Mayor Pro Tem
PROPOSAL: APPLY CITY'S NEIGHBORHOOD RESIDENTIAL STANDARD DENSITY PLAN DESIGNATION AND R-7 ZONING.
TO: City Council
AGENDA DATE: October 6, 2008 REPORT DATE: September 29, 2008
FROM: Jeff Salvon, Associate Planner
APPLICATIONS: CPA2008-0007 (16960 SW Spellman Dr. Land Use Map Amendment)
ZMA2008-0008 (16960 SW Spellman Dr. Zoning Map Amendment)
LOCATION: The southeast corner of SW Spellman Rd. and SW 170th Ave. in western Beaverton. The parcel is identified as tax lot 1S130DD01700.
NEIGHBORHOOD ASSOCIATION: Sexton Mountain Neighborhood Association Committee
REQUEST: Apply the City’s Neighborhood Residential Standard Density (NR-SD) land use designation and the City’s Urban Standard Density (R-7) zoning designation to the subject parcel.
APPLICANT: City of Beaverton Community Development Director
APPROVAL CRITERIA: Comprehensive Plan Section 1.5.2 and the Development Code Section 40.97.15.3.C
RECOMMENDATION: Staff recommends the City Council adopt an ordinance applying the Neighborhood Residential Standard Density (NR-SD) land use designation and the City’s Urban Standard Density (R-7) zoning designation to the subject parcel effective upon the parcel’s annexation.
BACKGROUND

CPA2008-0007 proposes amendment of the Land Use Map and ZMA2008-0008 proposes amendment of the Zoning Map. Both amendments are requested in order to apply City land use and zoning to the subject parcel which is currently annexing into the City. The parcel currently carries the Washington County R-5 (Residential 5 Units per Acre) designation, as depicted on the County’s Aloha – Reedville - Cooper Mountain Community Plan Map.

EXISTING CONDITIONS

Uses. Staff performed a field survey and observed that the parcel supports a single family residential dwelling. The size of the dwelling amounts to approximately 3,440 square feet of livable floor area.

Character. The property is located at the intersection of SW Spellman Drive, a County maintained street classified on the County’s Functional Classification Map as a local street and SW 170th Avenue which is classified as an collector. The property is nicely landscaped with rich vegetation and on a declining slope that falls with an eastern aspect. Storm water runoff is absorbed into the soil or directed to the to SW 170th Avenue.

Natural Resources. Washington County’s Aloha – Reedville - Cooper Mountain Community Plan Map does not depict any significant natural resources on the subject parcel.

ANALYSIS

COMPATIBILITY OF LAND USE DESIGNATIONS

City of Beaverton Neighborhood Residential - Standard Density land use designation. Section 3.13 of the Land Use Element of the Comprehensive Plan for the City of Beaverton details the City’s residential land use designations. One goal is identified for the Standard Density Residential designation, as follows:

“3.13.3 Goal: Establish Standard Density Residential areas to provide moderate sized lots for typical single family residences with private open space.”

The policies of Section 3.13.3 include a directive that the City “[a]ply zoning districts as shown in subsection 3.14 Comprehensive Plan and Zoning District Matrix to allow a variety of housing choices.” The proposal is to apply the City’s Neighborhood Residential – Standard Density plan designation and to apply the appropriate zone for the property consistent with the Zoning District Matrix. The subject parcel encompasses approximately 0.4 acres, supports a single family dwelling, and conforms to Section 3.13.3 of the Comprehensive Plan.
COMPATIBILITY OF ZONING DISTRICTS

The implementing zoning districts for the City’s Neighborhood Residential-Standard Density (NR-SD) Comprehensive Plan designation are R-5 and R-7. Nearly all parcels in the Madrona Terrace Subdivision of which the subject parcel is included, carry the County’s R5 zoning. The Washington County-Beaverton Urban Planning Area Agreement has established the County’s R5 zone to be the equivalent of the City’s R7 zone. Additionally, the neighboring property to the east which was annexed into the City in January 2006 carries the City’s R7 zoning. The proposal to apply the City’s R-7 zoning is therefore compatible with existing zoning in the area.

