Updated December 16, 2010
ORDINANCE NO. 3001

AN ORDINANCE AMENDING THE COTTAGE GROVE
COMPREHENSIVE PLAN LAND USE DIAGRAM MAP FOR
RYAN SISSON/MARCIA SHOREY (MCPA 4-10)
Map 20-03-28-24, TAX LOT 1903

Section 1. Purpose. The purpose of this ordinance is to amend the adopted
Comprehensive Plan land use diagram map for property described as Map 20-03-28-24, Tax Lot
1903, adjacent to North River Road as shown and described in Exhibit “A” attached hereto and
forming a part of this ordinance. The City Comprehensive Plan for Cottage Grove that has been
developed in accordance with Statewide Planning Goals and acknowledged by the Oregon Land
Conservation and Development Commission.

Section 2. Procedural Compliance. The Department of Land Conservation and
Development was given forty-five day notice prior to the first hearing on September 24, 2010
pursuant to Oregon Revised Statutes. This amendment is in compliance with the procedures of
Title 14 of the Municipal Code of the City of Cottage Grove with required local notification of
the public hearings, after the Planning Commission held a public hearing and made a
recommendation to Council, and after City Council held a Public Hearing on the Comprehensive
Plan Map Amendment.

Section 3. Findings. The City Council determined that the Comprehensive Plan Map
Amendment is the proper implementation of the Statewide Goals; that the amended plan
adequately addresses the land needs of the community; is in the public interest; and serves the
health, safety, and welfare of the citizens of the City of Cottage Grove. City Council adopts the
findings attached as Exhibit “B” attached hereto and forming a part of this ordinance.

Section 4. Amendment. The City Comprehensive Plan for Cottage Grove is hereby
amended to change the land use designation of Map 20-03-28-24, Tax Lots 1903 from M
Medium Density Residential to L Low Density Residential on the land use diagram map of the
Comprehensive Plan, as shown on Exhibit “A” attached hereto and by reference made a part
hereof.

PASSED BY THE COUNCIL AND APPROVED BY THE MAYOR THIS
24th DAY OF January, 2011.

Richard Meyers, City Manager

Gary Williams, Mayor

The following real property situated in the County of Lane and State of Oregon bounded and described as follows (Map 20-03-28-24 Tax Lot 1903), to-wit:

S.E. 1/4 N.W. 1/4 Sec. 28 T. 20 S. R. 3 W. W. M.

EXHIBIT B
ORDINANCE NO. 3001

1. Ryan Sisson/Marcia Shorey has made an application to redesignate 2.63 acres described as Map 20-03-28-24, Tax Lot 1903 from M Medium Density Residential to L Low Density Residential.

2. The City of Cottage Grove Comprehensive Plan, under “The Plan in General,” states that it contains broad generalized patterns of land use for those areas in which a given land use is best suited, where a land use is compatible to surrounding land uses and where the need for a given land use exists.

3. The City Comprehensive Plan also states that the plan is not complete. It is subject to revision to meet the many possible economic, political and technological events that might occur in the future. The plan must also remain flexible and responsive to the citizens in reflecting their desire and needs to remain current and reflect the changing form of the community.

4. The land to be redesignated comprises a vacant parcel on North River Road, which is currently designated for Medium Density Residential Development. Redesignation of these properties as L Low Density Residential will provide for needed housing in the City of Cottage Grove, while reducing proposed density on sensitive lands that are unsuitable for medium density housing due to their location within the Willamette River Greenway and partial inclusion in the designated 100 year flood plain of the Coast Fork of the Willamette River.

5. Adequate public facilities, including water, sewer, storm water, and streets are or can be provided to the site. The vacant property is accessed via North River Road, a City of Cottage Grove minor arterial. ODOT has been apprised of this redesignation and has submitted comments confirming that the proposed redesignation is unlikely to change traffic generation; therefore is not anticipated to impact Lane County Transportation System.

6. The following Statewide Planning Goals are not applicable to the proposed redesignation: Goal 3 – Agricultural Lands; Goal 4 – Forest Lands; Goal 8 – Recreational Needs; Goal 9 – Economic Development; Goal 17 – Coastal Shorelands; Goal 18 – Beaches & Dunes; and Goal 19 – Ocean Resources.

