore, it **must** be entered correctly from this **Time Schedule** on your Registration Card and Registration Form.

Hour of class meetings indicates the beginning time of the class. Class meetings are scheduled on the half-hour and generally terminate fifty minutes later. Morning hours are listed as 07:30, 08:30 and 09:30. Evening hours are listed as 7:30, 8:30 and 9:30.

Days of the week are abbreviated to:

M—Monday U—Tuesday W—Wednesday H—Thursday F—Friday S—Saturday

Notes refer to the footnotes at the end of each section except for these standard footnotes:

Grading

A—Grades only (jurisdiction of department)
B—No-grade only (jurisdiction of department)
N—No-grade course (jurisdiction of Curriculum Committee; **must** be no-grade)

Credits

G—Graduate credit for majors
M—Graduate credit for minors, non-majors
P—Graduate credit in professional field
R—May be repeated for credit

H—Honor's College

I—Instructor's consent prior to registration

S—Sequence course to be taken from beginning

Blanks (in credits, hour and days, room and building, instructor) signify to be arranged at time of registration.

Subsequent terms course listings are tentative, subject to change in the Time Schedule printed for that term.

REGISTRATION PROCEDURE

(McArthur Court)

PROCEDURE FOR TO REGISTRATION

Approval for courses where applicable, i.e., "instructor's consent" or "variable-credits" (see course pages 17 to 70).
 Last day to register for term.
 Last day to drop or add courses.
 Last day to change grading options.
 Last day to file degree applications.

REGISTRATION:

Report on date and at time specified above for issuance of your registration packet.
 Your registration packet will contain

- Registration Form
- Registration Card

- 3. Fee Card
- 4. Student Body Card
- 5. Student Health Insurance Card (optional)

a. Purchase of Student Health Insurance and/or Automobile Parking Permit may be transacted at station inside McArthur Court as shown on diagram (Cover Page).

2. Go to North Bleachers, McArthur Court as illustrated on diagram (Cover Page), secure a lap board and marking pencil (#2 pencils must be used to properly mark your Registration Form).

- a. Study instructions **Part A**, Registration Form and complete Part A only.
- b. Check "Closed Section Board" adjacent to North Bleachers, **then** fill in course selections on your **Registration Card**.

- 1. It is recommended, where multi-section courses are to be selected, that you record all data pertaining to the course on the Registration Card with the exception of TLN entry. Gain departmental approval for single section courses first and multi-sectioned courses last.
- 2. If the section you select has a single plus (+) printed after the days listed for the course, please enroll in one of the Lab. or Disc. sections which follow the lecture.

3. Proceed to departmental tables as shown on diagram and obtain department stamp for each course you wish to enroll in.

- a. If you discover a conflict in your schedule, and it is necessary to adjust the course selections on your Registration Card, return to department table and request "voiding" course enrollment by acquiring "Department Stamp" imprint in TLN column of course to be dropped.

4. Return to North Bleachers and complete **Part B**, Registration Form.

- a. **Please note:** It is important that Part B be completed in absolute accord (accurately) with course registration entries on Registration Card. As you will note, the TLN (Term Line Number) is the official control on this document. This section (Part B) represents your OFFICIAL registration for classes.

5. Report to the checkers station in East Court for final processing of your registration.

- a. Your Registration Form and Registration Card will be checked with you for accuracy.
- b. Your fees will be assessed.
 - 1. AFTER fee assessment, your Registration Form and Registration Card will be collected and you will be considered officially registered for classes at that time. Your Fee Card and Student Body Card will be returned to you.

6. **Fee Payment:**

- a. Fees are to be paid at Cashier's Station. Last day to pay fees without late fine is Wednesday, January 7. Late fines commence 8:00 a.m., Thursday, January 8, and are \$5.00 for that day and \$1.00 additional for each day thereafter.

* * * *

If your fees are not paid in full by Friday, January 16, your registration will be cancelled. (Fees not paid at the time of registration may be paid at the University Business Office on Wednesday, January 7 through Friday, January 16. At the time of payment, please present your Fee Card and Student Body Card with remittance.)

SPECIAL NOTES:

- 1. **Law Students:**
Law students are to begin their registration for courses at the Dean's Office, Fenton Hall, prior to reporting to McArthur Court. Non-law students may register for Law 430 in McArthur Court.
- 2. **Clearance:**
If for some reason, at the time you report for your registration packet you are being held for indebtedness, medical report, test score reports, etc., you will be referred to the appropriate agency in Upper Balcony in McArthur Court.
- 3. **Name/Address Changes:**
If pre-printed personal information (i.e., name, address, etc.) Part A, Registration Form is incorrect, you may obtain "Change Forms" at the Information Table near North Bleachers, McArthur Court.

4. **Supplemental Registration Forms:**
If you have more than ten Term Line Numbers to mark on your Registration Form, obtain a "Supplemental Registration Form" at the Information Table.

