WASHINGTON COUNTY BOARD OF COMMISSIONERS

Public Hearing – Second Reading and Public Hearing

Presented by:

Brent Curtis, Planning Manager; Dan Olsen, County Counsel

SUMMARY:

Ordinance No. 726 proposes to amend Policy 15 of the Comprehensive Framework Plan for the Urban Area relating to the possible formation of a new park and recreation special service district in the Tigard-Tualatin School District Boundary. If formed, the district would provide revenue to fund operations of two existing swimming pools located at Tigard and Tualatin High Schools.

On October 20, 2009, the Washington County Board of Commissioners (Board) conducted a public hearing for this ordinance and continued it to October 27, 2009. The continuation of Ordinance 726 will allow for additional research relating to state statutes and case law on formation of a park and recreation district and continued discussions about alternate funding sources. A meeting with the affected cities along with the county is scheduled for Monday, October 26, 2009.

Copies of the staff report will be available at the Clerk’s desk prior to the hearing.

Consistent with Board policy about public testimony, testimony about the ordinance is limited to three minutes for individuals and twelve minutes for a representative of a group.

DEPARTMENT’S REQUESTED ACTION:
Read Ordinance No. 726 by title only and conduct the second public hearing. At the conclusion of the hearing, consider and act on Ordinance No. 726.

COUNTY ADMINISTRATOR’S RECOMMENDATION:

The Board of County Commissioners of Washington County, Oregon, ordains as follows:

SECTION 1

A. The Board of County Commissioners of Washington County, Oregon, recognizes that the Comprehensive Framework Plan for the Urban Area Element of the Comprehensive Plan (Volume II) was readopted with amendments on September 9, 1986, with portions subsequently amended by Ordinance Nos. 343, 382, 432, 459, 471, 480, 483, 516, 517, 526, 551, 555, 561, 571, 572, 588, 590, 598, 608-610, 612-615, 620, 624, 631, 632, 637, 643, 649, 662, 666, 669, 671, 683, 686 and 694.

B. Subsequent ongoing planning efforts of the County indicate a need for amendments in the event a park and recreation district is formed in the urban unincorporated portions of the Bull Mountain and Metzger-Progress areas. The Board takes note that such changes are necessary for the benefit and general welfare of the residents of Washington County, Oregon.

C. Under the provisions of Washington County Charter Chapter X, the Department of Land Use and Transportation has carried out its responsibilities, including preparation of notices, and the County Planning Commission has conducted one or more public hearings on the proposed amendments and has submitted its recommendations to the Board. The Board finds

///
that this Ordinance is based on that recommendation and any modifications made by the Board, as a result of the public hearings process.

D. The Board finds and takes public notice that it is in receipt of all matters and information necessary to consider this Ordinance in an adequate manner, and finds that this Ordinance complies with the Statewide Planning Goals, the standards for legislative plan adoption as set forth in Chapters 197 and 215 of the Oregon Revised Statutes, the Washington County Charter, the Washington County Community Development Code, and the Washington County Comprehensive Plan.

SECTION 2

SECTION 3

All other Comprehensive Plan provisions that have been adopted by prior ordinance, which are not expressly amended or repealed herein, shall remain in full force and effect.

SECTION 4

All applications received prior to the effective date shall be processed in accordance with ORS 215.427 (2007 Edition).

SECTION 5

If any portion of this Ordinance, including the exhibit, shall for any reason be held invalid or unconstitutional by a body of competent jurisdiction, the remainder shall not be affected thereby and shall remain in full force and effect.
SECTION 6

The Office of County Counsel and Department of Land Use and Transportation are authorized to prepare planning documents to reflect the changes adopted under Section 2 of this Ordinance, including deleting and adding textual material and maps, renumbering pages or sections, and making any technical changes not affecting the substance of these amendments as necessary to conform to the Washington County Comprehensive Plan format.

SECTION 7

This Ordinance shall take effect thirty (30) days after adoption.

ENACTED this 29th day of October, 2009, being the 3rd reading and 2nd public hearing before the Board of County Commissioners of Washington County, Oregon.

