ORDINANCE NO. 2008 - 21

AN ORDINANCE AMENDING THE ZONING ORDINANCE, ORD. NO. 84-02, AS AMENDED, TO ELIMINATE THE STREET VENDOR PROVISIONS OF THE TAFT VILLAGE CORE ZONE, AND AMENDING CHAPTER 5.28 OF THE LINCOLN CITY MUNICIPAL CODE, STREET VENDORS, 5.28.070, AREAS FOR STREET VENDING

THE CITY OF LINCOLN CITY ORDAINS AS FOLLOWS:

Section 1. The City Council finds:

A. The Municipal Code contains two sets of provisions relating to street vendors. The primary provisions, found in Lincoln City Municipal Code Chapter 5.28, applies to street vending in all areas of the city other than the Taft Village Core Zone. The Taft Village Core Zone provisions, found in Lincoln City Zoning Ordinance Section 3.105(6)(l) apply only in the Taft Village Core Zone and are largely duplicative of LCMC Chapter 5.28.

B. To the extent the two sets of provisions are different they create unnecessary complication, and to the extent they are the same they are unnecessarily duplicative. Repealing Lincoln City Zoning Ordinance Section 3.105(6)(l) would allow a single set of provisions relating to street vending to be applied city-wide, and would simplify the administration of the city’s street vending program.

C. Statewide Planning Goals 1, 2, and 9 are applicable to this ordinance amendment. The amendment is consistent with these goals for the following reasons:

(1) Goal 1: “Citizen Involvement" - All proposed documents were made available for public review and purchase and assistance was available to interpret and explain the technical information. Hearing notices were published in local papers in accordance with notice requirements. Therefore, the amendment is consistent with Goal 1.

(2) Goal 2: “Land Use Planning" - This goal is to establish a land use planning process and policy framework as a basis for all decisions and actions related to use of land and to insure an adequate factual basis for such decisions and actions. The Lincoln City Comprehensive Plan and its implementation measure, the Lincoln City Zoning Ordinance, was adopted by the City Council of Lincoln City after public hearings and have been reviewed on a periodic cycle to take into account changing public policies and circumstances. Opportunities were provided for review and comment by citizens and affected governmental units during preparation, review, and revision of the plan and implementing ordinances. Review of this application in accordance with the Lincoln City Comprehensive Plan and
the applicable zoning ordinance provisions establishes conformance with this goal.

(3) Goal 9: "Economic Development" - The amendment does not affect the availability of land suitable for industrial and commercial development. Instead it eliminates duplicative and confusing ordinance provisions while continuing to allow all existing uses commercial lands. It does not relate to lands zoned for industrial development. Therefore, the amendment is consistent with Goal 9.

D. Comprehensive Plan goals relating to Land Use Planning, Citizens Involvement, and Economy are applicable to this ordinance amendment. The amendment is consistent with these goals for the following reasons:

(1) Planning Goal

"To establish a land use planning process and policy framework as a basis for all decisions and actions related to use of land and to assure an adequate factual base for such decisions and actions."

The Lincoln City Comprehensive Plan and its implementation measure, the Lincoln City Zoning Ordinance, was adopted by the City Council of Lincoln City after public hearing and has been reviewed on a periodic cycle to take into account changing public policies and circumstances. Opportunities were provided for review and comment by citizens and affected governmental units during preparation, review, and revision of the plan and implementing ordinances. Review of this amendment in accordance with the Lincoln City Comprehensive Plan and the applicable zoning ordinance provisions, establishes conformance with this goal.

(2) Citizen Involvement Goal

"Develop a Citizen Involvement Program which ensures the continued participation of citizens in the land use planning process."

The City has developed a Citizen Involvement Program. In addition, the public hearing process, with notice to the public and property owners and review of the amendment by the Planning Commission (a citizen board), and the City Council (a citizen board) establishes conformance with this goal.

(3) Economy Goal

"To support the tourist industry and achieve a degree of diversity in the community which will allow a balanced economy that will,
in turn, support an adequate level of services for all members of the area."

The amendment does not affect the orderly development of commercial lands. It eliminates duplicative and confusing ordinance provisions while continuing to allow all existing uses commercial lands. The amendment, therefore, meets the goal.

E. The Planning Commission, on November 18, 2008, considered the ordinance amendments contained within this ordinance. The Planning Commission voted to transmit the amendments to the City Council for its consideration.

F. The City duly notified the Oregon Department of Land Conservation and Development of its consideration of the proposed amendments.

G. The City Council held a public hearing on November 24, 2008 during which the Council considered the proposed amendments transmitted by the Planning Commission.

Section 2. Section 3.105 of the Zoning Ordinance is amended by deleting Section 3.105(6)(f) Sidewalk Vendors.

Section 3. Section 3.105(3) of the Zoning Ordinance is amended by deleting the following definitions and renumbering the remaining definitions appropriately:

(i) "Sidewalk Vendors",
(u) "Stand",
(y) "Vending", and
(z) "Vending Cart".

Section 4. Sections 5.28.070 (A) (1) and (2) of the Municipal Code are amended to read as follows:

A. Street vendors may operate on:
   1. Private property zoned General Commercial, Recreation-Commercial, Oceanlake Plan District, Taft Village Core and Nelscott Plan District (NBD and NBMU sub-categories).
   2. City parks, the community center, the fifty-first-street turnaround, and public rights-of-way in General Commercial, Recreation Commercial, Oceanlake Plan District, Taft Village Core, and Nelscott Plan District (NBD and NBMU sub-categories).

Section 5. In the event that any provision of this ordinance is determined by a court of competent jurisdiction to be invalid or unenforceable, such invalid provision shall be severed and the remaining provisions of the ordinance that have not been held invalid or unenforceable shall continue to be valid and enforceable to the fullest extent permitted by law.
PASSED AND ADOPTED by the City Council of the City of Lincoln City this 24th day of November 2008.