5. **Departmental Course Allocations:**
In general, departments will implement a block allocation system in approving course requests. Basically, one-half of the available space in courses will be allocated on each of the two days of registration. Those students scheduled to register on Monday will be granted approvals until the allocated spaces for that day are exhausted. At that time, the TLN for that section will be posted as "Closed for the Day" on the "Closed Sections Board."

On Tuesday, the section will be reopened, **but only for those students scheduled to register on Tuesday.** When a section/course is completely filled, the TLN will be posted on the "Closed Sections Board" as "Permanently Closed."

Students are encouraged to select and register for second choice sections when first choice sections are posted closed and to complete their total registration including processing and fee payment in the East Court.

6. **Drop/Add:**
Drop/Add change forms will be issued at the Registrar's Office beginning Wednesday, January 7. If spaces are available in first choice sections, students may initiate "Drop/Add" and process such changes through the Registrar's Office at no charge **beginning** Thursday, January 8 and Friday, January 9. Charges for drop/add commence Monday, January 12.

**LATE REGISTRATION
(Thursday, January 8)**

Registration will begin Thursday, January 8, for those who do not complete registration and pay fees on Monday, Tuesday, Wednesday, January 5, 6 and 7. The penalty will be \$5.00 for Thursday, January 8, and \$1.00 additional for each day thereafter.

Students who do not complete registration on Monday-Tuesday, January 5 and 6, in McArthur Court are requested to report to the Office of the Registrar to pick up late registration packets beginning Wednesday, January 7.

When completing Part A, Registration Form, students will be required to call at departmental offices for approval of courses selected and to return later to the Student Services Office for Part A checking, Office of the Registrar for Part B checking and fee assessment and the Business Office for fee payment. (Remember Late Fee Penalty Date: Thursday, January 8. Penalty \$5.00 for Thursday, and \$1.00 additional for each day thereafter. Payment in East Court, January 5 and 6; Business Office, January 7.)

ACADEMIC REGULATIONS

Academic Requirements Committee

This Committee is composed of 6 faculty members and 1 ex officio member (non-voting), appointed by the President upon recommendation of the Committee on Committees. One student member is appointed by the President upon recommendation of ASUO.

The Committee has the responsibility for the administration and interpretation of academic requirements for undergraduate degrees, and for action on student petitions for exceptions to these requirements and other academic regulations. (It does not have jurisdiction over regulations governing graduate degrees.)

The Committee reviews petitions by students for adding and/or dropping courses after the last day to change courses. Petitions may be obtained from the Registrar's office where complete instructions for procedure are given on each petition.

Study Load. There is no stated minimum or maximum number of credits for which an undergraduate student may register; the normal load is 15 or 16 hours, and the minimum "full load" generally is taken as 12 hours. Graduate students are subject to various restrictions on load; their minimum "full load" generally is taken as 9 hours.

Change of Program. A Drop/Add/Change Form, processed according to the instructions thereon, must be filed with the Registrar's Office to effect any post-registration change in the Registration Card. Any addition of courses must be completed within the first three weeks of a term. Any withdrawal from individual courses must be effected within the first three weeks of a term, except that first-term new students are allowed two additional weeks. The grading system may be changed within the first six weeks of a term. Complete withdrawal from all courses may be allowed, for a course, by the Dean of Men or Dean of Women.

Change of Major. A new major may simply be indicated (by most students) as part of the registration process. Students in the Graduate School must make a change of major through the Graduate Dean's office.

Class Standing. The minimum credits for various undergraduate classifications are: 36 hours for sophomore, 48 hours for junior, 138 hours for senior. Any person with an accredited degree may have graduate standing, but a minimum evening is required for entrance into the Graduate School.

Credits. Credits at U.O. are defined as "hours," term hours or quarter hours, one hour equals two-thirds of one semester hour. The usual process for earning credits is through term registration as a resident student. Credits may be transferred from other accredited institutions (none from two-year schools after reaching junior standing) and from the Division of Continuing Education. Under "concurrent registration" students may register without extra charge in more than one division of the State System of Higher Education; details and forms are available at the Registrar's office. Credit in many undergraduate courses may be earned by examination; instructions are stated on the Academic Requirements Committee petitioning form, available at the Registrar's Office.

Course Numbers. Courses are numbered to suggest the level of students for whom they are intended; freshmen take 100s, graduate students 500s. All may be applied on bachelor's degrees, but only "graduate credit" courses (and specified 400s) on advanced degrees.

Grading System. Standard grades are A, B, C, D, and F. Grade point of respectively 4, 3, 2, 1, and 0 (per hour) is associated with these grades. The grade point average (GPA) is the quotient of total grade points divided by graded hours. No-grade markings may be elected, if concurred in by student and department; in this system, W indicates the earning of credit and N the failure to earn credit. Other marks include W (withdrawn) if the student is allowed to disenroll after the third week on petition, and I (incomplete) if the student's work has been satisfactory and the instructor wishes to allow a limited additional time for completing a minor part of it.

