Dear Timmy and Ed:

It was a pleasure seeing you again and getting to know you both a little better at Buddy and Suki's house a couple of weeks ago. I hope we have the opportunity to talk again sometime.

I have enclosed copies of a few photos from Commencement weekend; you appear in a couple of pictures taken at the public reception for Mrs. Aquino, and the others I thought you may simply enjoy having. I have also enclosed a copy of Mrs. Aquino's Commencement address.

I hope you have a great summer!

Sincerely,

Susan E. Plass  
Assistant Vice Provost for International Affairs