Washington County R-5 District designation. The subject parcel is designated R-5 on the County’s Aloha-Reedville-Cooper Mountain Community Plan. Section 302-1 of the Washington County Community Development Code states that:

The R-5 District is intended to implement the policies of the Comprehensive Plan for areas designated for residential development at no more than five (5) units per acre and no less than four (4) units per acre, except as specified otherwise by Section 300-2, Section 300-5, or Section 302-6. The primary purpose is to protect existing neighborhoods developed at five (5) units per acre or less.

The excerpt below, from the Washington County – Beaverton Urban Planning Area Agreement (UPAA), specifies that the County’s R-5 land use designation is equivalent to the City’s R-7 zoning designation.

Summary. The UPAA specifies an application of the City’s NR-SD Plan designation and R-7 Zone for the subject parcel. The designations specified in the UPAA are consistent with the City’s planning goals and policies, compatible with zoning applied to adjacent property, and conform with specifications in the Comprehensive Plan and Zoning District Matrix.

COUNTY RESPONSIBILITY TO NOTIFY

Special Policy II.A. of the UPAA states in part, “...the COUNTY will advise the CITY of adopted policies which apply to the annexed areas and the CITY shall determine...”
whether CITY adoption is appropriate and act accordingly.” The County has not
advised the city of adopted policies which may apply to the annexed area.

PROCESS

THRESHOLD

The subject property is designated on the County’s Aloha-Reedville-Cooper Mountain
Community Plan Map as R-5, which, in a non-discretionary process, requires
implementation of the City’s R-7 zoning designation under the Urban Planning Area
Agreement (UPAA).

Comprehensive Plan Process. Due to annexation of the subject parcel and the non-
discretionary nature of the proposal, review and approval of this proposed
Comprehensive Plan Map Amendment qualifies as a Non-Discretionary Amendment per
Comprehensive Plan Section 1.3.

Development Code Process. Due to annexation of the subject parcel and the non-
discretionary nature of the proposal, review and approval of this proposed Zoning Map
Amendment qualifies as a Non-Discretionary Annexation Related Zoning Map
Amendment per Development Code Section 40.97.15.3.A, which states that, “An
application for Non-Discretionary Annexation Related Zoning Map Amendment shall be
required when the following thresholds apply:

1. “The change of zoning to a City zoning designation as a result of annexation
   of land into the City.”

2. “The Urban Planning Area Agreement (UPAA) is specific as to the City zoning
designation to be applied to the parcel being annexed and does not allow for
discretion.”

Thresholds 1 and 2 above both apply to the proposal.

SUBMISSION REQUIREMENTS

According to Development Code Section 40.97.15.3.D. “An application for a Non-
Discretionary Annexation Related Zoning Map Amendment may be initiated by the
pursuant to Section 10.40 after:

2. The submittal of a valid annexation petition;

The proposal to annex the subject property was owner initiated with consent of the
property owner and electors under ORS 222.125, and an annexation petition was
submitted. First reading to consider annexation of the subject property is scheduled on
the Council’s October 6, 2008 agenda with the second reading scheduled for October
20, 2008. This proposal to assign plan and zone designations to the property will occur
concurrently with the annexation proposal. Proposed plan and zone amendments will
be contingent upon annexation of the subject parcel.
PUBLIC NOTICE

Section 1.4.3.A of the Comprehensive Plan prescribes the notice to be provided for these types of applications.

Notice for Non-Discretionary Annexation Related Comprehensive Plan Map Amendments must be provided, as indicated below, not less than twenty (20) and not more than forty (40) calendar days prior to when the item first appears on the City Council’s agenda.

1. Legal notice was published in the Beaverton Valley Times on August 28, 2008.
2. Notice was mailed to the Sexton Mountain Neighborhood Association Committee, Aloha – Reedville – Cooper Mountain Citizen Participation Organization (CPO 6), Chair of the Committee for Citizen Involvement (CCI), the Washington County Department of Land Use and Transportation (DLUT), and to the subject property owner on September 4, 2008.
3. Notice was posted on the City’s website on August 29, 2008.

