Ordinance No. 06-11

A SPECIAL ORDINANCE GRANTING A ZONE CHANGE FOR .24 ACRES ON THE EAST SIDE OF ALMA ALLEY, SOUTH OF MCLEAN STREET AND NORTH OF LAKE STREET FROM MEDIUM DENSITY TO INDUSTRIAL.

WHEREAS, the applicant, Diversified Contractors Inc, has submitted a written proposal for a zone change of certain real property which is hereinafter described and shown on Exhibit A; and

WHEREAS, a public hearing was held on April 10, 2006, pursuant to applicable laws, at which time all evidence and objection with reference to said proposed zone change were considered by the Planning Commission; and

WHEREAS, the City Council hearing notices having been duly given, did hold a public hearing on May 1, 2006, on the recommendation of and including the record of the Planning Commission concerning the zone change; and

WHEREAS, pursuant to such record and hearing the City Council has determined the zone change to be in compliance with the Community Development Ordinance and the Comprehensive Plan; and

WHEREAS, the City Council adopted the findings of the Planning Commission attached hereto and incorporated by this reference as Exhibit B; NOW THEREFORE,

THE CITY OF KLAMATH FALLS ORDAINS AS FOLLOWS:

The zoning on the following property has been changed from Medium Density Residential to Industrial:

Beginning at a point on the west line of the NE 1/4 quarter of the SE 1/4 quarter section at a point thereon North 210 feet from the Southwest corner of the land described in deed of Klamath County, Oregon, by U.E. Reeder, E.W. Gowen and Jerry Rajnus to Earl V. King and Elva C. King, dated July 14, 1954, and recorded in Deed Volume 268 at page 58 of Klamath County, Oregon deed records on said July 14, 1954; thence East 210 feet to a point; thence North 50 feet to a point; thence West 210 feet to the West line of said quarter quarter section; thence South along said West line to the place of beginning, according to the official plat thereof on file in the office of the Clerk of Klamath County, Oregon. Being also shown on the current Klamath County Assessors Map R-3809-019DA as Tax Lot 800.

Passed by the Council of the City of Klamath Falls, Oregon, the 15th day of May, 2006.

Presented to the Mayor, approved and signed this 16th day of May _____, 2006.

Mayor

ATTEST:

Sharon Kayes
City Recorder (Deputy Recorder)

STATE OF OREGON
COUNTY OF KLAMATH
CITY OF KLAMATH FALLS

I, ________, Recorder (Deputy Recorder) for the City of Klamath Falls, Oregon, do hereby certify that the foregoing is a true and correct copy of an Ordinance duly adopted by the Council of the City of Klamath Falls, Oregon at the meeting on the 15th day of May 2006 and therefore approved and signed by the Mayor and attested by the City Recorder (Deputy Recorder).
A. **Criterion**: The change of zone is in conformance with the Comprehensive Plan and all other provisions of Chapters 10 to 14 and any applicable street plans.

**Staff Response**: The following Comprehensive Plan Policies relate to the proposed zone change:

- **Policy 222**: Land development will be in a systematic manner which contribute to the efficient use of public facilities, quality of project, and livability of the community as a whole.
- **Policy 235**: More intensive land uses proposed for established residential areas will be subject to special site development standards, which minimize the negative impact on abutting properties.
- **Policy 244**: In-filling of developable lands will be encouraged to minimize sprawl and take advantage of existing facilities and services.
- **Policy 254**: Allow growth to occur as naturally as possible without undue restrictions, or conversely, aggressive promotion.
- **Policy 259**: Public and private actions will result in a net benefit for existing City residents and will contribute to the improvement of the local economy.

The applicant will need to apply for a design review prior to the expansion of the business. The Design Review will address the requirements of Chapters 10 to 14 of the CDO. The property abuts Alma Alley, an unimproved city right-of-way. The business which would be expanded fronts Lakeport Boulevard, and improved public right-of-way. If any improvements are required within the public right-of-way they will be addressed at the time of Design Review.

Finding: The change of zone is in conformance with the Comprehensive plan and all other provisions of Chapters 10 to 14 and any applicable street plans, based on staff’s interpretation. This criterion is met.

B. **Criterion**: The property affected by the change of zone is adequate in size and shape to facilitate those uses that are normally allowed in conjunction with such zoning.

**Staff Response**: The minimum lot size for Medium Density and Industrial zoning is the same, 5000 square feet. However, the maximum lot coverage is increased from 40 percent in the Medium Density zone to 100 percent in the Industrial zone given all setbacks are met. If the applicant chose to develop the property beyond a construction yard, it would be constrained by a large setback from the residential zone of 25 feet, and would require a Design Review. If this lot is developed in the industrial zone the total possible usable space will be 2,850 square feet, approximately 27 percent of the 10,500 square foot lot. The Medium Density zoning would allow 4,200 square feet, 40 percent of the 10,500 square foot lot. Technically the possible density will decrease. The applicant proposes to expand a pre-existing storage yard from the neighboring 3.13 acre property.

Finding: The property affected by the change of zone is adequate in size and shape to facilitate the uses normally allowed in conjunction with the proposed zoning. This criterion is met.

C. **Criterion**: The property affected by the proposed change of zone is properly related to streets to adequately serve the type of traffic generated by such uses that may be permitted therin.

**Staff Response**: The property is currently vacant, and the change of zone will facilitate the extension of the adjacent construction yard. The adjacent right-of-way is Alma Alley, a graveled City Alley. The property is proposed to be used as a fenced storage yard with no access to Alma Alley. Access will come across the neighboring property from Lakeport Boulevard. There are no sidewalks or curbs along the sides of the right-of-way. The right-of-way adequately serve the existing traffic generated from the site and there is no evidence that additional development would have negative impacts on the road.
Finding: The property affected by the proposed zone change is properly related to Alma Alley, an unimproved city right-of-way. The adjacent property fronts Lakeport Boulevard and access is proposed from this right-of-way. This criterion is met.

D. Criterion The proposed change of zone will have no adverse effect on abutting property or the permitted uses thereof.

Staff Response: There is no evidence that the proposed zone change will have any adverse effect on abutting properties or the permitted uses thereof. The proposed zone change abuts one parcel zoned Medium Density to the south, and another parcel to the north and to the east zoned Industrial, and across the alley to the west zoned Medium Density. The adjacent Medium Density parcel to the south will be the last parcel on the block with residential zoning. This zone change will help create uniformity of zones in the area.

Finding: The proposed change of zone will have no adverse effect on abutting property or the permitted uses thereof. This criterion is met.
