Summarize the adopted amendment. Do not use technical terms. Do not write "See Attached".

1. Currently, the CDC (Zoning Code) requires all land use applications to have held a pre-application conference prior to submittal. The City has never applied this as such and it contradicts other sections of the Code. The proposed amendments will clarify which types of developments require pre-application conferences.
2. Currently, the sign code prohibits all signs from the City right-of-way, but the City desires to permit temporary signs within the City right-of way. The proposed amendments will allow temporary signs, subject to certain restrictions.
