APPEALPC FRM-INF3
09/07
BEFORE THE DOUGLAS COUNTY PLANNING COMMISSION

TASCO LLC, Findings of Fact and Decision, Planning Department File No. 07-290.

This matter came on regularly for hearing before the Douglas County Planning Commission on January 17, 2008 in Room 216 of the Douglas County Courthouse.

The applicant was present at the hearing.

The Planning Commissioners present at the hearing were: Rick Barnes, David Jaques, James Mast, Brian Parkinson, Rich Raynor and Ed Stratton.

The Planning Commission takes official notice of the following:

2. The records of the Planning Department of Douglas County concerning publication and mailing of notice.

FINDINGS OF FACT

1. Application was filed with the Planning Department at least 30 days prior to January 17, 2008.

2. At least 20 days prior to January 17, 2008, notice of the hearing was sent by mail to the applicant, to all property owners within 250 feet of the property which is the subject of the application, to service providers and governmental agencies and to the Elk Creek Planning Advisory Committee (PAC).

3. Notice of the hearing was given by publication in a newspaper of general circulation in the affected area at least 20 days prior to January 17, 2008.

4. At the hearing we recognized the following parties in the matter: Ron Bertolami representative of TASCO LLC, applicant and lessee; Hitesh Mistry, titleholder; Oregon Department of Transportation (ODOT), Amy Joyce; Oregon Department of Transportation, Tom Guevara.

5. Staff entered Staff Exhibits 1 through 13, including the Staff Report, into the Record and stipulated to the record, recommending denial of the application based on the proposed sign's inconsistency with state siting standards for outdoor advertising signs and insufficient need.

6. We heard testimony from the applicant, who submitted Applicant's Exhibit 1 into the record, written material regarding TASCO LLC, plans for the ultimate placement of outdoor advertising signs and TASCO's desire to test ODOT's authority to regulate such sign placements in instances where no economic gain is being contemplated. He then stated that he believes the application meets the approval criteria but, for the sake of brevity, reserves the statements made addressing a similar proposal heard previously for this application.
7. We heard testimony from the Hitesh Misttry, a former employee of ODOT, in support of the application stating that the proposed outdoor advertising sign does not conflict with the I-5 right-of-way.

8. We deliberated, acknowledging statements made in the previous matter (Planning Department File No. 07-289), and moved to adopt the findings above and the findings contained in the Staff Report, concluding that the application meets the criteria for a Plan Amendment and Zone Change as provided in Section 6.500.2 and Section 3.38.100.2 of the Douglas County Land Use and Development Ordinance, and as set forth in the Statewide Planning Goals and applicable Oregon Administrative Rules.

DEcision

Based on evidence received, testimony heard and the above findings, we hereby APPROVE the request for a Comprehensive Plan Amendment from (CO) Commercial to (IN) Industrial and a concurrent Zone Change from (CRC) Rural Community Commercial to (MRC) Rural Community Industrial on a 0.01± acre portion of a 1.18 acre parcel to allow the ultimate placement of a freeway-oriented advertising sign.
