7. Following the City Council public hearing and deliberation on February 20, 2007, the Council voted to approve the requested amendments.

8. The City Council finds that the applicable criteria are as follows:

   A. Criteria for the Proposed Comprehensive Plan Map Minor Amendment (p. 286 of the Comprehensive Plan):
      1. Change in one or more goal or policy; and
      2. Demonstrated need to accommodate unpredicted population trends, housing needs, employment needs, or change in community attitudes; and
      3. Orderly and economic provision of key public facilities; and
      4. Ability to serve the subject property with City services without an undue burden on the general population; and
      5. Compatibility of the proposed change with the surrounding neighborhood and community.

   B. Criteria for the Proposed Zoning Map Amendments (Section 2-5-5.005) of the Newport Zoning Ordinance (No. 1308, as amended):
1. The change furthers a public necessity.
2. The change promotes the general welfare.

CONCLUSIONS

1. The City Council concludes that the following findings demonstrate compliance with the applicable criteria for a Minor Comprehensive Plan Amendment as follows:

A. Findings as applicable addressing whether or not there is: "A change in one or more goal or policy".

1. In 2006, the City of Newport in Ordinance No. 1891 adopted Implementation Measure 2 as part of Goal 1, Policy 1 of the Economic Section of the Newport Comprehensive Plan which is a change in one or more goal or policy. Implementation Measure 2 addresses the future need for commercial land in Newport as follows:

North of Yaquina Bay, the City will focus on the redevelopment and/or conversion of existing areas for commercial uses to encourage efficient use of land already developed with urban level services that are currently underdeveloped or underutilized. The City will also examine areas in the downtown area down to the Bayfront and west of the downtown area between Highway 101 and the Nye Beach area for potential conversion to commercial Comprehensive Plan designations and Zones or other such designations that may provide for additional commercial opportunities.

B. Findings as applicable addressing whether or not there are: "Demonstrated need to accommodate unpredicted population trends, housing needs, employment needs, or change in community attitudes."

1. The updated Economic Section of the Newport Comprehensive Plan adopted in 2006 identifies a need for commercial land to provide employment opportunities. In Table 4 (Gross Need For Commercial and Industrial Land, 2005-2025) of the Economic Section, under the medium growth scenario, 14.0 acres of office commercial and 201.6 acres of retail commercial will be needed over the 20 year period. The change from Public to Commercial of the former City Hall building will help meet the demonstrated need for commercial land for employment needs.

C. Findings as applicable addressing whether or not there are: "Orderly and economic provision of key public facilities."

1. The former City Hall property is already served with existing public facilities.
D. Findings as applicable addressing whether or not there is an: "Ability to serve the subject property with City services without an undue burden on the general population."

1. The former City Hall is already served by City services and the change in Comprehensive Plan designation from "Public" to "Commercial" will not place an undue burden on the general population.

E. Findings as applicable addressing the: "Compatibility of the proposed change with the surrounding neighborhood and community."

1. The former City Hall property is in an area of other commercial, religious, public and residential uses. The former City Hall was previously used for office space by the City of Newport as part of the City Hall operations. The proposed Commercial designation is consistent with the Commercial designation of much of the surrounding property.

2. No significant adverse impacts on the neighborhood or community are expected to result from the changes in the Comprehensive Plan designation to a Commercial designation. Moreover, the existing former City Hall building has been vacant since the city hall operations were moved to the current City Hall building at 169 SW Coast Hwy. The former City Hall building is an important anchor to the Newport City Center area and providing for the utilization of the building will improve the City Center area over the current situation of a vacant building.

2. The City Council concludes as follows regarding State Land Use Goals/Administrative Rule Requirements:

A. In regard to Statewide Planning Goal 1 (Citizen Involvement), the acknowledged Newport Comprehensive Plan establishes the City of Newport's Goal 1 program on pages 291 and 292. In regard to the specific Policies and Implementation Measures, the following information is provided demonstrating conformance with the goal of encouraging citizen involvement:

1. Policy 1 contains at least three possible implementation measures (IM) to implement Policy 1 requirements of encouraging public involvement that may be or not be applicable depending on the nature of the proposed amendment. The City may use any one of the three implementation methods (or combinations thereof) to meet the Policy 1 requirements of encouraging public involvement. Additionally, as the City undertook the process of amending the Comprehensive Plan map, additional opportunities for public involvement did occur.
A. Policy 1, IM 1 (Planning Commission to serve as official Citizens' Advisory Committee to the City Council / appointment of a Citizens' Advisory Committee on major changes). Under Policy 1, IM 1, the Newport Planning Commission is the official Citizens' Advisory Committee to the City Council and the Planning Commission will hold a public hearing for the purpose of reviewing the proposed amendments and making a recommendation to the City Council. If the Planning Commission determines that a major legislative change is under consideration, the Commission may designate a Citizens' Advisory Committee for the purposes of using Policy 1 IM 1 as a means to encourage public involvement. This amendment is a quasi-judicial minor comprehensive plan amendment and therefore not a major legislative change.

