CITY OF BAY CITY

ORDINANCE # 640

AN ORDINANCE AMENDING THE BAY CITY DEVELOPMENT ORDINANCES 374 AND 597 REGARDING ZERO LOT LINE DEVELOPMENTS AND DECLARING AN EMERGENCY

The City of Bay City ordains that the Bay City Development Ordinance #374 and Bay City Ordinance #597 shall be modified, as follows:

Section 1. Section 1.3, Land Use Matrix, (37) Zero Lot Line Development shall be amended from an "O" Outright Permitted Use to a "C" Conditional Use.

Section 2. Section 1.503 shall read as follows:

Single family and duplex development is permitted as an outright use in the moderate intensity zone. Zero Lot Line Developments are permitted as a conditional use in the Moderate Intensity Zone subject to specific standards as long as each lot maintains a minimum lot width of 30 feet and the parent lot is a minimum of 10,000 square feet. Larger developments, including duplexes built as part of a larger Planned Development, and non-residential uses are intended to be reviewed by the Planning Commission. The criteria of a Conditional Use are included in this Ordinance, Article 2 Conditional Uses and under the Zone standards of this ordinance.

Section 3. Section 3.303, Zero Lot Line Setback, shall read as follows:

(1) In the High Intensity Commercial Zone, through the Conditional Use Procedure, the Planning Commission may permit setbacks from lot lines to be 0’ feet provided that the development proposal maintains allowable height, allowable lot coverage, provides required parking and landscaping, meets the requirements of the International Fire Code and meets the requirements of the Building Code and meets all other requirements and standards applicable to it.

(2) Side yard requirements do not apply to the common property line established to divide an existing two family dwelling unit into separate parcels to create a new zero lot line development, subject to the following standards:
a. A partition plat has been approved and recorded or an adjusted lot line is surveyed, monumented and the survey is recorded with the County Surveyor.

b. Deed covenants and restrictions (CC&Rs) applicable to all parcels be recorded with the Tillamook County Clerk to require uniform exterior physical appearance, characteristics and maintenance standards for structures sharing a common lot line and the open space area of the zero lot line development and referenced on the approved partition plat and/or adjusted lot line with the legal descriptions. Copies of each recorded/filed document shall be provided to the City of Bay City.

c. The property has existing on it a two family dwelling unit:

1) Sharing a common interior fire wall, extending to the roofline;
2) The common interior wall is or will be located on the common boundary line;
3) The common interior fire wall shall extend for the entire height and the length or width of the structure for a distance of at least 20 consecutive feet;
4) The parent lot is comprised of at least 10,000 square foot minimum lot size prior to partitioning the property or the lot line adjustment;
5) The structure meets the applicable building and related code requirements; and
6) Each dwelling unit shall be connected to an independent electrical, sewer, and water service, including electrical meters and water meters.

Section 4. Continued Effect. All other provisions of Bay City Development Ordinance #374 and of Bay City Ordinance #597 not specifically modified herein, shall continue unchanged and in full force and effect.

Section 5. Emergency. The City declares an emergency to exist and finds that immediate adoption of the Ordinance is necessary to protect the health, safety and welfare of its residents. This Ordinance shall become effective immediately after its adoption by the City Council and approval of the Mayor.

PASSED AND ADOPTED by the Bay City Council this 7th day of September, 2008 and APPROVED by the Mayor this 9th day of September, 2008.
