ORDINANCE NO. 1890 (Exhibit "A")
EXHIBIT "B"

Findings for Requested Annexation of Property, Withdrawal from the Newport Rural Fire Protection District and the Newport Library District, and Establishment of a Zoning Designation

FACTS

1. Bridgeview Enterprises, LLC, D & M Hurley, LLC, PAABS, LLC, RMK Properties (as tenants in common) (Kevin Cameron and Mel Hurley, Authorized Agents) filed an application on November 9, 2005, involving an annexation and withdrawal request and a Zoning Map amendment for the property to be annexed. The requests were given the Newport File No. 1-AX-05/5-Z-05. The subject property included Lincoln County Assessor's Map No. 11-11-4 Tax Lot 200 (east 40 acres). The application materials are hereby incorporated by reference and included signed Consents to Annex by the representatives of the property owners. The request was to (1) include a certain territory (consisting of the east 40 acres only of Assessor's Tax Map 11-11-4 Tax Lot 200 – the south half of the northwest quarter, Section 4, Township 11 South, Range 11 West, Willamette Meridian, Lincoln County (east 40 acres only)) into the Newport city limits through annexation; (2) amend the City of Newport Zoning Map to establish a zoning designation for the subject property of R-1/"Low Density Single-Family Residential" or R-2/"Medium Density Single-Family Residential" consistent with the existing Newport Comprehensive Plan designation of Low Density Residential which would allow those uses permitted outright and conditionally in either the R-1 or R-2 zone as specified in the Newport Zoning Ordinance (NZO) (Ordinance No. 1308, as amended) Section 2-2-1.025 (Residential Uses); and (3) withdrawal of said territory from the Newport Rural Fire Protection District and the Lincoln County Library District.

2. A Planning Staff Report was prepared for the public hearing. The minutes of the January 9, 2006, Commission meeting are hereby incorporated by reference. The Planning Commission heard a report from staff which included several items entered into the record and received testimony from the applicant's authorized agent Kevin Cameron (1595 Commercial Street NE, Salem, OR 97303) in person.    E. The complete set of application materials including consents to annex.

8. The applicable Newport Comprehensive Plan and Newport Zoning Ordinance (NZO) criteria for the requests are:

Ordinance No. _1890_ (Exhibit "B")
Criteria for the Proposed Annexation (NZO Section 2-5-6.020):
A. The required consents have been filed with the city; and
B. The territory to be annexed is within the acknowledged urban growth boundary (UGB); and
C. The territory to be annexed is contiguous to the existing city limits.

Criteria for the Proposed Withdrawal:
There are no specific criteria for the withdrawal from a district.

Criteria for the Proposed Zoning Map Amendments (NZO Section 2-5-6.030 and Section 2-5-5.005): Findings that the proposed zoning is consistent with the Comprehensive Plan Map, furthers a public necessity, and promotes the general welfare.

CONCLUSIONS

Annexation and Withdrawal Requests

1. NZO Section 2-5-6.020 provides the sole criterion for consideration of a request to annex under the Newport Zoning Ordinance. No development plan is required with annexation and future development of the property would need to comply with the applicable rules and regulations in place at such time as future development is proposed.

2. The Newport City Council concludes that NZO Section 2-5-6.020 (A) has been satisfied as the required consents for the property owners to be annexed are on file with the City of Newport in accordance with ORS 222.170. Currently, no one resides on the property and therefore no electorate consents are required.

3. The Newport City Council concludes that the criteria in NZO Section 2-5-6.020 (B) has been satisfied as the subject property is within the Newport Urban Growth Boundary as illustrated by Ordinance No. 1771 (which added the property to the Newport Urban Growth Boundary).

4. The Newport City Council concludes that NZO Section 2-5-6.020 (C) has been satisfied as the territory is contiguous to the existing city limits on both the west and north property lines of the property as illustrated on the Newport Zoning Map for the area.

5. Under the Newport Zoning Ordinance, there are not specific criteria for the withdrawal of property from the Lincoln County Library District or the Newport Rural Fire Protection District. The City Council concludes that as the City of Newport provides both library services and fire protection services, as a part of the annexation process, the subject property is also withdrawn from those districts as provided for in the Oregon Revised Statutes (ORS) 222.524.

Zoning Designation Request:

6. The Council concludes that a zoning designation of R-1/"Low Density Single-Family Residential" is in conformance with the NZO Section 2-5-6.030 requirement that the zoning designation conform to the Comprehensive Plan. The Comprehensive Plan designation of

Ordinance No. 1890 (Exhibit "B")
Low Density Residential is implemented by either the R-1/"Low Density Single-Family Residential" zone or the R-2/"Medium Density Single-Family Residential" zone. The zoning designation of R-1 zone was recommended by the Newport Planning Commission and the western portion of the property is currently designated R-1.

7. The Council concludes that zoning designation of R-1 is in conformance with the NZO Section 2-5-5.005 general direction to adopt amendments to the Zoning Map that further a public necessity and promote the general welfare. The Council in Ordinance No. 1771 (which added the subject property to the Urban Growth Boundary) contained findings that demonstrate compliance with the criteria. Based on the previous findings and because the Comprehensive Plan Map has designated the property to be Low Density Residential to implement the Comprehensive Plan (which establishes the limits of growth within the Urban Growth Boundary for the City of Newport to the year 2010), the City Council concludes that the application of an R-1 zone designation in conformance with the Comprehensive Plan would further a public necessity and promote the general welfare.

OVERALL CONCLUSION

Based on the staff report and attachments, the application material, and other evidence and testimony in the record, the City Council concludes that the requested annexation, withdrawal, and zone designations comply with the criteria established for approval of each of the requests under the applicable criteria as explained in the findings. The requested annexation, withdrawal, and establishment of a zone designation are hereby APPROVED.
