ATTEST:

City Recorder, Joyce Meffington
Subject: A hearing on Files LDC-3,4,5,6,7-08 to consider revisions to:
Chapter 17.16, Suburban Residential (SR);
Chapter 17.20, Single Family Residential (R-1);
Chapter 17.24, Two-Family Residential (R-2);
Chapter 17.28, Multi-Family Residential (R-3);
Chapter 17.32, Manufactured Home Residential (R-MH);

Recommended Motion: Motion to approve Files LDC-4/5/6/7-08 making revisions to the above Chapters.

Financial Impact: None.

Background/Discussion: The City's Land Development Code (LDC) Committee reviewed and made revisions to all the Residential Chapters in the BMC. The revisions to all 5 Chapters are virtually the same. Most of the revisions were to correct redundancies, put items in more appropriate Sections, and clarify language. Following are some of the more important changes:

- Under 17.16.020, Permitted Uses. The requirement to have a garage or carport when siting a dwelling was added. This was added for consistency as the Code currently requires a garage or carport when siting a manufactured dwelling.
- In 17.16.030, Accessory Uses, (C) and (D) were added.
- 17.16.040, Conditional Uses. Several uses listed needed specific Conditional Use Standards and a reference to where those are found.
- 17.16.040 (R), Short Term Rentals. This was added to the SR zone as it's allowed in all other Residential zones.
- 17.16.040 (T), Temporary Living Quarters for Caretakers. This was added in response to numerous requests for this use in the past.
- 17.16.120, Dwelling Groups was moved to 17.124.180, Specific Standards Applying to Conditional Uses. Dwelling groups are a type of Conditional Use and the standards for approval need to be in the Chapter dealing with that.

BACKGROUND INFORMATION
The City’s Land Development Code (LDC) Committee reviewed and made revisions to the Residential Chapter listed above. These revisions are identical to the changes made to Chapter 17.16, Suburban Residential (SR) that you reviewed at your last meeting with the exception of the following:

- The title of Chapter 17.32 is being changed from “Mobile Home Residential” to “Manufactured Home Residential”.

At your May 6th meeting staff mentioned the possible inclusion of additional commercial uses in the conditional use section of these zones. After considerable discussion with the LDC Committee, it was decided to postpone the consideration of those revisions for the present time. At a future date a workshop will be scheduled to discuss this further.

Following this report is the draft version of Chapters 17.20, 17.24, 17.28, 17.32, BMC (Attachment A).
