ORDINANCE NO. 06-03

AN ORDINANCE AMENDING INTRODUCTION TO THE CITY OF MANZANITA COMPREHENSIVE PLAN; AND AMENDING SECTIONS 3.020, 3.025, 3.040, 6.030, AND 7.040 OF CITY OF MANZANITA ORDINANCE 95-4 RELATING TO ZONING AND DEVELOPMENT STANDARDS

WHEREAS, written notice of the proposed amendments was mailed to all property owners within the Manzanita Urban Growth Boundary as required by State Ballot Measure 56 codified in ORS Chapter 227; and,

WHEREAS, the Planning Commission conducted a public hearing on June 12, 2006 and received public testimony on the proposed changes; and,

WHEREAS, the Planning Commission has recommended modifying the Introduction section of the City of Manzanita Comprehensive Plan and adoption of several amendments, deletions and additions to Zoning Ordinance 95-4; and,

WHEREAS, the City Council conducted a public hearing on August 23, 2006 and received public testimony on the proposed changes; and,

WHEREAS, the City Council has adopted findings and conclusions which support the following changes to the Comprehensive Plan and the Zoning Ordinance; now, therefore,

THE CITY OF MANZANITA DOES ORDAIN AS FOLLOWS:

SECTION 1. The Introduction on page 1 of the City of Manzanita Comprehensive Plan is hereby amended to read as follows:

"INTRODUCTION

The Comprehensive Plan is the most important land use document of the City of Manzanita. Its purpose is to establish goals, objectives and policies for the future of the community. The Comprehensive Plan has the force of law. It is intended to guide development in a way that is in keeping with the desires of the majority of the citizens and property owners in the City and Urban Growth Area.

Citizens, members of the Planning Commission and City Staff participated in the preparation of this plan. Through sound planning, the goal is to achieve conditions for living and recreation which will be of greatest value to residents of the City, both permanent and temporary.

The plan is not static. This document is the update of the original plan which was prepared in 1975, and revised in 1986, 1987, and 1990, and 1995. The plan must be kept up to date to deal with current conditions. In order to insure this, the plan and its implementing ordinances such as zoning and subdivision regulations must be revised...
periodically, in accordance with Land Conservation and Development Commission (LCDC) periodic review rules, approximately every five to seven years. The City reviews zoning and subdivision regulations annually, and often uses language provided in the Model Development Code for Small Cities. ORS 197.629 exempts a city with a population of less than 2,500 within its Urban Growth Boundary from a mandatory periodic review process.

The Comprehensive Plan was prepared under a grant from the Oregon Land Conservation and Development Commission, and is intended to conform with the requirements of the statewide planning goals and guidelines. The planning horizon for this document is the year 2010.”
