BOARD OF COUNTY COMMISSIONERS

BEFORE THE DOUGLAS COUNTY PLANNING COMMISSION

Debell Bros. LLC, Findings of Fact and Decision, Planning Department File No. 06-326.

This matter came on regularly for hearing before the Douglas County Planning Commission on January 18, 2007 in Room 216 of the Douglas County Courthouse.

The applicant was present at the hearing.

The Planning Commissioners present at the hearing were: Rick Barnes, David Jaques, James Mast, Brian Parkinson, Rich Raynor and Ed Stratton.

The Planning Commission takes official notice of the following:

2. The records of the Planning Department of Douglas County concerning publication and mailing of notice.

FINDINGS OF FACT

1. Application was filed with the Planning Department at least 73 days prior to January 18, 2007.

2. At least 45 days prior to January 18, 2007, notice of the hearing was sent by mail to the applicant, to all property owners within 500 feet of the property which is the subject of the application, to service providers and governmental agencies and to the Roseburg-Green Planning Advisory Committee (PAC).

3. Notice of the hearing was given by publication in a newspaper of general circulation in the affected area at least 20 days prior to January 18, 2007.

4. At the hearing we recognized the following parties in the matter: Debell Bros. LLC, applicant and titleholder, Mark Garrett, Schofield & Associates, Applicant's Representative; the Oregon Department of Land Conservation and Development, Douglas White; the City of Roseburg, Brian Davis; Alan Schwartz and Beverly Schwartz, adjacent property owners; Douglas County Fire District No. 2, Josep Pedrola; Douglas County Public Works, Vic Cangie.

5. Staff entered Staff Exhibits 1 through 14, including the Staff Report, into the Record and gave the oral staff report.

6. We heard testimony from Mark Garrett, applicant's representative, who also stipulated to the Record. During testimony by the applicant's representative, the subject of access from Summit Drive, the only proposed access point, arose. Finding Number 12 of the Staff Report addresses the existence of a one foot street plug precluding access from Summit Drive. The applicant's representative entered Applicant's Exhibit 1, Bargain and Sale Deed granting an easement over the one foot street plug to the applicants, into the Record. The applicant's representative also entered into the Record Applicant's Exhibit 2, a letter from Tim Snyder, Real Estate Broker with All State Real Estate, attesting to the need for new rural residential lands to satisfy current market demand.
Testimony was heard from Alan Schwartz who stated that Goal 4 criteria were not met because the subject property had recently been logged, evidence of its suitability as forest land. Mr. Schwartz also expressed concerns about potential geologic hazards (remarking that the City of Roseburg’s Geologic Hazard overlay applies to adjacent areas), about hazards posed by wildfire and about safety issues related to the passage of construction vehicles along steep city streets during anticipated future development of the subject parcel.

Members of the Planning Commission inquired about the feasibility of a second access point linking the road network in Ramp Canyon to the proposed access on Summit Drive for the purpose of emergency vehicle access and evacuation during natural disasters. Staff responded with a discussion of the topological constraints inhibiting the construction of such a road.

Members of the Planning Commission proposed that a second access point through Ramp Canyon be explored as part of any future development proposal.

Mark Garrett, applicant’s representative, addressed issues raised by Mr. Schwartz during his initial testimony. Issues raised by Mr. Schwartz concerning steep, unstable slopes and fire hazards will be addressed as part of any future land use action to develop the subject property. We deliberated, discussing access and topography and we moved to adopt the findings of the Staff Report, with amendments, concluding that the application meets the criteria for a Plan Amendment and Zone Change as provided in Section 6.500.2 and Section 3.38.100.2 of the Douglas County Land Use and Development Ordinance, and as set forth in the Statewide Planning Goals and applicable Oregon Administrative Rules.

Based on evidence received, the findings above and the findings contained in the Staff Report, we APPROVED the request for a Comprehensive Plan Amendment from (FFT) Farm/Forest Transitional to (RR5) Rural Residential - 5 and a concurrent Zone Change from (FF) Farm Forest to (5R) Rural Residential - 5 Acre, based upon a Determination that the property is non-resource land and is not subject to Agricultural and Forest Land Goals and on the County’s Goal 14 Exception for New 5 Acre Designations, together with a supplemental Goal 14 Exception specific to the subject property, on an 108.99 acre parcel to allow development at the 5R density, provided that a second access point through Ramp Canyon be pursued as part of any future development proposal and subject to following condition:

1. The applicant shall be required to record a Resource Management Covenant as a condition of any subsequent requests for development. Planning Department electronic comments will noted accordingly.

Dated this 15th day of February, 2007.