Annexations to special service districts that are consistent with an adopted urban service agreement are deemed to be consistent with the Washington County Comprehensive Plan.

i. Upon annexation of the area in the vicinity of SW Garden Home Road and SW Oleson Road by the City of Beaverton consistent with the Portland Urban Service Boundary, the City of Portland shall consent to annexation by Beaverton of that area south of SW Garden Home Road and west of Oleson Road that is currently in Portland.

j. For the Raleigh Hills Center as shown on the acknowledged Metro 2040 Growth Concept Map, the affected jurisdictions of Beaverton, Portland, Washington County and Metro shall enter into an urban planning agreement to assure implementation of the Urban Growth Management Functional Plan provisions relating to town centers, including the establishment of town center boundaries and demonstration of target capacities for jobs and housing.

k. Work with Citizen Participation Organizations to identify and describe specific concerns related to possible future annexations of land to cities which abut Community Planning Areas. These concerns shall be considered by the County during renegotiation of Urban Planning Area Agreements.

l. Support incorporation of new communities provided that incorporation will result in the provision of services in the most efficient and cost effective manner and is not in violation of an already existing Urban Planning Area Agreement between the County and an affected city.

m. Notwithstanding Implementing Strategy I. above, the Board of Commissioners may place a petition to incorporate a city in the urban unincorporated portion of the Bull Mountain area on the ballot provided the Board determines that the petition is consistent with other applicable requirements governing incorporation under state law and the Metro Code. If the voters approve incorporation, the county shall coordinate with the new city and the City of Tigard to amend the existing Washington County –

The property lies within an area identified for park and recreation service by a park district in an urban service agreement adopted pursuant to ORS 195.065; or, if no urban service agreement applies to the property, the property lies within an area for which a park district is designated a party in a cooperative agreement adopted pursuant to ORS 195.020; and
2. The park district has adopted a Park Master Plan for the subject area, which provides the basis for the development of park and recreation facilities.

q. Identify the Tualatin Hills Park and Recreation District as the park and recreation provider to urban unincorporated properties lying between the Hillsboro, Tigard and Portland Urban Service Boundaries, excluding properties outside of THPRD that were added to the Regional Urban Growth Boundary after 2001.

r. Notwithstanding Implementing Strategy q. above, the Board of Commissioners may place a petition to form a park and recreation district that includes any portion of the urban unincorporated territory in the Bull Mountain and Metzger-Progress areas on the ballot provided the Board determines that the petition is consistent with other applicable requirements governing formation under state law and the Metro Code. If the voters approve formation of the new district, the county shall coordinate with the City of Tigard to amend the existing Washington County – City of Tigard Urban Planning Area Agreement (UPAA) as may be required to assure ongoing compliance with the coordination requirements required by ORS 195 and Goal 2.

Summary Findings and Conclusions

Public facilities and services necessary for growth in Washington County historically have been provided by a variety of unrelated special districts, local governments, and other agencies. Cooperation and
coordination between service providers in developing plans and programming capital facilities has been limited.

The County has the responsibility under State law to coordinate the timely provision of public facilities and services within the County. Due to the fact that the County itself does not provide a full range of urban services, the best means of fulfilling this responsibility—which will result in a better living environment for County residents—is the formal establishment of a strong coordination system between the County and all service providers and the adoption of urban service agreements.

In 1993 the State Legislature adopted Senate Bill 122 (codified as ORS 195), which requires local governments to work together to establish urban service boundaries and adopt urban service agreements. ORS 195.060 to 080 requires local governments to determine who will be the ultimate urban service providers of the following services: fire protection, parks, recreation, open space, sewer, streets, roads, and public transit. In addition to these services, Washington County local governments determined that law enforcement and storm water services should also be addressed. Urban service agreements identify the ultimate service area of each provider and identify the service provision principles for each urban service. Urban service agreements are applicable to land inside the Regional Urban Growth Boundary, including incorporated and unincorporated areas. Urban service boundaries have been adopted for Hillsboro, Portland and Tigard and urban service agreements have been adopted for Hillsboro and Tigard. Efforts to establish needed urban service agreements and designate urban service boundaries for other cities shall continue. Urban service agreements are a very important tool in ensuring that residents and businesses in the urban area receive all the services addressed in urban service agreements, as well as ensuring the timely and efficient provision of public facilities and services within the County. In the event the urban unincorporated territory in the Bull Mountain area is incorporated to create a new city or a park and recreation district is formed that includes any portion of the urban unincorporated territory in the Bull Mountain and Metzger-Progress areas, the County will work with affected service providers to recognize the new service provider and determine the long-term service providers to the area.

