CITY OF NEWPORT

ORDINANCE NO. 2011

AN ORDINANCE AMENDING THE NEWPORT ZONING ORDINANCE (ORDINANCE NO. 1308, AS AMENDED) RELATING TO ACCESSORY USES, HOME OCCUPATIONS, AND ENFORCEMENT

Findings:

1. The City of Newport Zoning Ordinance (No. 1308, as amended) contains criteria that apply to construction of accessory structures, the establishment of home occupations and, enforcement of the land use regulations inside the City of Newport. These criteria are found in Section 2-4-2 (“Accessory Uses and Structures”), Section 2-4-13 (“Home Occupations”) and Section 2-6-8 (“Enforcement”) of the Ordinance.

2. The City of Newport Planning Commission and its Citizens Advisory Committee completed a comprehensive review of these code sections and determined that amendments are needed to clarify the process for determining when a structure is accessory to a primary use, provide for placement of accessory structures on parcels or lots adjacent to a primary use, and allow for larger structures if they meet setbacks. Updates to the home occupation rules eliminate outdated requirements, clarify standards and add revocation provisions if standards are not followed. Changes to enforcement language clarify that code enforcement staff may inspect properties at reasonable times.

3. The City of Newport Planning Commission and its Citizens Advisory Committee further find that it is necessary to revise the definition for Accessory Structures and Uses contained in Section 2-1-1.101 (“Definitions”) of the Zoning Ordinance to clarify terminology and reflect that accessory uses can be located on adjacent commonly owner parcels. Sub-Section 2-3-2.025(B)(1) (“General Exceptions to Required Yards”) should also be amended to include a cross-reference clarifying circumstances when accessory buildings can encroach into required rear yard setbacks.

4. The Newport Planning Commission and Planning Commission Citizens Advisory Committee reviewed the above changes (File No. 4-Z-10) at work sessions on August 23, 2010, September 13, 2010, October 11, 2010, and October 25, 2010. Following a public hearing on December 13, 2010, the Planning Commission voted to recommend adoption of the proposed amendments.

5. The City Council held a public hearing on January 18, 2011 regarding the question of the proposed revisions and voted in favor of their adoption after considering the recommendation of the Planning Commission and evidence and argument in the record.

6. Information in the record, including affidavits of mailing and publication, demonstrate that appropriate public notification was provided for both the Planning Commission and City Council public hearings.
Based on these findings,

Section 2-4-2. ACCESSORY USES AND STRUCTURES

2-4-2.005. Purpose. The provisions of this section are intended to establish the relationship between primary and accessory structures or uses and to specify development criteria for accessory structures or uses.

2-4-2.010. General Provisions.

A. Accessory uses and structures are those of a nature customarily incidental and subordinate to the primary use of a property. Typical accessory structures include detached garages, sheds, workshops, greenhouses, gazebos and similar structures not intended for habitation by people. The Community Development Director, or the Director's designee, shall determine if a proposed accessory use is customarily associated with, and subordinate to, a primary use and may at his/her discretion elect to defer the determination to the Planning Commission. A determination by the Planning Commission shall be processed as a code interpretation pursuant to Section 2-6-1, Procedural Requirements.

B. An accessory use or structure shall be subject to, and comply with, the same requirements that apply to the primary use except as provided in this section.

2-4-2.015. Accessory Use or Structure on a Separate Lot or Parcel. An accessory use or structure may be located on a lot or parcel that is separate from the primary use provided:

A. The lot or parcel upon which the accessory use or structure is to be located is contiguous to the property containing the primary use; and

B. The subject lots or parcels are under common ownership and within the same zone district; and

C. A deed restriction, in a form approved by the City, is recorded stating that the property on which the accessory use or structure is to be located cannot be sold or otherwise transferred separate from the lot or parcel containing the primary use. This restriction shall remain in effect until a primary use is situated on the same lot or parcel as the accessory building or the accessory building is removed.

2-4-2.020. Development Standards.

A. The maximum floor area of the accessory structure in a residential zoning district shall not exceed 1,500 square feet or 65% of the total floor area of the primary structure, whichever is less.

B. The maximum height of an accessory building in a residential zoning district shall not exceed that of the primary structure.
C. Accessory buildings shall not extend beyond the required front yard setback lines of adjacent lots or parcels.

D. Regardless of the setback requirements, a rear yard in a residential zone district may be reduced to five (5) feet for a one-story detached accessory building provided the structure does not exceed 625 square feet in size and 15 feet in height.
Section 2-4-13. HOME OCCUPATIONS

2-4-13.005. Purpose. The purpose of this section is to allow persons to conduct businesses out of their residences subject to the provisions of this section. It is the intent of this section to:

A. Ensure the compatibility of home occupations with other uses permitted in the residential districts;

B. Maintain and preserve the character of residential neighborhoods;

C. Provide peace, quiet, and domestic tranquility within all residential neighborhoods within the city, and provide freedom from excessive noise, excessive traffic, nuisance, fire hazard, and other possible effects of commercial uses being conducted in residential areas; and

D. Promote the efficient use of public services and facilities by assuring these services are provided to the residential population for which they were planned and constructed, rather than commercial uses.

2-4-13.010. Permitted Uses. It is not the intent of this section to specifically list all the uses that may qualify as a home occupation. Whether or not a use may be permitted as a home occupation shall be based upon the standards contained in Section 2-4-13.015 of this ordinance.

2-4-13.015. Standards. Home occupations shall comply with the following:

A. The home occupation, including storage, may be carried out in a dwelling and/or an accessory building provided there is no outward appearance of a business being operated on the premises.

B. The home occupation may be carried on only by the residents of the dwelling in question.

C. No alteration of the residential appearance of the premises will occur except that which is allowed in the underlying zoning district.

D. There shall be no display of products visible in any manner from the outside of the dwelling.

E. The home occupation, including storage, may occupy no more than 25% of the total gross floor area of the structure or structures in which the home occupation is conducted.

F. Use or storage of hazardous substances is prohibited; except at the consumer commodity level.
G. Any activity that produces radio, TV or other electronic interference; noise, glare, vibration, smoke, or odor beyond allowable levels as determined by local, state, or federal standards, or that can be detected beyond the property line; is prohibited.

H. The home occupation shall not include repair or assembly of vehicles or equipment with internal combustion engines (e.g. as autos, motorcycles, marine engines, lawn mowers, chain saws, etc.) or of large appliances (e.g. washing machines, dryers, refrigerators, etc.).

I. Visitors, customers, or deliveries shall not exceed that normally and reasonably occurring for a residence, including not more than two business visitors an hour and eight a day.

2-4-13.020. Home Occupation Agreement. Any applicant for a home occupation must sign a Home Occupation Agreement. Such agreement shall be on a form provided by the City and shall, at a minimum, include the standards contained in Section 2-4-13.015. The application shall also provide a floor plan of all structures on the property where the home occupation is to be located. The site plan shall be drawn to scale and shall clearly delineate where the home occupation will be conducted.

2-4-13.025. Business License Required. A business license for the home occupation shall be obtained pursuant to Chapter 4.05 of the Newport Municipal Code.

2-4-13.030. Revocation. Standards listed in this section shall be construed as conditions of approval. Authorization of a home occupation may be revoked by the Planning Commission in the event conditions of approval are not met or the activities of the use, or use itself, are substantially different from what was represented by the applicant. The revocation process shall be as outlined in Section 2-6-1, Procedural Requirements.