B. Policy 1, IM 2 in the first part addresses possible City promotion or assistance to neighborhood organizations to assist in decision making. The second part of Policy 1, IM 2 relates to allowing the Council or Commission to hold meetings in neighborhoods affected by issues under consideration. Both the first and second parts are at the discretion of the Council or Commission and are not a specific requirement prior to amendment adoption.

C. Policy 1, IM 3 allows for the formation of an ad hoc advisory committee for the study of an important issue. As this is a quasi-judicial minor comprehensive plan amendment rather than a major legislative change, no formation of an ad hoc advisory committee is required.

2. Policy 2 relates to encouraging the participation of citizens in the legislative stage of plan and ordinance development rather than in the quasi-judicial stage. The proposed comprehensive plan amendment is a quasi-judicial amendment (not a legislative amendment) and therefore this policy is not applicable.

B. In regard to Statewide Planning Goal 2 (Land Use Planning), the City of Newport's Comprehensive Plan has been acknowledged as being in compliance with the Statewide Planning Goals, including Goal 2. The Newport Comprehensive Plan section entitled "Administration of the Plan" specifies how amendments to the plan are made. The proposed amendment will follow the requirements for an amendment found in the Newport Comprehensive Plan and will therefore be in compliance with Statewide Planning Goal 2.
C. In regard to Statewide Planning Goal 3 (Agricultural Lands), Goal 4 (Forest Lands), Goal 5 (Open Spaces, Scenic and Historic Areas and Natural Resources), Goal 6 (Air, Water and Land Resources Policy), Goal 7 (Areas Subject to Natural Disasters and Hazards), Goal 8 (Recreation Needs), Goal 10 (Housing), Goal 11 (Public Facilities and Services), Goal 13 (Energy Conservation), Goal 14 (Urbanization), Goal 16 (Estuarine Resources), Goal 17 (Coastal Shorelands), and Goal 18 (Beaches and Dunes), there are no applicable requirements in these goals in regard to the proposed comprehensive plan amendment.

D. In regard to Statewide Planning Goal 9 (Economic Development), the City of Newport recently adopted an updated Comprehensive Plan Economic Section (File No. 2-CP-05) on June 5, 2006, in Ordinance No. 1891, which became effective on July 5, 2006. To meet the Goal 9 requirements of maintaining at least an adequate supply of commercial land consistent with plan policies, the City of Newport adopted Goal 1, Policy 1, Implementation Measures 1 and 2. The proposed Comprehensive Plan amendment is consistent with Implementation Measure 2 to increase commercial opportunities north of the Yaquina Bay through redevelopment and utilization of underutilized properties. Therefore the change to Commercial will be consistent with the City's adopted Economic Section implementing the Statewide Goal 9 requirements.

F. In regard to Statewide Planning Goal 12 and the implementing Transportation Planning Rule requirements, the proposed amendment will not significantly affect transportation facilities pursuant to OAR 660-012-0060 (1) as both the acreage involved in the amendment is small (less than 15,000 square feet) and the previous use was a public office use (former City Hall) similar to a commercial office use.

G. In regard to Statewide Planning Goal 15 (Willamette River Greenway) and Goal 19 (Ocean Resources), the proposed Comprehensive Plan map amendment will not have an impact on either of these two Goals as Statewide Planning Goal 15 involves land along the Willamette River and Statewide Planning Goal 19 involves Ocean Resources.

3. The City Council concludes as follows regarding the applicable criteria for the proposed Zoning Map amendment:

A. The change furthers a public necessity and promotes the general welfare.

1. The requested Zoning Map amendment accompanies a request for a Comprehensive Plan Map amendment. The reasons for the request are consistent with Implementation Measure 2 of Goal 1, Policy 1 of the Economic Section of the Newport Comprehensive Plan. As the Comprehensive Plan provides the land use policies for the City of Newport, it can be considered as furthering a public necessity and
promoting the general welfare by adopting a Zoning Map amendment consistent with a Comprehensive Plan Map amendment which is adopted in conformance with the Comprehensive Plan policies.

OVERALL CONCLUSION

Based on the Planning Staff Report and attachments, and other evidence and testimony in the record, the City Council concludes that the above findings of fact and conclusions demonstrate compliance with the applicable criteria and the requested amendments are hereby APPROVED.