7. The following Statewide Planning Goals are applicable and the amendment complies with them as noted below:
   a. Goal 1 – Citizen Involvement. Adequate public notice of the proposed changes will be provided through the Type IV public notice process as specified in Section 14.4.1.500 of the Development Code. Public hearings were held at both the Planning Commission and City Council to consider this redesignation. The process involves various forms of notification to the public in the immediate area, notification in local newspapers, and notification of impacted governmental agencies and recognized neighborhood groups. Also, a neighborhood meeting was held by the applicant.
   b. Goal 2 – Land Use Planning. The City of Cottage Grove has established a land use planning process and policy framework as a basis for all decision and actions related to use of and to assure an adequate factual base for such decisions and actions. The proposed change followed the process established in Title 14 of the City of Cottage Grove Municipal Code and has been found to be compatible with the City’s Comprehensive Plan.
c. Goal 3 – Agricultural Lands. Not applicable as the subject property contains no known agricultural lands.
d. Goal 4 – Forest Lands. Not applicable as the subject property contains no known forest lands.
e. Goal 5 – Natural Resources, Scenic and Historic Areas, and Open Spaces. – The subject property is near to but does not include any known wetland resources nor hydric soils. The parcel is not identified as an open space or scenic or historic area in the Cottage Grove comprehensive Plan. The subject property is located across a public street from the Coast fork of the Willamette River. Although the property is not within the riparian zone of the coast Fork, a portion of the property is within the designated Willamette River Greenway. The same area is within the 100 year floodplain of the river. Reduction in proposed residential development density as proposed by this redesignation will reduce potential impacts to these sensitive resources, and is in compliance with Goal 5.
f. Goal 6 – Air, Water and Land Resources Quality. Development of this property will comply with city, state and federal standards to protect air and water quality. All waste and process discharges from future development will not violate applicable state or federal environmental quality statutes, rules and standards. The proposed redesignation is consistent with adjacent and surrounding land uses.
g. Goal 7 – Areas Subject to Natural Hazards. The subject property includes 1.77 acres of lands located within the 100 year floodplain as shown on FIRM 41039C2091 F (effective June 2, 1999). Reducing the zone from the more densely developed Medium Density to Low Density will lessen the potential impacts of a 100 year flood on future on-site and downstream development. Steps will be taken to protect life and property from natural disasters and hazards during any future development by following all applicable building codes and regulations.
h. Goal 10 – Housing. The proposed redesignation removes 2.63 acres previously designated as (M) Medium Density Residential to (L) Low Density Residential. The proposed redesignation will continue to meet the City’s housing needs, while reducing the possible impacts to citizens from flooding. The redesignation to R-1 is consistent with adjacent and surrounding land use designations.
i. Goal 11 – Public Facilities and Services. The redesignation will not require public facilities and services beyond what is currently provided by the City of Cottage Grove. The City has developed plans to provide sufficient public facilities and services to serve the subject property under the redesignation.
j. Goal 12 – Transportation. The redesignation is consistent with Goal 12 as redesignating the property will reduce the amount of traffic generated at development and hence reduce proposed impacts upon adjacent transportation systems. The reduction in traffic impacts will not constitute a significant impact upon the adjacent transportation system in compliance with the Transportation Planning Rule. The redesignation is consistent with the City’s Transportation System Plan through 2025, as existing transportation facilities that serve the site are adequate for planned improvements. If further development proposals trigger traffic impact analysis per the Cottage Grove Development Code or TPR, Lane County and the Oregon Department of Transportation will be given the opportunity to review findings for specific impacts to their facilities.
k. Goal 13 – Energy Conservation. The subject property is currently served by City streets and services. Future development under the redesignation will be encouraged to utilize green building strategies to limit energy consumption.
l. Goal 14 – Urbanization. The subject property is already in Cottage Grove’s urban growth boundary. No changes will be made to the city’s boundary.
m. Goal 15 – Willamette River Greenway. The lower portion of the property is within the Willamette River Greenway. The lower portion of the subject property is within the Willamette River greenway. Reducing the zone from Medium to Low Density Residential on the property will reduce the parcel’s density requirements a time of development. Therefore, the related impacts on the Willamette River Greenway from development are minimized as a result of the change. Future development will regulated by the Willamette River greenway standards found in the Cottage Grove Comprehensive Plan and Title 14 CG Development Code.

