*Mens agit molem*

*I consider knowledge to be the soul of a republic, and as the weak and the wicked are generally in alliance, as much care should be taken to diminish the number of the former as of the latter. Education is the way to do this, and nothing should be left undone to afford all ranks of people the means of obtaining a proper degree of it at a cheap and easy rate.*

JOHN JAY, in a letter to Dr. Benjamin  
Rush (concerning Dickenson College),  
dated March 24, 1785.
