Finding No. 4

The Commission identifies the following, Oregon Revised Statute Chapter 222, as that relevant section of State Law, which allows annexation of property into a municipal boundary:

ORS 222.120
Procedure without election by city electors; hearing; ordinance subject to referendum.

(1) Except when expressly required to do so by the city charter, the legislative body of a city is not required to submit a proposal for annexation of territory to the electors of the city for their approval or rejection.

(2) When the legislative body of the city elects to dispense with submitting the question of the proposed annexation to the electors of the city, the legislative body of the city shall fix a day for a public hearing before the legislative body at which time the electors of the city may appear and be heard on the question of annexation.

(3) The city legislative body shall cause notice of the hearing to be published once each week for two successive weeks prior to the day of hearing, in a newspaper of general circulation in the city, and shall cause notices of the hearing to be posted in four public places in the city for a like period.

(4) After the hearing, the city legislative body may, by an ordinance containing a legal description of the territory in question:

(a) Declare that the territory is annexed to the city upon the condition that the majority of the votes cast in the territory is in favor of annexation;
(b) Declare that the territory is annexed to the city where electors or
landowners in the contiguous territory consented in writing to such
annexation, as provided in ORS 222.125 or 222.170, prior to the
public hearing held under subsection (2) of this section; or

(c) Declare that the territory is annexed to the city where the
Department of Human Services, prior to the public hearing held
under subsection (1) of this section, has issued a finding that a
danger to public health exists because of conditions within the
territory as provided by ORS 222.840 to 222.915.

(5) If the territory described in the ordinance issued under subsection (4) of
this section is a part less than the entire area of a district named in ORS
222.510, the ordinance may also declare that the territory is withdrawn
from the district on the effective date of the annexation or on any
subsequent date specified in the ordinance. However, if the affected
district is a district named in ORS 222.465, the effective date of the
withdrawal of territory shall be determined as provided in ORS 222.465.

(6) The ordinance referred to in subsection (4) of this section is subject to
referendum.

(7) For the purpose of this section, ORS 222.125 and 222.170, "owner" or
"landowner" means the legal owner of record or, where there is a recorded
land contract which is in force, the purchaser thereunder. If there is a
multiple ownership in a parcel of land each consenting owner shall be
counted as a fraction to the same extent as the interest of the owner in the
land bears in relation to the interest of the other owners and the same
fraction shall be applied to the parcel's land mass and assessed value for
purposes of the consent petition. If a corporation owns land in territory
proposed to be annexed, the corporation shall be considered the
individual owner of that land. [Amended by 1953 c.220 §2; 1955 c.51 §1;
1961 c.511 §1; 1967 c.624 §14; 1971 c.673 §2; 1985 c.702 §8; 1987
c.818 §11; 1993 c.18 §39]

ORS 222.125
Annexation by consent of all owners of land and majority of electors;
proclamation of annexation. The legislative body of a city need not call or hold
an election in the city or in any contiguous territory proposed to be annexed or
hold the hearing otherwise required under ORS 222.120 when all of the owners
of land in that territory and not less than 50 percent of the electors, if any,
residing in the territory consent in writing to the annexation of the land in the
territory and file a statement of their consent with the legislative body. Upon
receiving written consent to annexation by owners and electors under this
section, the legislative body of the city, by resolution or ordinance, may set the
final boundaries of the area to be annexed by a legal description and proclaim
the annexation. [1985 c.702 §3; 1987 c.738 §1]

Simply stated, the annexation may take place when owner(s) consent and if electors
reside the majority consent. This application is a Consent Application made by the
owner with no elector living on the property.

Proposed Finding No. 5
All owners of record have consented and no electors reside on the subject properties.

DECISION

BEFORE THE PLANNING COMMISSION
OF THE CITY OF ROSEBURG

In the matter of the application of Litherland for a Zone Change from County - Medium Industrial (M-2) to City - Heavy Industrial (M-3) on one parcel totaling approximately 15.18± acres, for that area located between current City Limits to the South; and, the Roseburg Urban Growth Boundary to the North; further described as Tax Lot 02600 in Section 18D, Township 27 South, Range 05 West Williamette Meridian, Douglas County Oregon, Tax Accounts R67493, R67507, R67444, and R67479.

The Roseburg Planning Commission makes the following findings to support a decision:

Finding No. 1
The applicant made said request in due format as provided by the City of Roseburg, applicable to a Comprehensive Plan Map Amendment and Zone change.

Finding No. 2
The subject property are adequately described as required for a Zone change request.

Finding No. 3
This matter came before the Planning Commission for public hearing on December 5, 2005 in the Council Chambers of Roseburg City Hall, 900 SE Douglas Avenue, Roseburg, Oregon.

Finding No. 4
Notice of the Quasi-Judicial public hearing was mailed to affected property owners a minimum of 20 days before the public hearing and notice was given by publication in the News Review, a newspaper of general circulation, at least 10 days prior to the date of the hearing.

Finding No. 5
Criterion contained in City of Roseburg Land Use and Development Ordinance Article 38 is applicable for evaluation of this application.
Finding No. 6
The subject property, 15.18± total acres, is situated on the North side of Diamond Lake Blvd (North Umpqua Highway). The subject parcel is further described as Tax Lot 02600 in Section 16D, in Township 27 South, Range 05 West Willamette Meridian and further identified as Tax Accounts R67493, R67507, R67444 and R67479; commonly known as 0 North Umpqua Highway.

Finding No. 7
No letters of remonstrance were received by the Roseburg Community Development Department.

The following policy statements contained within the Roseburg Urban Area Comprehensive Plan have been found to be relevant to the proposed Zone change:

Economic Policy No. 1
The City of Roseburg shall encourage economic growth by demonstrating a positive interest in existing and new industries, especially those providing above-average wage and salary levels, and increased variety of job opportunities, a rise in the standard of living, and utilization of the resident labor force.

Economic Policy No. 10
The City shall encourage research and development of products and markets resulting in more efficient use of under-utilized renewable and nonrenewable resources, including wood waste, recyclable materials and energy systems.

Finding No. 8
Criterion contained in City of Roseburg Land Use and Development Ordinance and Comprehensive Plan clearly define economic policies for the evaluation of this application. An application that brings forward, the possibility of stimulating new industrial growth and definitively quantifies as providing for future growth in the Roseburg area.

Transportation Policy No. 1
The City shall develop a transportation master plan which will serve as the basis for guiding surface transportation improvements in the Roseburg Urban Area. The master plan shall be coordinated with the transportation planning activities of Douglas County.

Transportation Policy No. 2
The City shall continue to work with Douglas County to ensure a continuous roadway system is maintained, and compatible classifications and standards are enforced throughout the urban area.
Finding No. 9
Criterion contained in City of Roseburg Land Use and Development Ordinance and Comprehensive Plan clearly define transportation policies for the evaluation of this application. The application as submitted does not warrant a Traffic Impact Study because a change from Medium Industrial to Heavy Industrial will not increase traffic trips beyond that already considered in the Roseburg Area Comprehensive Plan.

Urbanization Policy No. 3
The conversion of urbanizable land within the urban growth boundary to urban uses shall be guided by a growth management program which provides for the orderly and economically efficient extension of public facilities and services, while taking into consideration the need for an adequate supply of land to meet future housing requirements. The growth management program shall encourage the development of vacant lands that have urban services before the extension of services beyond presently served areas.

Finding No. 10
Criterion contained in City of Roseburg Land Use and Development Ordinance and Comprehensive Plan clearly define urbanization policies for the evaluation of this application. The application as presented does not conflict with present urbanization policies as presented.

Finding No. 11
The site appears suitable to the proposed zone with respect to the public health, safety and welfare of the surrounding area. The application as presented does not conflict with present community as presented.

Conclusion
Based on the above Staff Report and Proposed Findings of Fact it appears that the proposed Zoning Change request complies with criteria set forth in Article 38, Section 3.30.100 Zone Change of the City of Roseburg Land Use and Development Ordinance. Issues concerning permitted use site development will be reviewed by departments at time of application. If the applicant/owner or other chooses to a development process such as a variance, land division, conditional use then additional review will be required and a public hearing scheduled per Roseburg LUDO. The change in Zoning appears to comply with criteria set forth in LUDO Article 38, Section 3.30.100 of the City of Roseburg Land Use and Development Ordinance and Section 197.175 of the Oregon Revised Statues.
DECISION

In consideration of the foregoing Findings of Fact and Conclusions, the Planning Commission supports a recommendation to the City Council, APPROVAL of Planning File ZC-05-10 allowing a Zone change from County - Medium Industrial (M-2) to City - Heavy Industrial (M-3) for the subject lands.
