COMPREHENSIVE PLAN CHANGE / NEIGHBORHOOD PLAN CHANGE / ZONE CHANGE CASE NO. CPC-NPC-ZC11-03

WHEREAS, a petition for a Comprehensive Plan change from "Single Family Residential" to "Commercial", concurrent change to the Northeast Salem Community Association (NESCA) Neighborhood Plan map from "Single Family Residential" to "Office", and zone change from RS (Single Family Residential) to CO (Commercial Office) for property located at 3885 'D' Street NE was filed by Jeffery Tross for Parviz and Maude Samiee with the Planning Commission of the City of Salem, and

WHEREAS, after due notice, a public hearing on the proposed changes was held before the Planning Commission on April 19, 2011, at which time witnesses were heard and evidence received; and

WHEREAS, the Planning Commission having carefully considered the entire record of this proceeding including the testimony presented at the hearing, after due deliberation and being fully advised; NOW THEREFORE

BE IT RESOLVED BY THE PLANNING COMMISSION OF THE CITY OF SALEM, OREGON:

Section 1. FINDINGS:

The Planning Commission hereby adopts as its findings of fact the staff report on this matter dated April 19, 2011, herewith attached and by this reference incorporated herein.

Section 2. ORDER:

Based upon the foregoing findings and conclusions, it is hereby ordered:

(a) The proposed Comprehensive Plan change in this matter from "Single Family Residential" to "Commercial" be GRANTED;

(b) The Northeast Salem Community Association (NESCA) Neighborhood Plan Map change request covering the above defined area from "Single Family Residential" to "Office" be GRANTED;

(c) The zone change from RS (Single Family Residential) to CO (Commercial Office) for the above defined area be GRANTED subject to the following condition of approval:

Condition 1: At the time of development review for any proposed use on the subject property, the proposed development's average daily trips shall be calculated pursuant to the then current Institute of Transportation Engineers (ITE) Trip Generation Manual. Traffic impacts from future development on the subject property shall be limited to a maximum of 33 average daily trips generated by the proposed use or uses.

ADOPTED by the Planning Commission this 19th day of April, 2011.

President, Planning Commission
The subject property is a 0.27 acre lot with an existing single family dwelling approximately 1,500 square feet in floor area. The property is located on the north side of D Street NE, across from Lancaster Mall. Several other residential properties along the north side of D Street in the vicinity have previously converted to non-single family residential uses, such as a beauty shop to the west and a McDonald’s parking lot to the east. The proposed comprehensive plan and neighborhood plan map amendments with zone change to Commercial Office will facilitate the productive reuse of the site for offices, and is consistent with the surrounding land use pattern. Commercial Office zoning will provide an appropriate transition between the single family residential area to the north and the retail uses to the south and east. Future redevelopment of the site for office use must provide landscaped bufferyards and off-street parking, as prescribed in the Salem Revised Code. The decision includes a condition limiting the number of daily vehicle trips generated by future uses at the site. This condition will limit the transportation impacts of the plan and zoning map change. Based on this, and based upon the facts and findings provided in the staff report and the information provided at the public hearing, the Planning Commission found that the proposal satisfies the applicable approval criteria and approved the Comprehensive Plan Change / Neighborhood Plan Change / Zone Change.

This decision is final unless written appeal from an aggrieved party is filed with the City of Salem Planning Division, Room 305, 555 Liberty Street SE, Salem OR 97301, no later than 5:00 p.m., May 6, 2011. Any person who presented evidence or testimony at the hearing may appeal the decision. The appeal must state where the decision failed to conform to the provisions of the applicable code section, SRC Chapter 64 for the Comprehensive Plan and Neighborhood Plan changes and Chapter 113 for the zone change. The appeal must be filed in duplicate with the City of Salem Planning Division. The appeal fee must be paid at the time of filing. If the appeal is untimely and/or lacks the proper fee, the appeal will be rejected. The City Council will review the appeal at a public hearing. After the hearing, the City Council may amend, rescind, or affirm the action, or refer the matter to staff for additional information.

APPEAL PERIOD ENDS: MAY 6, 2011
