Personal Secretary to Mrs. Aquino

Dear Elena:

I hope this letter finds you and your family well. I would be very grateful if you could give the enclosed letter and notebook to Mrs. Aquino. The notebook contains some photos and newspaper clippings to remind her of the visit to Eugene and the activities during our Commencement weekend. The process of putting the scrapbook together brought back to me many pleasant memories of that weekend (as does the signed photo of Mrs. Aquino, which I have framed and hung on my office wall).

Please convey my greetings to Aurora and Victoria. Could you please give Aurora the photo of her with "Donald," our mascot? I thought that she might like to have this reminder of her visit to the land of the Fighting Ducks. It's a shame that Victoria missed the dinner on Sunday and thus the opportunity to meet Donald as well.

Thank you for your kind assistance. Enjoy the rest of the summer; I can hardly believe how quickly it is passing!

Sincerely,

Susan E. Plass
Assistant Vice Provost for International Affairs
