WHEREAS based upon the foregoing Findings of Fact, the City Council finds that it is in the best interest of the residents and inhabitants of the City and the public; the public interest will be served by adopting the amendment at this time; and the amendment conforms with the Tualatin Community Plan; and therefore, the Tualatin Development Code should be amended.

THE CITY OF TUALATIN ORDAINS AS Follows:

Section 1. TDC 68.060 is amended to read as follows:

(1) In determining whether or not a request for demolition of a landmark shall be approved, or approved with conditions or denied, the Planning-Community Development Director shall make a decision that the landmark is find that one of the criteria (a), (b), or (c) has been met. If the request meets none of the criteria, the Community Development Director shall deny the request.

(a) The landmark is no longer historically or architecturally significant; and,

(b) The landmark is no longer architecturally significant.

(b)(c) The benefits of demolishing the landmark and the construction of the identified conflicting permitted uses(s) outweigh the value to the community of preserving the landmark.

(2) The following factors shall be used by the Planning-Community Development Director in making a decision on demolitions:

(a) The information used in the original designation of the landmark;

(b) Any evidence the applicant or property owner has provided demonstrating that there would be no reasonable, long-term economic benefit to the property owner from preservation of the landmark. In making this determination, the owner must show that all uses or adaptive uses of the landmark have been thoroughly examined. For example:

(i) The fact that a higher economic return would result from demolition than preservation on its own is insufficient to meet this criterion (b).

(ii) A lack of adequate funds to pursue potential uses or adaptive uses is insufficient to meet the criterion (i.e., selling, partially preserving, or moving the landmark is an option that shall be considered).

(c) Whether issuance of a Certificate of Appropriateness approving the demolition request would act to the detriment of the public welfare;

(d) The Economic, Social, Environmental and Energy consequences to the community of demolishing the landmark as compared to pre-serving it; and

(e) The physical condition of the landmark.

(f) Whether the landmark is identified as a primary or secondary resource. Additional importance shall be accorded to preserving landmarks with a primary designation.

Ordinance No. 1268-08
Section 2. A new subsection (10) is added to TDC 68.080 to read as follows:

(10) In addition to any other persons entitled to notice, the Community Development Director or designee shall mail notice of application to demolish a landmark to the president of the Tualatin Historical Society. Such notice shall begin a comment period of two weeks.
