CITY OF HAPPY VALLEY
RESOLUTION NO. 05-13
CITY OF HAPPY VALLEY

STAFF REPORT TO THE CITY COUNCIL

March 2, 2010

ANNEXATION APPLICATION (File No. ANN-01-10/LDC-01-10)

I. GENERAL INFORMATION

PROPOSAL:

The City seeks approval of the annexation of one property approximately .31 acres in size and the legislative rezoning of the subject property to a Happy Valley zoning designation, as set forth in Section 16.67.070 of the City’s Land Development Code (LDC). The subject site currently has a zoning designation of Clackamas County R-15. This proposal will rezone the subject property from its existing zoning designation to a Happy Valley zoning designation of R-15.

APPLICANT:

City of Happy Valley
16000 SE Misty Drive
Happy Valley, OR 97086

PROPERTY OWNER:

See Attached List – Exhibit C

EXHIBITS:

EXHIBIT A- Legal Description
EXHIBIT B- Annexation Area Map
EXHIBIT C- Annexation Application/Petition
EXHIBIT D- Copy of Resolution 05-13
EXHIBIT E- Affidavit of Mailing/Public Notices
APPLICABLE CRITERIA:

Applicable sections of the City of Happy Valley Municipal Code; Title 16 (Land Development Code), including Section 16.67.070 (Annexations); applicable sections of the City of Happy Valley Comprehensive Plan; Metro Code 3.09.045; and, ORS 222.111 and 222.125.

BACKGROUND:

The City of Happy Valley makes available petitions for annexation to area property owners and received a signed petition requesting annexation from the owner of the subject property.

GENERAL DISCUSSION:

The proposed annexation was initiated by a petition signed by the owner of 100% of the property owner(s) that represent 100% of the assessed value, and that represent at least 75% of the electors within the area being annexed. The petition meets the requirements of Metro Ordinance No. 98-791, Chapter 3.09.045 and ORS 222.125.

The property to be annexed is located along SE Otty Place adjacent to the existing city limits, as noted on Exhibit "B". The legal description for the area proposed for annexation is attached as Exhibit "A" and the annexation application data form for the area to be annexed is attached as Exhibit "C".

The proposed annexation incorporates one vacant property consisting of .31 acres adjacent to the existing city limits of the City of Happy Valley. The desire of property owner to obtain city services and land use regulations for the subject property have prompted the proposed annexation request.

This staff report outlines the subject property as to the specific configuration, existing land use, population, assessed value, vacant lands and other criteria for approval of boundary changes. See attached Exhibit "A".

The proposed annexation boundaries have been drawn up to include only the property represented by the property owner or his/her representative who signed the annexation petition.
This proposed annexation complies with the present agreements the City has with various urban service providers. The subject property is currently within Clackamas County Service District #1 (CCSD #1), which provides sanitary sewer and stormwater services to the City and other urbanized areas of Clackamas County. Subsequent to the approval of this application, the owner of the subject property will be required to annex into Clackamas County Service District #5 (CCSD #5) for street lighting and the North Clackamas Parks and Recreation District (NCPRD). The subject property will need to be removed from the Clackamas County Enhanced Law Enforcement District.

CCSD #1 will be the provider of sanitary and stormwater services. Prior to obtaining sanitary and stormwater services for the subject property, the district must evaluate how the property will best be served (i.e. line capacity, drainage basins, etc). Efforts to provide sanitary and stormwater services to the subject property will be coordinated by Clackamas County Water Environment Services (WES).

The subject property is directly adjacent to the city limits of the City of Happy Valley and is within the designated dual interest area of the City of Happy Valley and Clackamas County Urban Growth Management Agreement (UGMA). The property associated with this annexation is consistent with the provisions of the UGMA. Both the planning and public facilities provisions are contained within the City of Happy Valley/Clackamas County UGMA. The property being considered for annexation is not subject to any additional agreements between the City and other agencies that would affect planning or urban services to the subject property.

Happy Valley Comprehensive Plan Policies 4 through 7 address urbanization of lands from rural to urban uses. The annexation area satisfies the applicable provisions of these policies by providing land for urban development that can be, or currently is, adequately served with Level 1 services and facilities.

The Metro Regional Framework Plan contains standards and criteria guiding the management and expansion of the Urban Growth Boundary (UGB), but most are not directly applicable to this annexation application. The Framework Plan does speak to the issues of annexation of properties to cities as appropriate to ensure adequate government jurisdiction and public facilities review and approvals.

The Metro Urban Growth Management Functional Plan (UGMFP) contains population and household growth figures for each jurisdiction in the region, including the City of Happy Valley. These figures should be accommodated over the next 20 years. The approval of this annexation request will contribute land toward future urban-level uses at the densities specified in the functional plan.
Any future development within the subject property proposed for annexation will comply with all the applicable regional, County and City plans.

II. FINDINGS OF FACT

STATEWIDE PLANNING GOALS (DLCD)

"Goal 1: Citizen Involvement (660-015-0000(1))
Goal 1 specifies that each city adopt a program for citizen involvement that clearly defines the procedures by which the general public will be involved in the ongoing land-use planning process. This program shall provide for continuity of citizen participation and of information that enables citizens to identify and comprehend the issues.