8. The property owner of the lands involved in the Plan Amendment is in favor of the redesignation.
9. The proposed changes are in the public’s interest; are in keeping with the development pattern in this area of the city; are in keeping with the intent of the City Comprehensive Plan; and serve the public’s health, safety and welfare.
ORDINANCE NO. 3002

AN ORDINANCE AMENDING TITLE 14 OF THE COTTAGE GROVE MUNICIPAL CODE, THE CITY WIDE LAND USE DISTRICT MAP FOR RYAN SISSON/MARCIA SHOREY (MCPA 4-10)
Map 20-03-28-24, TAX LOT 1903

Section 1. Purpose. The purpose of this ordinance is to amend the adopted citywide 'land use district map' to identify the rezoning of property described as Map 20-03-28-24, Tax Lot 1903, adjacent to North River Road as shown and described in Exhibit “A” attached hereto and forming a part of this ordinance.

Section 2. Procedural Compliance. This amendment is in compliance with Title 14 of the Development Code of the City of Cottage Grove and is based upon the city council determination, after a Planning Commission public hearing and recommendation, and a public hearing before Council, the zone change (MCPA-4-10) is a proper implementation of the City Comprehensive Lane Use Plan, and therefore, is in the public interest and serves as the health, safety, and welfare of the citizens of the City of Cottage Grove.

Section 3. Findings. The City Council finds the amended plan to adequately address the land use needs of the community and adopted findings attached as Exhibit ‘B’ attached to and forming a part of this ordinance.

Section 4. Amendment. The City Wide ‘land use district map’ which is a part of Title 14 is hereby amended as follows with respect to the property described in Exhibit ‘A’:

Change the land use district classification from R-2 Medium Density Residential to R-1 Single Family Residential.

PASSED BY THE COUNCIL AND APPROVED BY THE MAYOR THIS
24th DAY OF January, 2011.

Richard Meyers, City Manager

Exhibit A

The following real property situated in the County of Lane and State of Oregon bounded and described as follows (Map 20-03-28-24 Tax Lot 1903), to-wit:

EXHIBIT B
ORDINANCE NO. 3002

1. Ryan Sisson/Marcia Shorey has made an application to rezone 2.63 acres described as Map 20-03-28-24, Tax Lot 1903 from R-2 Medium Density Residential to R-1 Single Family Residential.

2. The City of Cottage Grove Comprehensive Plan, was amended by ordinance No. _____ which designated the subject land as L Low Density Residential. The L low Density Residential designation is implemented by two zoning districts, the R-1 Single Family Residential District and the R Restricted residential District. The R-1 Single Family Residential District is proposed to implement the land use designation and is the best suited for the land given the surrounding land uses.

3. Adequate public facilities, including water, sewer, storm water, and streets are or can be provided to the site. The vacant property is accessed via North River Road, a City of Cottage Grove minor arterial. ODOT has been apprised of this rezoning and has submitted comments confirming that the proposed rezoning is unlikely to change traffic generation; therefore is not anticipated to impact Lane County Transportation System.

4. The following Statewide Planning Goals are not applicable to the proposed rezoning:
   - Goal 3 - Agricultural Lands;
   - Goal 4 - Forest Lands;
   - Goal 8 - Recreational Needs;
   - Goal 9 - Economic Development;
   - Goal 17 - Coastal Shorelands;
   - Goal 18 - Beaches & Dunes;
   - and Goal 19 - Ocean Resources.

