AN ORDINANCE AMENDING
THE CROOK COUNTY CODE
SECTION 18.116.040 AND
COMPREHENSIVE PLAN
RELATING TO DESTINATION
RESORTS; AND DECLARING AN
EMERGENCY

NOW, THEREFORE, the Crook County Court ORDAINS as follows:

SECTION ONE: The Crook County Code, Title 18, Section 18.116.040(b) is amended to read:

The number of units approved for residential sale shall not be more than two units for each unit of permanent overnight lodging provided under subsection (3)(a)(i) of this section; provided, however, after an applicant has constructed its first one
hundred fifty (150) permanent overnight lodging units, the County may approve a Final Development Plan modification to increase the ratio of units approved for residential sale to units of permanent overnight lodging from two to one (2:1) to two and one-half to one (2.5:1).

SECTION TWO: The Crook County Comprehensive Plan, Chapter III, "Destination Resort," Exhibit A, No. 4 is amended to read:

Accommodations available for residential use will not exceed two and one-half (2.5) such units for each unit of overnight lodging. Rentable units may be phased in with at least 75 units of overnight lodging, not including any individually owned homes, lots, or units, constructed or guaranteed through surety bonding or equivalent financial assurances prior to the closure of sale of individual lots or units. The remainder of the overnight lodging units shall be provided as individually owned lots or units subject to deed restrictions that limit their use to overnight lodging units. The deed restrictions may be rescinded when the resort has constructed the required 150 separate rentable units for overnight lodging. The number of units approved for residential sale shall not be more than two units for each unit of permanent overnight lodging provided under the phased approach; provided, however, after an applicant has constructed its first one hundred fifty (150) permanent overnight lodging units, the County may approve a Final Development Plan modification to increase the ratio of units approved for residential sale to units of permanent overnight lodging from two to one (2:1) to two and one-half to one (2.5:1).

SECTION THREE: This Ordinance being necessary for the health, welfare and safety of the people of Crook County, an emergency is hereby declared to exist, and this Ordinance shall become effective upon signing.

Attn: Alan Van Vliet

ATTORNEY: Laura Craska Cooper

REQUEST: A code amendment and comprehensive plan amendment as follows:

CCC 18.116.040(b) currently reads as follows:

The number of units approved for residential sale shall not be more than two units for each unit of permanent overnight lodging provided under subsection (3)(a)(i) of this section.

The applicant has requested that the 2:1 ratio be changed to a 2.5:1 ratio.

The Planning Commission recommends approval of applicant’s request with changes. Specifically, the Planning Commission recommends that the County Court amend this section to read as follows (new language shown in bold, underlined text):

The number of units approved for residential sale shall not be more than two units for each unit of permanent overnight lodging provided under subsection (3)(a)(i) of this section; provided, however, after an applicant has con-
structed its first one hundred fifty (150) permanent overnight lodging units, the County may approve a Final Development Plan modification to increase the ratio of units approved for residential sale to units of permanent overnight lodging from two to one (2:1) to two and one-half to one (2.5:1).

Additionally, the Planning Commission recommends that Chapter III of the Crook County Comprehensive Plan be amended to correspond to the recommended code amendment. Specifically, No. 4 under Exhibit A, “Destination Resort” contains the same language as CCC 18116.040(b), and the Planning Commission recommends that it be amended to match the language above.

DESIGNATION/ZONING: The recommended change would apply to property in the Destination Resort overlay zone.

Memo

Re: Brasada Ranch Master Plan Modification

At the June 8, 2011 hearing the Planning Commission voted by motion to recommend a change to the Destination Resort Comprehensive Plan Text and amending the County Code Text relating to the ratio of overnight units to individual lots. That recommendation will be signed in a Final Written Document on June 22, 2011. The County Court will be hearing this matter in July.

The request before you is to amend the language in the Master Plan approval that addresses the 2 to 1 ratio. The applicant is asking for the language to read something like maintain the ratio of 2.5 to 1.

This request would be consistent with the recommendation as conditioned, requiring the mandatory 150 units to be constructed prior to being eligible for amending the ratio of 2 to 1 to 2.5 to 1.

It should be noted that the applicant states there are a total of 180 separate rentable overnight lodging units in the cabins. There are additional 8 units in the Administration building for a total of 188. There are 454 platted individual units which if using the 2.5 to 1 ratio would need 182 units.

The request involves no changes to the total number of units, nor does it involve any changes to the maps or plats. As stated in their application, the request will allow the outstanding bond to be eliminated and money spent towards future improvements. A 2 to 1 ratio would require 227 units, meaning 45 units would need to be under the bond for construction.

If the Commission approves the request, it will not be effective until the County Court by Ordinance amends the Comprehensive Plan Text and County County Text.