Response:

The City of Happy Valley provided notice to all interested parties, necessary parties, and landowners within 300 feet on February 10, 2010 (see Exhibit E- Affidavit of mailing). The notice stated that the process would be expedited. This criterion has been satisfied.

Goal 2: Land Use Planning (660-015-0000(2))
Goal 2 specifies the need to establish a land use planning process and policy framework as a basis for all decision and actions related to use of land and to assure an adequate factual base for such decisions and actions.

Response:

The City's LDC establishes provisions for the expedited annexation process and county to city zoning conversion. This staff report and findings demonstrate compliance with applicable policies and regulations of all local, regional, and state regulations. This criterion has been satisfied.

Goal 10: Housing (660-015-0000(10))
Goal 10 specifies that each city must plan for and accommodate needed housing types, such as multifamily and manufactured housing. It requires each city to inventory its buildable lands, project future needs for such lands, and plan and zone enough buildable land to meet those needs. It also prohibits local plans from discriminating against needed housing types.
Response:

The subject property is located within an area that has already been comprehensively planned for by Clackamas County. The proposed annexation would provide additional land for residential development within the City that is adjacent to areas that have already been established as residential uses and public parks. The annexation is compliant with the City’s Comprehensive Plan goals and policies pertaining to Goal 10 and the UGMFP (see Compliance with Regional Goals) and therefore, this criterion has been satisfied.

**Goal 11: Public Facilities and Services ((660-015-0000(11))**

Goal 11 calls for efficient planning of public services such as sewers, water, law enforcement, and fire protection. The goal’s central concept is that the public services should be planned in accordance with a community’s needs and capacities rather than be forced to respond to development as it occurs.

Response:

Metro Code (3.09.050(b)(3)) requires that boundary change proposals meet minimum criteria that include addressing the capacity for urban services. Boundary changes must be consistent with ORS 195.065 and regional and statewide land use goals, including Goal 11.

The subject property is currently within CCSD #1, which provides sanitary sewer and stormwater services to the City and other urbanized areas of Clackamas County. The subject property is currently vacant. Prior to development, WES will evaluate how to best provide sanitary and stormwater services to the subject property.

Sunrise Water Authority (SWA) provides water to the City of Happy Valley. The property proposed for annexation is currently, and will continue to be, within the service area of SWA. The future water supply needs of the subject property will be evaluated and planned for by SWA.

This annexation proposal is consistent with Goal 11. Public services to the annexation area has already been planned for and anticipated to occur because it is within the existing UGB. Extension of the public services that are not currently available to the subject property will occur with future development. This criterion has been satisfied.
Goal 12: Transportation ((660-015-0000(12))

Goal 12 calls for the provision of "a safe, convenient and economic transportation system." It asks for communities to address the needs of the "transportation disadvantaged.

Response:

The Happy Valley Transportation System Plan (TSP) has been updated to include the area proposed for annexation. The TSP was adopted in December 1998; and amended in 2001, 2006, and 2009. The TSP includes an inventory of the existing transportation system, addresses current problem areas, and evaluates future needs for both motorized and non-motorized transportation options. The TSP is consistent with the Transportation Planning Rule (TPR), the Metro Regional Transportation Plan (RTP), the Clackamas County Comprehensive Plan and Pedestrian and Bicycle Master Plan, and the Oregon Department of Transportation Oregon Transportation Plan (OTP).

Future development plans for the undeveloped subject property will most likely consist of the construction of a single-family residence. At the time of building permit submittal for the subject property, the City will evaluate the potential need for infrastructure improvements to SE Otty Place. Where necessary, existing transportation system upgrades may be required and would be included in the site plan. Future site development and associated transportation improvements will be in conformance with the adopted Happy Valley TSP, Comprehensive Plan, and other applicable rules and regulations. This criterion has been satisfied.

Goal 14: Urbanization ((660-015-0000(14))

Goal 14 requires cities to estimate future growth and needs for land and then plan and zone enough land to meet those needs. It calls for each city to establish an "urban growth boundary" (UGB) to "identify and separate urbanizable land from rural land." It specifies seven factors that must be considered in drawing up a UGB. It also lists four criteria to be applied when undeveloped land within a UGB is to be converted to urban uses."
Response:

The Happy Valley Comprehensive Plan (1984) and East Happy Valley Comprehensive Plan Update (2009) established a UGB based on the seven criteria outlined in Goal 14. UGB expansions are also regulated regionally through the Metro Regional Framework Plan and UGMFP. The Regional Framework Plan stipulates that cities plan for growth and utilize available land in a manner that is consistent with the regional goals contained in the plan. The City has identified an expansion area from the current city limits. The subject property proposed for annexation is within this identified area. Through the legislative process, the City is proposing to apply a city zoning designation that is the equivalent of the existing Clackamas County zoning designation, to be consistent with the existing Clackamas County Comprehensive Plan, which was established in compliance with Goal 14. This criterion has been satisfied.