Degree Application. A formal Application for Degree must be filed with the Registrar, at least one month before an anticipated graduation. If all academic and financial records are clear by the date of the degree, it can be immediately confirmed immediately while the diploma will be mailed later.

Bachelor's Degree Requirements. Specifically required courses include English Composition (9 hours), Health Education (1 term), Physical Education (5 terms in activity courses). General education courses, sequences of at least 6 hours each, must total six (two in each of the three "groups") for Liberal Arts majors or four (at least one in each group) for other majors; see list of courses below. Degree subjects include: for the B.A., 36 hours in language and literature courses and two-college-years proficiency in a foreign language; for the B.S., either 36 hours in social science courses or 36 hours in science courses. Total credits must be at least 186, including at least 62 in upper-division courses and 150 with grades, 36 (24 upper-division) in the major; there are maximums for credits in professional courses and applied music and correspondence study—see Catalog. The cumulative GPA must be at least 2.00 for all courses and be based on not less than 150 graded hours; the minimum is 2.00 also for the mean of all grades earned at U.O. University. Resident work (registered with U.O. on Eugene or Portland campus) must comprise at least 45 hours; not more than 9 hours of optional Pass credits may be included. The Dean's recommendation certifies completion of all special requirements in the major.

SCHOLASTIC REGULATIONS

Scholastic Deficiency Committee

This Committee is composed of 7 faculty members and 4 ex officio members (non-voting), appointed by the President upon recommendation of the Committee on Committees. Two student members are appointed by the President upon recommendation of the ASUO.

The Committee is responsible for the administration and interpretation of University scholastic requirements, reviews the scholastic records of students doing unsatisfactory work, places such students on academic probation and makes recommendations for improvement, disqualifies students from attending the University for continued unsatisfactory academic performance, and passes on petitions for reinstatement.

Also, the Scholastic Deficiency Committee entertains petitions by *students* for changes of grade. This procedure may be used only when the instructor (or department head or dean if instructor is not available) chooses not to report a grade change directly to the Registrar's office.

The Committee will accept student petitions for reinstatement provided completed petitions and supportive data received in the Registrar's Office by not later than:

Winter Term 1970

December 15—in order to be resolved in time to register for classes on regular registration dates

January 9—in order to be resolved in time to register for classes by late registration deadline date (January 16)

Spring Term 1970

March 6—in order to be resolved in time to register for classes on regular registration dates

April 3—in order to be resolved in time to register for classes by late registration deadline date (April 10)

If you have questions, please contact the Office of Student Services, 207 Emerald Hall.

No examination may be given ahead of the regularly scheduled time. Actual conflicts will be resolved by the deans and department heads concerned. Deans may adjust within their schools.

Examinations are given in the classroom where the class meets unless different rooms are requested and scheduled by the Schedule Clerk, Registrar's Office.

ADVISING

Students new to the University must consult with an academic advisor. Those who have chosen a major, even if they have not yet declared it, should see the head advisor in their major field. Those who have not yet chosen a major should come to the Office of Academic Advising (140 Hendricks Hall) for assignment to an advisor.

Students in Elementary Education should go to the chief advisor for the College of Education, Department of Curriculum and Instruction, but Secondary Education students are advised in their intended academic department. Honors College students should go to the Honors College for assignment to an advisor.

Old students should go directly to their old advisor if they wish to discuss their programs. Any student wishing to change his major should report to the department office of his new major to receive a new advisor assignment.

Any student with seemingly insoluble problems should call the Office of Academic Advising (ext. 2261). We will try to find a solution or confirm the fact that it is, indeed, insoluble.

CLASSES IN COMMUNICATION SKILLS

The Reading-Study Skills Center

This center, operating in conjunction with the Counseling Center, provides three types of non-credit classes for students who wish to improve their proficiency in reading, writing, or study skills.

Accelerated Reading introduces methods for improving reading rate, comprehension, and flexibility.

Study Skills offers a series of 3 three-hour lectures in effective study techniques.

Basic Skills provides individualized programs tailored to meet personal needs in the Language Arts area.

A \$7.50 fee is charged U of O students. This fee covers any or all of the above classes and is good for a year from date of payment.

The Speech and Hearing Center

This center provides diagnosis and remediation for speech and hearing disorders of University students. There is no fee for these services.

Students may sign up for these classes during registration near stairway 4 (adjacent to the student insurance table).

NOTES ON COURSE LISTS

Term Line No. (TLN)—A code number is assigned for each course and section of a course. It is the control number used in officially registering you for classes. Therefore, it must be entered correctly from this Time Schedule to your Registration Card and Registration Form.

Hour of class meetings indicates the beginning time of the class. Class meetings are scheduled on the half-hour and generally terminate fifty minutes later. Morning hours are listed at 07:30, 08:30 and 09:30. Evening hours are listed at 7:30, 8:30 and 9:30.

Days of the week are abbreviated to:
M—Monday U—Tuesday W—Wednesday H—Thursday F—Friday S—Saturday

Notes refer to the footnotes at the end of each section except for these standard footnotes:
