BACKGROUND

CPA2007-0003 proposes amendment of the Land Use Map and ZMA2007-0002 proposes amendment of the Zoning Map. Both amendments are requested in order to apply City land use and zoning for twenty eight (28) parcels annexed in March, 2005. Each of the parcels has continued to carry the Washington County R-6 (6 Units per Acre) designation, as depicted on the County’s Sunset West Community Plan map, since the time of annexation.

Uses. Staff performed a field survey of uses that occupy the subject parcels. The identified uses are noted in the following table.

Character. The majority of the subject parcels have been developed with single family dwellings and typical residential accessory structures. As noted above, several of the parcels have received preliminary approval to be developed into subdivisions.
Natural Resources. Washington County's Sunset West Community Plan map does not depict any significant natural resources in the area of the subject parcels.

ANALYSIS

COMPATIBILITY OF DESIGNATIONS

City of Beaverton Neighborhood Residential-Standard Density (NR-SD) land use designation. Section 3.13 of the Land Use Element of the Comprehensive Plan for the City of Beaverton details the City's Residential land use designations. One goal is identified for the Standard Density Residential designation, as follows:

"3.13.3 Goal: Establish Standard Density Residential areas to provide moderate sized lots for typical single family residences with private open space."

The policy of Section 3.13.3 includes the geographical determination that Standard Density Residential zoning designations are to be applied as shown in subsection 3.14 Comprehensive Plan and Zoning District Matrix.

Washington County R-6 District designation. The subject parcels are designated R-6 on the County's Sunset West Community Plan. Section 303-1 of the Washington County Community Development Code states that,

"The purpose of the R-6 District is to implement the policies of the Comprehensive Plan for areas designated for residential development at no more than six (6) units per acre and no less than five (5) units per acre, except as specified by Section 300-2, Section 300-5, or Section 303-6. The intent of the R-6 District is to provide the opportunity for more flexibility in development than is allowed in the R-5 District."

The UPAA excerpt, below, specifies that the County's R-6 designation is equivalent to the City's R-5 zoning designation.

Summary. The UPAA specifies a City R-5 designation for all twenty eight (28) parcels.
APPLICABLE ZONING DISTRICTS

The implementing zoning districts for the City's Neighborhood Residential-Standard Density (NR-SD) Comprehensive Plan designation are: R-7 and R-5. Properties within and around the subject parcels implement Neighborhood Residential-Standard Density (NR-SD) Comprehensive Plan designation as follows: the R-7 and R-5 zones are predominant on the east side of SW 173rd Avenue, south of Walker Road to SW Artesian Ln.

COUNTY RESPONSIBILITY TO NOTIFY

Special Policy II.A. of the UPAA states in part, "...the COUNTY will advise the CITY of adopted policies which apply to the annexed areas and the CITY shall determine whether CITY adoption is appropriate and act accordingly." The County has not advised the city of adopted policies which may apply to the annexed area.

PROCESS

THRESHOLD

The subject properties are all designated on the County's Sunset West Community Plan map as R-6, which, in a non-discretionary process, requires implementation of the City's R-5 zoning designation under the Urban Planning Area Agreement (UPAA).

Comprehensive Plan Process. Due to annexation of the subject parcels and the non-discretionary nature of the proposal, review and approval of this proposed Comprehensive Plan Map Amendment qualifies as a Non-Discretionary Amendment per Comprehensive Plan Section 1.3.

Development Code Process. Due to annexation of the subject parcels and the non-discretionary nature of the proposal, review and approval of this proposed Zoning Map Amendment qualifies as a Non-Discretionary Annexation Related Zoning Map Amendment per Development Code Section 40.97.15.3.A, which that states, "An application for Non-Discretionary Annexation Related Zoning Map Amendment shall be required when the following thresholds apply:

1. "The change of zoning to a City zoning designation as a result of annexation of land into the City."

2. "The Urban Planning Area Agreement (UPAA) is specific as to the City zoning designation to be applied to the parcel being annexed and does not allow for discretion."
SUBMISSION REQUIREMENTS

According to Development Code Section 40.97.15.3.D, an application for a Non-Discretionary Annexation Related Zoning Map Amendment shall be made by the submittal of a valid annexation petition or an executed annexation agreement. Because the annexation of the subject properties occurred as a result of an "island" annexation process under ORS 222.750, neither an annexation petition nor an annexation agreement was submitted. Instead, the City Council authorized initiation of the annexation by approval of a resolution. This City-initiated annexation was approved under Ordinance 4338.

PUBLIC NOTICE

Section 1.4.3.A of the Comprehensive Plan prescribes the notice to be provided for these types of applications.

Notice for Non-Discretionary Annexation Related Comprehensive Plan Map Amendments must be provided, as indicated below, not less than twenty (20) calendar days prior to when the item first appears on the City Council's agenda.

1. Legal notice was published in the Beaverton Valley Times on February 1, 2007.
2. Notice was mailed to the 5 Oaks/Triple Creek Neighborhood Association Committee, Sunset West/ Rock Creek/ Bethany Citizen Participation Organization (CPO 7), Chair of the Committee for Citizen Involvement (CCI), and to the subject property owners on February 1, 2007.
3. Notice was posted on the City's website on February 1, 2007.

The City Council has not directed staff to provide additional notice for this amendment beyond the notices described above. The notice requirements for this CPA/ZMA have been met.

CRITERIA FOR APPROVAL

COMPREHENSIVE PLAN AMENDMENT CRITERIA

Comprehensive Plan Section 1.5.2.A specifies that non-discretionary annexation related map amendments need not comply with Plan criteria because they are not land use decisions under Oregon Statutes and are those stipulated by Exhibit "B" of the Urban Planning Area Agreement. Findings to address Comprehensive Plan sections which address Statewide Planning Goals and Metro Urban Growth Regional Framework Plan criteria are therefore regarded as not applicable to this proposal.
ZONING MAP AMENDMENT CRITERIA

Development Code Section 40.97.15.3.C., which contains Non-Discretionary Annexation Related Zoning Map Amendment Approval Criteria, states:

"In order to approve a Non-Discretionary Annexation Related Zoning Map Amendment application, the decision making authority shall make findings of fact based on evidence provided by the applicant demonstrating that all the following criteria are satisfied:"

1. **The proposal satisfies the threshold requirements for a Non Discretionary Annexation Related Zoning Map Amendment application.**

Section 40.97.15.3.A.1 Threshold, states, "The change of zoning to a City zoning designation as a result of annexation of land into the City." The zone change is requested in order to apply City land use and zoning for twenty eight (28) parcels annexed in March, 2005. Each of the twenty eight (28) parcels has continued to carry the Washington County R-6 (6 Units per Acre) designation, as depicted on the County's Sunset West Community Plan map, since the time of annexation.

Section 40.97.15.3.A.2 Threshold, states, "The Urban Planning Area Agreement (UPAA) is specific as to the City zoning designation to be applied to the parcel being annexed and does not allow for discretion." As noted in the Process section of this report, the UPAA specifies a City R-5 designation for the County R-6 designation. Therefore, no discretion is required in determining the appropriate zoning designation.

Finding: Staff finds that the request satisfies the threshold requirements for a Non Discretionary Annexation Related Zoning Map Amendment application.

2. **All City application fees related to the application under consideration by the decision making authority have been submitted.**

The City is assuming the role of the applicant in this proposed zoning map amendment. Fees have not been submitted for review of the application as the City does not require collection of fees from itself.

Finding: Staff finds that this criterion is not applicable.

3. **The proposal contains all applicable application submittal requirements as specified in Section 50.25.1 of the Development Code.**

Development Code Section 50.25.1 states, "Non-Discretionary Annexation Related Zoning Map Amendment and Discretionary Annexation Zoning Map Amendment applications processed by the City shall be determined to be complete upon submittal of a valid annexation petition or executed annexation agreement." Because the annexation of the subject properties occurred as a result of an "island" annexation process under ORS 222.750, neither an annexation petition nor an annexation...
agreement was submitted. Instead, the City Council authorized initiation of the annexation by approval of a resolution. This City-initiated annexation was approved under Ordinance 4338.

Finding: Staff finds that the request satisfies the application submittal requirements for a Non Discretionary Annexation Related Zoning Map Amendment application.

4. The proposed zoning designation is consistent with the Washington County - Beaverton UPAA.

The UPAA is specific for the proposed amendment:
- Washington County Residential – 6 units per acre, goes to R-5, Residential – 5,000 square feet per principal dwelling unit.

No discretion is being exercised in assigning the zoning designation.

The UPAA requires the City to review the appropriate Community Plan which in this case is the Sunset West Community Plan. The subject properties are not in an Area of Special Concern, and have no specific design elements applicable to them.

Finding: The R-5 designation is specified by, and is therefore consistent with, the Washington County - Beaverton UPAA.

5. Applications and documents related to the request, which will require further City approval, shall be submitted to the City in proper sequence.

No further applications and documents are required of this request.

Finding: Staff find that this criterion is not applicable.

CONCLUSION

Based on the facts and findings in this report, staff concludes that amending the Comprehensive Plan Land Use Map to depict the City’s Neighborhood Residential-Standard Density (NR-SD) land use designation and amending the City’s Zoning Map to depict the City’s Urban Standard Density Residential (R-5) zoning district is appropriate for the subject parcels.