Oregon Revised Statues (ORS)

"ORS 222.111 — [...] (2) A proposal for annexation of territory to a city may be initiated by the legislative body of the city, on its own motion, or by a petition to the legislative body of the city by owners of real property in the territory to be annexed.

Response:

This annexation was the result of a petition filed by the property owner or his/her representative who own property that is contiguous to the city limits of Happy Valley. The criterion has been satisfied.

ORS 222.125 - Annexation by consent of all owners of land and majority of electors; proclamation of annexation. The legislative body of a city need not call or hold an election in the city or in any contiguous territory proposed to be annexed or hold the hearing otherwise required under ORS 222.120 when all of the owners of land in that territory and not less than 50 percent of the electors, if any, residing in the territory consent in writing to the annexation of the land in the territory and file a statement of their consent with the legislative body. Upon receiving written consent to annexation by owners and electors under this section, the legislative body of the city, by resolution or ordinance, may set the final boundaries of the area to be annexed by a legal description and proclaim the annexation."
Response:

The application was initiated by petitions from owners of 100% of the land in the territory to be annexed and 75% of the electors in the territory to be annexed. The criterion has been satisfied.

REGIONAL LAND USE REQUIREMENT

"Metro Code 3.09.045 – Expedited Decisions"

(a) Approving entities may establish an expedited decision process that does not require a public hearing consistent with this section. Expedited decisions are not subject to the requirements of Sections 3.09.030 (b) and 3.09.050(a), (b), (c), (e) or (f). The expedited decision process may only be utilized for minor boundary changes where the petition initiating the minor boundary change is accompanied by the written consent of one hundred percent (100%) of the property owners and at least fifty percent (50%) of the electors, if any, within the affected territory.

Response:

The City of Happy Valley established an expedited decision process through the adoption of Resolution No. 05-13 (Exhibit E). The City has received written consent in the form of petitions from 100% of the property owners and 75% of the electors within the affected territory. The criterion has been satisfied.

(b) The expedited process must provide for a minimum of 20 days notice to all interested parties. The notice shall state that the petition is subject to the expedited process. The expedited process may not be utilized if a necessary party gives written notice of its intent to contest the decision prior to the date of the decision. A necessary party may not contest a minor boundary change where the minor boundary change is explicitly authorized by an urban services agreement adopted pursuant to ORS 195.065.

Response:

The City of Happy Valley provided notice to all interested parties necessary parties, and land owners within 300 feet of the subject properties on February 10, 2009 (see Exhibit F – Affidavit of Mailing). The notice stated that the process would be expedited. This criterion has been satisfied.
(c) At least 15 days prior to the date of decision the approving entity shall make available to the public a brief report that addresses the factors listed in Section 3.09.050(b). The decision record shall demonstrate compliance with the criteria contained in sections 3.09.050 (d) and (g).

Also, the subject property will be required to annex into CCSD #5, which will provide street lighting at the time of development.

SWA provides water to the City of Happy Valley. The property proposed for annexation is currently, and will continue to be, within the service area of SWA. The future water supply needs of the subject property will be evaluated and planned for by SWA. This criterion has been satisfied.

(2) _Consistency with directly applicable provisions of urban planning or other agreements, other than agreements adopted pursuant to ORS 195.065, between the affected entity and a necessary party;_

B. When an unincorporated property within the East Happy Valley Comprehensive Plan area, Aldridge Road Comprehensive Plan area, or the Rock Creek Mixed Employment Comprehensive Plan area is annexed to the City, the property shall be rezoned to the applicable zoning designation in the Comprehensive Plan pursuant to the applicable requirements of the Land Development Code.

C. For any proposed annexation to the City, application shall be made directly to the City of Happy Valley on the appropriate forms and accompanied with the required fee. Upon receipt of a copy of the form, the City shall schedule a public hearing before the Planning Commission, which shall make a recommendation to the City Council. The City may utilize any lawful annexation process under state, regional or local law, including the expedited annexation process established in the Metro Code. An expedited annexation process shall be sent directly to the City Council for review. Expedited annexations shall be processed as an ordinance pursuant to the City of Happy Valley Charter.
D. For any proposed deannexation from the City, application shall be made directly to the City of Happy Valley on the appropriate forms and accompanied with the required fee. Upon receipt of a copy of the form the City shall schedule a public hearing before the Planning Commission, which shall make a recommendation to the City Council.

Response:

The subject property has a Clackamas County Comprehensive Plan designation of Low Density Residential and a zoning designation of R-15. Pursuant to subsection A above, the subject property associated with this annexation file will receive city zoning based on the designations established in Table 16.67.070-1 Land Designation Conversion Table. As a result, if the proposed annexation is approved, an ordinance to amend the City’s Comprehensive Plan map/zoning map will be passed that reflects the zoning conversion of the subject property from Clackamas County R-15 to Happy Valley R-15. These criteria have been satisfied.

III. CONCLUSION:

Staff has determined that the above findings demonstrate that the proposed annexation and zoning conversion of the subject property satisfy the requirements of the City of Happy Valley Comprehensive Plan and LDC, Metro Code 3.09, Oregon Revised Statutes and Statewide Planning Goals. Staff, therefore, recommends the City Council approve application ANN-01-10/LDC-01-10.