5. The following Statewide Planning Goals are applicable and the amendment complies with them as noted below:
   a. Goal 1 - Citizen Involvement. Adequate public notice of the proposed changes will be provided through the Type IV public notice process as specified in Section 14.4.1.500 of the Development Code. Public hearings were held at both the Planning Commission and City Council to consider this rezoning. The process involves various forms of notification to the public in the immediate area, notification in local newspapers, and notification of impacted governmental agencies and recognized neighborhood groups. Also, a neighborhood meeting was held by the applicant.
   b. Goal 2 - Land Use Planning. The City of Cottage Grove has established a land use planning process and policy framework as a basis for all decision and actions related to use of and to assure an adequate factual base for such decisions and actions. The proposed change followed the process established in Title 14 of the City of Cottage Grove Municipal Code and has been found to be compatible with the City’s Comprehensive Plan.
   c. Goal 3 - Agricultural Lands. Not applicable as the subject property contains no known agricultural lands.
   d. Goal 4 - Forest Lands. Not applicable as the subject property contains no known forest lands.
   e. Goal 5 - Natural Resources, Scenic and Historic Areas, and Open Spaces. - The subject property is near to but does not include any known wetland resources nor hydric soils. The parcel is not identified as an open space or scenic or historic area in the Cottage Grove comprehensive Plan. The subject property is located across a public street from the Coast fork of the Willamette River. Although the property is not within the riparian zone of the coast Fork, a portion of the property is within the designated Willamette River Greenway. The same area is within the
100 year floodplain of the river. Reduction in proposed residential development density as proposed by this rezoning will reduce potential impacts to these sensitive resources, and is in compliance with Goal 5.

f. Goal 6 – Air, Water and Land Resources Quality. Development of this property will comply with city, state and federal standards to protect air and water quality. All waste and process discharges from future development will not violate applicable state or federal environmental quality statutes, rules and standards. The proposed rezoning is consistent with adjacent and surrounding land uses.

g. Goal 7 – Areas Subject to Natural Hazards. The subject property includes 1.77 acres of lands located within the 100 year floodplain as shown on FIRM 41039C2091 F (effective June 2, 1999). Reducing the zone from the more densely developed Medium Density to Low Density will lessen the potential impacts of a 100 year flood on future on-site and downstream development. Steps will be taken to protect life and property from natural disasters and hazards during any future development by following all applicable building codes and regulations.

h. Goal 10 – Housing. The proposed rezoning removes 2.63 acres previously designated as (M) Medium Density Residential to (L) Low Density Residential. The proposed rezoning will continue to meet the City’s housing needs, while reducing the possible impacts to citizens from flooding. The rezoning to R-1 is consistent with adjacent and surrounding land use designations.

i. Goal 11 – Public Facilities and Services. The rezoning will not require public facilities and services beyond what is currently provided by the City of Cottage Grove. The City has developed plans to provide sufficient public facilities and services to serve the subject property under the rezoning.

j. Goal 12 – Transportation. The rezoning is consistent with Goal 12 as redesignating the property will reduce the amount of traffic generated at development and hence reduce proposed impacts upon adjacent transportation systems. The reduction in traffic impacts will not constitute a significant impact upon the adjacent transportation system in compliance with the Transportation Planning Rule. The rezoning is consistent with the City’s Transportation System Plan through 2025, as existing transportation facilities that serve the site are adequate for planned improvements. If further development proposals trigger traffic impact analysis per the Cottage Grove Development Code or TPR, Lane County and the Oregon Department of Transportation will be given the opportunity to review findings for specific impacts to their facilities.

k. Goal 13 – Energy Conservation. The subject property is currently served by City streets and services. Future development under the rezoning will be encouraged to utilize green building strategies to limit energy consumption.

l. Goal 14 – Urbanization. The subject property is already in Cottage Grove’s urban growth boundary. No changes will be made to the city’s boundary.

m. Goal 15 – Willamette River Greenway. The lower portion of the property is within the Willamette River Greenway. The lower portion of the subject property is within the Willamette River greenway. Reducing the zone from Medium to Low Density Residential on the property will reduce the parcel’s density requirements a time of development. Therefore, the related impacts on the Willamette River Greenway from development are minimized as a result of the change. Future
development will be regulated by the Willamette River greenway standards found in the Cottage Grove Comprehensive Plan and Title 14 CG Development Code.

6. The property owner of the lands involved in the Plan Amendment is in favor of the rezoning.

7. The proposed changes are in the public's interest; are in keeping with the development pattern in this area of the city; are in keeping with the intent of the City Comprehensive Plan; and serve the public's health, safety and welfare.
