Dear Mrs. Siytangco:

I am writing to confirm receipt of your fax dated April 20. Thank you for sending the specific list of information that you would like to receive from us now and immediately following the commencement ceremony. I am working with Ms. Maureen Shine, Deputy Director of the Office of Communications, to prepare a packet of background information to send to you; we expect to have it ready to send by the early part of next week.

As you suggested, we hope to organize a single press conference where the local media can interview Mrs. Aquino. Mrs. Aquino's schedule is still quite tentative, as you may know, but at this point it includes a time for Mrs. Aquino to meet the local press in a single group.

Sincerely,

Susan E. Plass
Assistant Vice Provost for International

Affairs
