Subject: A hearing on File LDC-11-08 to consider revisions to Chapter 17.52, General Commercial (C-3) of the Brookings Municipal Code (BMC).

Recommended Motion: Motion to approve File LDC-11-08 making revisions to the above Chapter after deliberation and consideration of any input the public may provide and direct staff to prepare an adopting ordinance.

Background/Discussion: The City’s Land Development Code (LDC) Committee reviewed and made revisions to Chapter 17.52, General Commercial (C-3) District, BMC. Most of the revisions were to insert additional permitted and conditional uses, put items in more appropriate Sections, and clarify language. The Planning Commission reviewed the revisions and after debating the requirements for auto dealerships, hospitals, motels, and hotels recommend approval. Following are some of the more important changes:

- Under 17.52.020, Permitted Uses. Additions to dwellings and (M) Hospitals and outpatient medical clinics were added. The examples of light service shops were expanded. (N) Motels and hotels were made a stand-alone use separate from (B) One or more dwellings, not on the ground floor.
- Under 17.52.030, Accessory uses. Accessory uses for dwellings were added to be consistent with residential uses in other zones.
- Under 17.52.040 Conditional uses. Language was added to (F) Veterinarians and animal hospitals to clarify that the boarding of animals is not allowed unless they are being treated at the facility. Several new uses were added in (K), (L), (M), and (N).
- Under 17.52.080, Other required conditions. Provisions for temporary sales were added. (E) through (H) were moved from other sections of the code to be more easily found here. (I) was added to address concerns raised by citizens regarding the appearance of commercial dumpsters.

Subject: A hearing on File LDC-11-08 to consider revisions to Chapter 17.52, General Commercial (C-3) of the Brookings Municipal Code (BMC).

Recommended Motion: Motion to approve File LDC-11-08 making revisions to the above Chapter after deliberation and direct staff to prepare an adopting ordinance.

Financial Impact: None

Background/Discussion: The proposed revisions to Chapter 17.52, General Commercial (C-3) District, BMC came before you at the September 22, 2008 meeting. After public input and discussion, the Council voted to send this Chapter back for additional revisions by staff. There were two issues about which concerns were expressed – should car sales continue to be a conditionally permitted use or allowed as an outright permitted use, and how to handle outside sales and storage of merchandise. Staff and the Land Development Code Committee propose the following revisions, in the attached Chapter.

- Automobile, boat, truck, or trailer sales, service or repair remains a conditionally permitted use. Attachment B is pages from the Downtown Brookings Masterplan which address car sales. This plan was a vision developed by a large group of more than 75 community members over several years and was approved by City Council in 2003. The plan made no provisions for car sales, as seen in Attachment B. As a compromise, Staff believes leaving car sales as a conditionally permitted use would be appropriate.

- Under 17.52.080, Other RequiredConditions. Provisions for display of outside equipment and outside furniture were added to the list of merchandise allowed to be sold and stored outside at any time. Revisions to the length and frequency of temporary sales of any merchandise were made. Four sales a year, for a period of 7 days each, is the proposal. This would accommodate temporary car sales on commercial property, within these parameters, with no special approval needed. Text regarding a 6 foot sight obscuring fence for other conditionally permitted uses involving outside storage was removed from 17.52.040 and placed in 17.52.080.

Attachment B – Page 3 and 17 from Appendix A of the Brookings Downtown Master Plan
Subject: A hearing on File LDC-11-08 to consider revisions to Chapter 17.52, General Commercial (C-3) of the Brookings Municipal Code (BMC).

Recommended Motion: Motion to approve File LDC-11-08 making revisions to the above Chapter after deliberation and direct staff to prepare an adopting ordinance.

Financial Impact: None

Background/Discussion: Proposed revisions to Chapter 17.52, General Commercial (C-3) District, BMC came before the Council at the September 22 and October 13, 2008 meetings. The area of concern is whether car sales should continue as a conditionally permitted use or be allowed as an outright permitted use. After public input and discussion, the Council directed staff to re-write the chapter listing car sales, service and repair as an outright permitted use and continue the hearing until October 27th at 7:00 pm to allow the public an opportunity to provide comments on the change. Attached is a draft of Chapter 17.52, C-3, listing car sales as an outright use.
