5. Policies 5, 6, 8 and 10 of the Transportation Element of the 1989 Comprehensive Plan apply to applications for zone changes or subsequent land divisions in the Avenue A corridor of White City. Policy 5 is specifically applicable to this zone change request.

6. On November 8, 2010, the County accepted an application for an Official Minor Zoning Map Amendment to change the zoning designation from WCUR-4 to WCUR-6 on three parcels in one ownership, totaling 4.00 acres, located at 2588, 2666 and 2698 Avenue A, in White City, Oregon.

After considering the evidence and testimony, the Planning Commission, by motion and vote, approved a recommendation to the Board of County Commissioners to amend the White City Urban Unincorporated Community Zoning Map by changing the zoning designation from WCUR-4 to WCUR-6 on properties mapped as Township 36, Range 1 West, Section 20DB, Tax Lots 400 and 500.

Now, therefore,

The White City Planning Commission finds, concludes, and RECOMMENDS as follows:

SECTION 1. FACTS PERTAINING TO THE APPLICATION: Based on the evidence and arguments, the White City Planning Commission determines the following facts apply with respect to this application:

1.1 Proper legal notice was sent to the applicant, agent, property owners within 250 feet of the subject property, and affected agencies on January 5, 2011. Legal notice was published in the Sunday, January 16, 2011 edition of the Medford Mail Tribune.

1.2 The subject property consists of two parcels totaling 4.00 acres located at 2588, 2666 and 2698 Avenue A, in White City, Oregon. Based on assessment records and aerial photographs, the current uses of the properties include several single family dwellings.

1.3 The subject property is mapped as Township 36, Range 1 West, Section 20DB, Tax Lots 400 and 500. The White City Planning Commission further finds that Tax Lots 400 and 500 are owned by Bob Fellows Construction, LLC.

1.4 All of the subject tax lots are legal parcels, as defined by the Land Development Ordinance. Tax Lots 400 and 500 were created prior to countywide land use regulations on August 27, 1956 as Lots 10 and 11 of the Agate Subdivision, Block 1.

1.5 This collection of properties is surrounded by properties that have been developed with single family housing. Medium density development is occurring to the north, east and west. Zoning to the south is outside of the UUCB across Highway 140 and is rural residential in nature. Surrounding zoning is consistent with the level of development being proposed for this property.

1.6 The property is currently zoned WCUR-4 (White City Urban Residential, 4 dwellings per acre) and is within the White City Urban Unincorporated Community Boundary. Parcels
within 250 feet of the subject property are zoned WCUR-4, WCUR-6 and WCUR-30.

1.7 According to the Natural Resources Conservation Service soils maps, the property is entirely comprised of the Agate-Winlo soils complex. This soil type carries a class IV's agricultural rating, a 0.00 cubic foot site class rating, and typical slopes of 0-5%. The property is neither irrigated nor does it have an irrigation assessment.

1.8 Storm drainage is provided via lines in Avenue A. New development would include facilities for storm drainage as part of the development plan.

1.9 Sewer service is provided by RVSS, who reviewed the information and materials for this application and indicated that connection to existing 8-inch diameter sewer lines in Avenue A and Agate Meadows would be possible at time of development.

1.10 Water is provided by Medford Water Commission (MWC). MWC has verified that public water is available via 8-inch mains in Avenue A and Agate Meadows sufficient to accommodate the proposal.

1.11 The subject property is within the Jackson County Fire District #3 boundary, which has a station located at 8333 Agate Road on the corner of Agate Road and Avenue G. Jackson County Fire District #3 had no comment, but will require that the Uniform Fire Code and related codes be met at the time of development.

1.12 Police protection is provided by the Jackson County Sheriff, which has a station nearby at the Rogue Family Center on Avenue C.

1.13 The subject property is within an Area of Special Concern, specifically the Jackson County Sports Park. A deed declaration will be recorded at the time of development that would restrict future owners or successors in interest from complaining about noise and other impacts arising from the Sports Park.

SECTION 2. FINDINGS AND CONCLUSIONS:

Based upon the evidence and arguments presented herein, the White City Planning Commission makes the following findings of fact and conclusions of law:

2.1 The White City Planning Commission concludes that proper public notice was given.

2.2 To recommend approval of a Comprehensive Plan amendment, the White City Planning Commission must find that the amendment is consistent with JCLDO Sections 3.7.3(D), as well as applicable Comprehensive Plan Policies (e.g., the Transportation Element) in effect on the date of application.

2.3 The Planning Commission adopts the findings in the Staff Report as a basis for this recommendation. These findings demonstrate that the application is in compliance with the Statewide Planning Goals, Oregon Administrative Rules, the Jackson County Comprehensive Plan, and the Jackson County Land Development Ordinance.

2.4 The deliberations resulted in a motion to recommend approval of the application. The Planning Commission voted unanimously (4-0) in favor.

3. WCPC RECOMMENDATION; FILE LRP2010-00005

Bob Fellows Construction LLC, Applicant
SECTION 3. RECOMMENDATION:

The White City Planning Commission recommends the Jackson County Board of County Commissioners approve an amendment to the Official Jackson County Zoning Map (File LRP2010-00005), changing the zoning designation from WCUR-4 to WCUR-6 on property mapped as Township 36 South, Range 1 West, Section 20DB, Tax Lots 400 and 500, as illustrated on the zoning map attached hereto.

This recommendation for APPROVAL adopted this 25th day of December, 2011, at White City, Oregon.