The City Council has not directed staff to provide additional notice for this amendment beyond the notices described above. The notice requirements for this CPA/ZMA have been met.

CRITERIA FOR APPROVAL

COMPREHENSIVE PLAN AMENDMENT CRITERIA

Comprehensive Plan Section 1.5.2.A specifies that non-discretionary annexation related map amendments need not comply with Plan criteria because they are not land use decisions under Oregon Statutes and are stipulated by Exhibit “B” of the Urban Planning Area Agreement. Findings to address Comprehensive Plan sections which address Statewide Planning Goals and Metro Urban Growth Regional Framework Plan criteria are therefore regarded as not applicable to this proposal.

ZONING MAP AMENDMENT CRITERIA

Development Code Section 40.97.15.3.C., which contains Non-Discretionary Annexation Related Zoning Map Amendment Approval Criteria, states:

“In order to approve a Non-Discretionary Annexation Related Zoning Map Amendment application, the decision making authority shall make findings of fact based on evidence provided by the applicant demonstrating that all the following criteria are satisfied:"

1. The proposal satisfies the threshold requirements for a Non Discretionary
Annexation Related Zoning Map Amendment application.

Section 40.97.15.3.A. Threshold, states:
"An application for Annexation Related Zoning Map Amendment shall be required when one or more of the following thresholds apply:

1. The change of zoning to a City zoning designation as a result of annexation of land into the City.

2. The Urban Planning Area Agreement (UPAA) is specific as to the City zoning designation to be applied to the parcel being annexed and does not allow for discretion."

The zone change is requested in order to apply City land use and zoning to the subject parcel in the process of annexing into the City. The parcel carries the Washington County R-5 designation, as depicted on the County’s Aloha – Reedville – Cooper Mountain Community Plan Map.

As noted in the Process section of this report, the UPAA specifies a City R-7 zoning designation for the County R-5 designation. Therefore, no discretion is required in determining the appropriate zoning designation.

Finding: Staff finds that the request satisfies the threshold requirements for a Non-Discretionary Annexation Related Zoning Map Amendment application.

2. All City application fees related to the application under consideration by the decision making authority have been submitted.

The City is assuming the role of the applicant in this proposed zoning map amendment. Fees have not been submitted for review of the application as the City does not require collection of fees from itself.

Finding: Staff finds that this criterion is not applicable.

3. The proposal contains all applicable application submittal requirements as specified in Section 50.25.1 of the Development Code.

Development Code Section 50.25.1 states, “Non-Discretionary Annexation Related Zoning Map Amendment and Discretionary Annexation Zoning Map Amendment applications processed by the City shall be determined to be complete upon submittal of a valid annexation petition or executed annexation agreement.” The subject annexation was petitioned with the owners’ consent under ORS 222.125. City Council will consider approval of the owner-initiated annexation on October 6, 2008 concurrent with this proposal. This approval of this proposal is contingent upon annexation approval of the subject property.
Finding: Staff finds that the request satisfies the application submittal requirements for a Non-Discretionary Annexation Related Zoning Map Amendment application.

4. The proposed zoning designation is consistent with the Washington County - Beaverton UPAA.

As noted in the Analysis section of this report, the UPAA is specific for the proposed amendment. Washington County R-5 goes to City R-7.

Finding: The R-7 zoning district is specified by, and is therefore consistent with, the Washington County – Beaverton UPAA.

5. Applications and documents related to the request, which will require further City approval, shall be submitted to the City in proper sequence.

No further applications and documents are required of this request.

Finding: Staff find that this criterion is not applicable.

CONCLUSION

Based on the facts and findings presented, staff concludes that amending the Comprehensive Plan Land Use Map to depict the City's Neighborhood Residential - Standard Density (NR-SD) land use designation and amending the City's Zoning Map to depict the City's Urban Standard Density R-7 zoning district is appropriate for the subject parcel and is consistent with the Washington County – Beaverton Urban Planning Area Agreement.