The County has the additional responsibility to its citizens of ensuring that the services needed to allow growth will be provided by the agency or agencies best able to do so in a coordinated, efficient and cost effective manner. Therefore, County review of and recommendations on annexation or incorporation proposals involving cities and special service districts is imperative.

Requiring developing properties to annex to special service districts that provide park and recreation services helps to assure that such services are provided within a reasonable time frame.

SUMMARY:

Ordinance No. 726 proposes to amend Policy 15 of the Comprehensive Framework Plan for the Urban Area relating to the possible formation of a new park and recreation special service district in the Tigard-Tualatin School District Boundary. Additionally, as required by Title 8 of Metro’s Urban Growth Management Functional Plan, any amendment to a comprehensive plan or implementing ordinance shall be consistent with the requirements of the Functional Plan.

Attached is the Resolution and Order to adopt the findings for Ordinance No. 726. The proposed findings will be provided to the Board prior to the hearing and will also be available at the Clerk’s desk.

For Washington County, Oregon
GENERAL FINDINGS

Ordinance No. 726 amends Policy 15 of the Comprehensive Framework Plan for the Urban Area relating to the possible formation of a new park and recreation special service district in the Tigard-Tualatin School District Boundary. If formed, the district would provide revenue to fund operations of two existing swimming pools located at Tigard and Tualatin High Schools.

Because the ordinance would make changes that do not affect compliance with Oregon’s Statewide Planning Goals (Goals), it is not necessary for these findings to address the Goals with respect to each amendment. The Board of County Commissioners (Board) finds that the Goals apply to amendments covered by these findings only to the extent noted in specific responses to individual applicable Goals, and that each amendment complies with the Goals. Goals 15 (Willamette River Greenway), 16 (Estuarine Resources), 17 (Coastal Wetlands), 18 (Beaches and Dunes) and 19 (Ocean Resources) and related OARs are not addressed because these resources are not located within Washington County.

In 1996, Metro adopted the Urban Growth Management Functional Plan (UGMFP). The UGMFP contains requirements that local cities and counties have agreed to adopt in order to implement the region’s strategy for addressing growth. The Board finds that Ordinance No. 726, which amends the Comprehensive Framework Plan for the Urban Area, relates to Title 12 of the UGMFP; therefore, specific findings of Title 12 compliance are included in this exhibit.

FINDINGS

The purpose of the findings in this document is to demonstrate that Ordinance No. 726 is consistent with Statewide Planning Goals, ORS and OAR requirements, Metro’s UGMFP, and the Washington County Comprehensive Plan.

Goal 1 - Citizen Involvement

Washington County has an acknowledged citizen involvement program that provides opportunities for citizens and other interested parties to participate in all phases of the planning process. In addition, Chapter X of the County Charter sets forth specific requirements for citizen
involvement during review and adoption of land use ordinances. Washington County has utilized these requirements for the adoption of Ordinance No. 726.

Goal 2 - Land Use Planning

Statewide Planning Goal 2 addresses Land Use Planning by requiring an adequate factual base to support a decision as well as coordination with affected governmental entities. Washington County has an acknowledged land use planning process that provides for the review and update of the various elements of the Comprehensive Plan, which includes documents such as the Rural/Natural Resource Plan, Urban Planning Area Agreements and the Community Development Code (CDC). Washington County utilized this process to adopt Ordinance No. 726. Notice was coordinated with all affected governmental entities and affected service districts and three comments were received regarding the ordinance.

Two of the comments were received from Tualatin Hills Parks & Recreation (THPRD) and the other from the City of Tigard. THPRD requested that coordination efforts be maintained during the formation of the new park and recreation district and the City of Tigard requested text amendments to the ordinance. The city requested naming the new district as an Aquatic District, specifically a "special district providing aquatics facilities and services" rather than a "parks and recreation district". Under state law, ORS 198.010 various types of service districts are identified and under sub four of the statute, "park and recreation district organized under ORS chapter 266", is listed. A park and recreation district may include aquatic services and the intent and purpose of the district remains the same.

