BEFORE THE DOUGLAS COUNTY PLANNING COMMISSION

Dwayne Allen, Findings of Fact and Decision, Planning Department File No. 05-325.

This matter came on regularly for hearing before the Douglas County Planning Commission on January 19, 2006 in Room 216 of the Douglas County Courthouse.

The applicant was present at the hearing.

The Planning Commissioners present at the hearing were: Karen Gibbons, Rick Barnes, Brian Parkinson, David Jaques, Ed Stratton, James Mast and Rich Raynor. As she knows the applicant, Commissioner Gibbons stepped down and did not participate in this matter.

The Planning Commission takes official notice of the following:

2. The records of the Planning Department of Douglas County concerning publication and mailing of notice.

FINDINGS OF FACT

1. Application was filed with the Planning Department at least 30 days prior to January 19, 2006.

2. At least 20 days prior to January 19, 2006, notice of the hearing was sent by mail to the applicant, to all property owners within 500 feet of the property which is the subject of the application, to service providers and governmental agencies and to the South Umpqua Planning Advisory Committee (PAC).

3. Notice of the hearing was given by publication in a newspaper of general circulation in the affected area at least 20 days prior to January 19, 2006.

4. At the hearing we recognized the following parties in the matter: Dwayne Allen, applicant and titleholders, Ron Schofield, Schofield & Associates, Applicant's Representative.

5. Staff entered Staff Exhibits 1 through 15, including the Staff Report, into the Record and gave the oral staff report, stipulating to the Record.

6. We heard testimony from the applicants' representative, who also stipulated to the Record.

7. Commissioner Barnes questioned the applicant's representative regarding the mean parcel size in the area, the size of the riparian stream and the site index for the Pengra soils which are present on the subject property.
8. Seeing no opposition, and determining that no future development will be possible on the subject property given that the existing dwellings maximize the density potential for the 5R zone, we moved to adopt the findings of the Staff Report, concluding that the application meets the criteria for a Plan Amendment and Zone Change as provided in Section 6.500.2 and Section 3.38.100.2 of the Douglas County Land Use and Development Ordinance, and as set forth in the Statewide Planning Goals.

DECISION

Based on evidence received, the findings above and the findings contained in the Staff Report, we hereby APPROVE the request for a Plan Amendment from (TL) Timberlands to (RR5) Rural Residential - 5 Acre and a zone change from (TR) Timberland Resource to (5R) Rural Residential - 5 Acre to allow future land division of the 11.24 acre subject property, with one of the existing dwellings to be located on each future parcel.

Dated this 16th day of February, 2006.
