City of Dallas | Agenda Item No. 3.a | Topic: Wal-Mart Zone Change
---|---|---
Prepared By: Jason Locke, Community Development Director | Meeting Date: March 1, 2010 | Attachments: Yes ■ No □
Approved By: Jerry Wyatt

RECOMMENDED ACTION: Approve the zone change in accordance with Resolution No. 2207 and direct staff to prepare an Ordinance adopting said zone change.

BACKGROUND:

Location of subject property: 321 NE Kings Valley Highway
Map id: 7S5W28DB-Taxlot1400 and 7S5W28CA-Taxlot201
Property size: 8.8 ac +/-

Staff was recently contacted by representatives of the Wal-Mart Co. regarding the adoption of the amended Development Code. They had concerns related to the restrictions and requirements of the Commercial Neighborhood (CN) zoning designation. The conversation raised questions as to why the Wal-Mart property was zoned CN, a totally inappropriate zone for the use. The subject property is designated Commercial on the Comprehensive plan map.

After doing some fairly involved research, the following issues came to light:

1. In 1980, the City Council adopted Resolution No. 2207. Resolution No. 2207 was a resolution of intent to rezone the current Wal-Mart property (and other properties on the east side of Polk Station Road) from Commercial Restricted (CR) and Residential Agriculture (RA) to Commercial General (CG).
2. At that time, a resolution of intent to rezone meant that prior to the actual rezoning of the property by ordinance, the property must have a development plan approved by the Planning Commission. Once that plan was approved and the development implemented, an Ordinance adopting the zone change was adopted.
3. In February 1994, the Wal-Mart site development plan was approved by the Planning Commission after 2 public hearings utilizing standards and criteria from the Commercial General zoning district. The project was completed in 1995.
4. As far as staff can tell, there was no Ordinance adopting the zone change to Commercial General in 1995 or thereafter, as should have occurred.
5. In 1999, the CR designation appears to have been replaced by the CN designation, and was applied to the Wal-Mart property. There is no discernible reason this occurred, other than perhaps an oversight or error.

In order to correct past errors with respect to the zoning of the property, and failure to designate the zone change to CG when the site plan was approved in 1994, staff is recommending that the
City Council adopt an ordinance which would properly designate the property Commercial General (CG) on the city zoning map, in accordance with Resolution No. 2207.