Coordination through correspondence, stating the above, has been provided to both THPRD and the City of Tigard. Therefore, Goal 2 requirements are satisfied.

Goal 3 - Agricultural Land

Policy 15, Implementing Strategies (a) and (f) of the Rural/Natural Resource Plan include provisions for the preservation of agricultural lands. Plan compliance with Goal 3 is maintained with the amendments made by Ordinance No. 726. The amendments are consistent with the county's acknowledged policies and standards for protecting agricultural lands identified under Goal 3.

The EFU and AF-20 land use districts are Washington County's acknowledged exclusive farm use districts. Ordinance No. 726 did not amend the applicable Plan policies or CDC standards related to agricultural land resources which impact the county's compliance with Goal 3. The amendments proposed in Ordinance No. 726 would allow the continuation of the formation petition involving a new park and recreation district. The proposed new district would encompass the Tigard and Tualatin school district boundary which includes EFU lands. However, EFU land use districts would not be affected since the park facilities exist inside the

urban area and no development is proposed in the EFU district. Ordinance No. 726 did not directly amend any Plan policies or strategies or CDC standards relating to Goal 3.

Goal 8 - Recreation Needs

Policies 33 and 34 of the Comprehensive Framework Plan for the Urban Area, Policy 24 of the Rural/Natural Resource Plan and the individual Community Plans address the recreational needs of the citizens of Washington County and visitors. Plan compliance with Goal 8 is maintained with the amendments made by Ordinance No. 726. The amendments are consistent with the county's acknowledged policies and strategies for satisfying recreational needs as required by Goal 8.

Ordinance 726 amends Policy 15 of the Comprehensive Framework Plan for the Urban Area relating to the possible formation of a new park and recreation special service district in the Tigard-Tualatin School District Boundary. If formed, the district would provide revenue to fund operations of two existing swimming pools located at Tigard and Tualatin High Schools. The two pools would address some of the recreational needs of the community. Ordinance No. 726 did not directly amend any Plan policies or strategies or CDC standards relating to Goal 8.

Goal 11 - Public Facilities and Services

Policies 15, 25, 26, 27, 28, 29, 30 and 31 of the Comprehensive Framework Plan for the Urban Area and Policy 22 of the Rural/Natural Resource Plan address the provision of public facilities and services in the urban and rural areas of unincorporated Washington County. The CDC requires that adequate public facilities and services be available for new development. Plan compliance with Goal 11 is maintained with the amendments made by Ordinance No. 726. The amendments are consistent with the county's acknowledged policies and strategies for the provision of public facilities and services as required by Goal 11. The amendments are also consistent with the provisions of Chapter 660, Division 11 of the Oregon Administrative Rules and Oregon Revised Statute 195.110. This conclusion is supported by the following facts:

The standards for public facilities and services in the CDC are outlined in Article V (Public Facilities and Services). In 1991, Washington County adopted a public facility plan, consistent with OAR 660, Division 11. Ordinance No. 726 does not amend the Washington County Public Facilities Plan.

Ordinance 726 amends Policy 15 of the Comprehensive Framework Plan for the Urban Area relating to the possible formation of a new park and recreation special service district in the Tigard-Tualatin School District Boundary. If formed, the district would provide revenue to fund operations of two existing swimming pools located at Tigard and Tualatin High Schools. The two pools would provide aquatic public facilities and services for the community. The amendments under Ordinance No. 726 are consistent with Goal 11.
Title 12 – Protection of Residential Neighborhoods

The purpose of Metro’s Title 12 is to protect the region’s existing residential neighborhoods from air and water pollution, noise and crime, and to provide adequate levels of public services (Section 3.07.1230 Access to Commercial Services and 3.07.1240 Access to Parks and Schools).

Ordinance 726 amends Policy 15 of the Comprehensive Framework Plan for the Urban Area relating to the possible formation of a new park and recreation special service district in the Tigard-Tualatin School District Boundary. If formed, the district would provide revenue to fund operations of two existing swimming pools located at Tigard and Tualatin High Schools. Formation of the district allows both pools to remain open and available for use by residents of the district; thus maintaining current level of public recreational services. Both facilities are in existing high schools in residential neighborhoods. The amendments under Ordinance No. 726 are consistent with Title 12.
