Crook County Court

RE: Ordinance No. 176 - Umbarger

The County Court adopted Ordinance 176 for a zone map amendment for property owned by Mike Umbarger. The effective date of the Ordinance was based upon compliance of two items – proof of State Water Rights for irrigation purposes for each of the lots developed by Mr. Umbarger, and evidence the road was built to standards as required by the Planning Commission.

I have received a copy of the State Water Right Transfer from Water Resources Department, and inspection results from the Crook County Road Master. The road was built to exceed the County Standards, except for the slope. This was because of the existing driveways and road construction prior to the most recent paving. According to the Road master there are not any safety issues with this change, and therefore, I am recommending the County Court record the Ordinance 176 with the County Clerk.

I will need a copy of the recorded document to forward to the Department of Land Conservation and Development, and for my files.

Planning Director
