BACKGROUND INFORMATION

The applicant has requested annexation of a portion of tax lot 1700. This area is presently vacant. An application to Curry County to partition this area from the parent parcel has received preliminary approval. A condition of approval for the partition application is a requirement that the property be annexed to the City and thereby able to connect to the City’s sewer main. City water and sewer service is required to create an urban size parcel. The City Planning Commission conducted a hearing on this annexation request and recommends approval.

PROPOSED ANNEXATION

The proposed area for annexation is adjacent to Parkview Dr. This portion of Parkview Dr. was annexed into City limits along with several parcels in that vicinity in 2005. As the subject property is adjacent to Parkview Dr., it is considered adjacent to City limits.

There is approximately 100 feet of frontage on Parkview Dr. Access to the proposed parcel will be from Parkview Dr. at the intersection point with Park Ln. As Parkview Dr. is a County road, the Applicants have provided an approval of this access point from the County Roadmaster (Attachment E). Topographically this parcel is essentially flat. There are no significant natural features located on the subject property. The approximate assessed value is $ 60,000.

Inclusion in the other Districts listed above will remain the same.

5. Urban services needed and necessary to service the territory proposed to be annexed, the availability of same relative to capacity, condition and cost of extension and/or improvement to urban standards and an estimated time line for any required improvements.

Water and sewer service is available to the subject property. The Applicant has provided a Public Works Utility Confirmation Form verifying utilizes are available (Attachment G). A condition of approval for the partition application is to provide street improvements, including drainage, as required by the County Road Department.

Goal 10—Housing:

Goal 11—Public Facilities and Services:

Public Works Department has verified the availability of utilities (Attachment G). The Applicant will bear the cost of connecting to all utilities and any required street improvements.

Goal 14—Urbanization:
