The International Society for the Study of Dissociation invites you to join us as we define and improve our understanding of the field of dissociation, including research, diagnosis, and treatment.

ISSD brings together professionals dedicated to the search for answers to improve the quality of life for all patients with dissociative disorders.

Membership includes:
- Discounts on national and international conferences
- ISSD News, published bimonthly
- DISSOCIATION: Progress in the Dissociative Disorders, the official journal of the ISSD, four issues
- Consultation regarding the formation of component groups
- ISSD membership directory
- ISSD Guidelines for Treating Dissociative Identity Disorder (Multiple Personality Disorder) in Adults (1994) - description on next page
- Comprehensive bibliographies and reference lists

Together we can make a difference!

Should you have any questions regarding membership in ISSD, please contact the international office at 708/966-4322.

(Please photocopy this form.)

Application for Membership

Name _____________________________

Academic Degrees _____________________________

Address _____________________________

City/State/Zip _____________________________

Country _____________________________ Professional Specialty _____________________________

Phone (work) _____________________________ (home) _____________________________

E-Mail _____________________________

Please check membership category:

☐ Member $125  ☐ Retired Member $70
☐ Associate Member $105  ☐ Affiliate Member $75
☐ Student Member $70  ☐ Library Subscription $80

In addition I would like to donate $ _______ to assist ISSD in achieving its goals.
I am enclosing my check for $ _______ (total of membership dues plus a donation if you choose.)

Membership dues are not deductible as a charitable contribution. Membership dues may be deductible as an ordinary and necessary business expense. Consult your tax advisor for information.

Send check (payable to ISSD) and a photocopy of this membership application to International Society for the Study of Dissociation, 5700 Old Orchard Road, First Floor, Skokie, IL 60077-1057, 708/966-4322.
The ISSD announces the publication of the first edition of

**ISSD Guidelines for Treating Dissociative Identity Disorder**  
*(Multiple Personality Disorder) in Adults (1994)*

- This 12-page booklet has been developed by the ISSD Standards of Practice Committee to provide a broad outline of what has thus far seemed to be effective treatment for dissociative identity disorder.

- The **ISSD Guidelines** includes such topics as diagnostic procedures, comprehensive treatment planning, integration as an overall treatment goal, outpatient treatment, inpatient treatment, hypnotherapy, and management of traumatic memories.

- If you send a completed membership application along with your payment, you will receive one copy of the **ISSD Guidelines** free of charge. If you wish to purchase additional copies, you are eligible for the discount listed below.

- If you are not a member, please take a moment to read about membership benefits on the previous page.

Should you have any questions regarding membership in ISSD, please contact the international office at 708/966-4322.

Send check (payable to ISSD) and a photocopy of this order form to International Society for the Study of Dissociation, 5700 Old Orchard Road, First Floor, Skokie, IL 60077-1057, 708/966-4322.

(Please photocopy this form.)
INSTRUCTIONS FOR CONTRIBUTORS TO DISOCIATION: PROGRESS IN THE DISOCIATIVE DISORDERS

Submit four complete and clearly legible double-spaced printouts of the entire manuscript. If the manuscript is accepted for publication, it must then be submitted on an IBM-compatible 3.5" or Apple Macintosh 3.5" computer diskette.

Do not place author identifications anywhere besides the title page. Last minute copy corrections need to be made with a red correction pen. Leave a single space after end-of-sentence periods. Mail disks and hard copy manuscripts to Richard P. Kluft, M.D., 111 N. 49th Street, Philadelphia, PA 19139. Authors must sign a letter assigning the copyright ownership of the article to DISSOCIATION DISORDERS RESEARCH BICATONS, LIMITED, contingent upon its acceptance.

The following guidelines apply to all submissions:

The title page should include the title of the article, the name(s) of the author(s), degree(s) of author(s), the academic or institution affiliation of the author(s), a running head (or abbreviated title), and the name and address for reprints. Authors without academic or institution affiliations should list instead the city and state in which they practice.

The abstract should be a brief summary of the article. It should be accurate, succinct, quickly comprehensible, and informative. It must not exceed 150 words. It should be formatted in italic.

References within the text should be made in the author-date format. Use the names of either one or two authors on each occasion. When there are more than two authors, use all in the first citations, and the surname of the first author followed by "et al." subsequently. When there are six or more authors, use the surname of the first author followed by "et al." on all occasions. For citations in parentheses, use an ampersand (&) before the name of the last author listed. All quotations cited must include page numbers.

References within the reference list are restricted to those cited in the text. They should be listed in alphabetical order on a separate page, headed REFERENCES. The authors' names are given surname first, followed by initials. Place an ampersand (&) before the last author’s name. The names are followed by the publication date in parentheses, followed by a period. The title is italicized (underlined, if italics unavailable), then volume and issue number, if relevant, follow in roman text. And finally, list the page numbers. Use “pp.” before the page numbers of publications other than scientific journal articles.

Sample references: (If italics is unavailable, you may underline in submitted manuscripts.)

For references other than those shown above, consult the Publication Manual of the American Psychological Association.

All artwork (photographs, illustrations, graphs or charts) accompanying articles must be approved by the editor. If the artwork is accepted for publication, camera-ready artwork must then be submitted to the editor. All artwork will be returned to the author immediately following publication of the journal.
The International Society for the Study of Dissociation invites you to join us as we define and improve our understanding of the field of dissociation, including, dissociative states research, diagnosis and treatment.

ISSD brings together professionals dedicated to the search for answers to improve the quality of life for all patients with dissociative disorders.

Together we can and will make a difference!

An application for membership in ISSD is available inside this issue.

Should you have any questions regarding membership in ISSD, please contact the international office at (708) 966-4322.
