PASSED BY THE COUNCIL AND APPROVED BY THE MAYOR THIS 22ND DAY OF FEBRUARY, 2010.

Richard Meyers, City Manager

Dated: Feb 22, 2010

Tom Monroe, Council President

Dated: February 22, 2010
1. City of Cottage Grove has made an application to redesignate .31 acres of land described as Map 20-03-28-44 TL 4500 (1414 E. Washington) and 4600 (59 S. 15th Street) and comprising two properties owned by the City of Cottage Grove from L. Low Density Residential to P Parks & Open Space.

2. The lands to be redesignated as P Parks & Open Space comprise a vacant residential lot (TL 4500) and a single family home (TL 4600) under City ownership, which are immediately adjacent to Coiner Park, a Community Park owned and operated by the City of Cottage Grove. Redesignation as Parks & Open Space will allow for the rezoning of these properties to PR Parks & Recreation and the redevelopment of the lots for use as part of Coiner Park.

3. The City of Cottage Grove Comprehensive Plan, under “The Plan in General,” states that it contains broad generalized patterns of land use for those areas in which a given land use is best suited, where a land use is compatible to surrounding land uses and where the need for a given land use exists.

4. The City Comprehensive Plan also states that the plan is not complete. It is subject to revision to meet the many possible economic, political and technological events that might occur in the future. The plan must also remain flexible and responsive to the citizens in reflecting their desire and needs to remain current and reflect the changing form of the community.

5. The City purchased the subject lots when the properties became available through sale and/or foreclosure with the intent of expanding Coiner Park as recommended in Water To Woods: 2003 Master Parks Plan.

6. Adequate public facilities, including water, sewer, streets, etc. are either already provided or available to the sites.

7. The following Statewide Planning Goals are not applicable to the proposed redesignation: Goal 3 – Agricultural Lands; Goal 4 – Forest Lands; Goal 9 – Economic Development; Goal 11 – Public Facilities and Services; Goal 15 – Willamette River Greenway; Goal 17 – Coastal Shorelands; Goal 18 – Beaches & Dunes; and Goal 19 – Ocean Resources.

8. The following Statewide Planning Goals are applicable and the amendment complies with them as noted below:
   a. Goal 1 – Citizen Involvement. Public hearings have been held at the Planning Commission and City Council levels to consider this redesignation. Our process involves various forms of notification of the public in the immediate area, notification in local media, and notification of impacted governmental agencies and recognized neighborhood groups.
   b. Goal 2 – Land Use Planning. The City has established a land use planning process and policy framework as a basis for all decisions and actions related to use of land and to assure an adequate factual base for such decisions and actions. The proposed change followed the process established in Title 14 of the City of Cottage Grove Municipal Code and has been found compatible with the City’s Comprehensive Plan.
   c. Goal 5 – Open Spaces, Scenic & Historic Areas and Natural Resources. The subject properties contain no known wetland and riparian resources, nor historic structures.
   d. Goal 6 – Air, Water & Land Resources Quality. Development of these properties will comply with city, state and federal standards to protect air and water quality. No identified natural resources are being degraded by this redesignation, as the lots were originally developed for single family residential use.
   e. Goal 7 – Areas Subject to Natural Disasters and Hazards. The subject properties are not subject to flooding and contain no known wetlands. Steps will be taken to protect life and property from natural disasters and hazards during any future development, which will be limited by uses proposed for park and open space uses.
f. Goal 8 - Recreational Needs. This redesignation formalizes past and current City planning efforts which have designated the Coiner Park as the City's primary community park and encouraged its expansion when properties became available.

g. Goal 10 - Housing. This redesignation removes two properties previously designated as L Low Density Residential from the City's inventory of residential lands. As the 2005 Buildable Lands Analysis shows a surplus of L Low Density Residential properties within the City's 20-year land supply, the City finds that the loss of .31 acres of low density residential land for use as a city park will not be detrimental to the City's ability to comply with Goal 10 or meet housing needs.

h. Goal 13 - Energy Conservation. Both of these parcels are currently served by City streets and services. Preservation of existing development maximizes energy conservation.

i. Goal 14 - Urbanization. The areas are already in Cottage Grove's urban growth boundary. No changes will be made to the city's boundary.

9. The proposed changes are in the public's interest; are in keeping with the development pattern in this area of the city; are in keeping with the intent of the City Comprehensive Plan; and serve the public's health, safety and welfare.

10. Required notification was given to DLCD and adjoining property owners as required.

11. Planning Commission held a public hearing on January 20, 2010 and recommended the approval of the application to City Council.

12. A Public Hearing was held by City Council on February 22, 2010 on the application.
