Re: City of Happy Valley File No. ANN-01-09/CPA-03-09

Dear Mr. Tuck:

This office represents Providence Health System - Oregon. Providence has received the enclosed notice regarding annexation of a property adjacent to SE 162nd Avenue (23E07B 00800). On behalf of Providence, I am writing to request that the staff recommend the annexation be subject to a waiver of remonstrance to formation of a local improvement district ("LID"), reimbursement district or other device that will fund the improvement of SE 162nd Avenue.

As you know, interested property owners have been meeting with the City over a period of several months to discuss how best to proceed with the extension of SE 162nd Avenue to the north so that it connects with SE Sunnyside. This benefits not only those property owners because it provides needed road capacity so that the City's vision for development of this employment area can be achieved but it also benefits the community by more effectively linking this part of Happy Valley to the heart of Happy Valley. As properties are annexed, Providence believes that it is important that those properties be conditioned to share the burden and benefit of achieving this necessary transportation improvement.
Please place this letter before the Happy Valley City Council for the public hearing on April 21, 2009 and provide me with written notice of the decision.

Very truly yours,

Michael C. Robinson
