FINDINGS AND REASONS

As support for its decision, the City Council incorporates the staff Council Report dated September 27, 2010 for LU 10-0041 (with all exhibits), the September 30, 2010 Staff Report to the Planning Commission (with all exhibits), together with all supplemental reports, and the Findings and Conclusions of the Planning Commission in this matter.

The City Council concurs with the Planning Commission’s recommendation that the definition of Congregate Housing should be amended to clearly state that age-limited housing (with at least 80 percent of the apartments occupied by at least one person 55 years of age or older) qualifies as a separate category of Congregate Housing without the need to establish a correlation or causative relationship between the designated age and life function disabilities.

As the City Council determined in its findings in AP 09-02-1701 (LU 07-0031), this is consistent with the City Council’s intent to include housing authorized under the provisions of the federal Fair Housing Act when the definition was initially adopted. The age and percentage of occupancy requirements in the proposed clarifying Code language mirror the Fair Housing Act requirements for age-limited housing.

The City Council also concurs with the Planning Commission’s recommendation that the definition should be clarified to specify that Congregate Housing for persons with disabilities refers to “disability” as defined in the federal Americans with Disabilities Act (ADA). Although
the current definition language suggests this by using terminology similar to that of the ADA ("life function disabilities"), the proposed clarifying language will avoid uncertainty.

The City Council finds that the proposal meets all relevant statewide planning goals, applicable provisions of the Lake Oswego Comprehensive Plan, and Lake Oswego Community Development Code procedural requirements, as detailed in the incorporated September 30, 2010 staff report in LU 10-0041 and in the other incorporated materials.

**CONCLUSION**

The City Council concludes that LU 10-0041-1749 complies with all applicable criteria and that the definition of "Congregate Housing" in LOC 50.02.005 should be amended to be consistent with the Planning Commission’s recommendation.
