11. STANDARDS OF THE UMATILLA DEVELOPMENT CODE FOR A TEXT AMENDMENT TO ADD A CONDITIONAL USE WITHIN THE AGRI-BUSINESS ZONING DESIGNATION is found in UCDC 152.751 Compliance with Comprehensive Plan to amend the Umatilla County Development Code, Section 152.292 Conditional Uses Permitted. The following standards of approval are underlined and the findings are in normal text.

§ 152.751 COMPLIANCE WITH COMPREHENSIVE PLAN.

An amendment to the text of this chapter or to a zoning map shall comply with the provisions of the County Comprehensive Plan Text and Comprehensive Land Use Map. Any deviation from this section shall be preceded by an amendment to the Comprehensive Plan Text or to the Comprehensive Land Use Map. However, if the existing use of the property is allowed outright in the requested zone, compliance with the Comprehensive Plan is not necessary. The Umatilla County Board of Commissioners finds that the proposed use to be added to Section 152.292 is not a use allowed outright. Thus, a text amendment to Section 152.292 is required and must be compliant with the County Comprehensive Plan section dealing with Agri-business. The applicable portion of the Comprehensive Plan related to agri-business, found on page 18-381, reads as follows:

"AGRI-BUSINESS
Agri-Business land uses are those activities that provide a commercial or industrial use related to the agricultural activities in the area, or provide an agriculturally related product or service. The agri-business land use designation is appropriate where a commercial or industrial designation may not be compatible with the surrounding land use, or where it is not appropriate to classify existing land uses as commercial or industrial. Certain activities allowed under a commercial or industrial land designation could have detrimental impacts in an area. The agribusiness designation is designed to provide for flexibility, yet protect and preserve the integrity of an area.” (emphasis added)

The Umatilla County Board of Commissioners finds that the proposed amendment is compliant with the County Comprehensive Plan as long as the “other buildings and uses similar” complies with the following standards:
1. The first portion of the intended standard for land uses in the agri-business plan designation found in the Comprehensive Plan explains that the use must be “a commercial or industrial use related to the agricultural activities in the area”. This standard is more clearly interpreted as land uses that are commercial or industrial that directly relates to or supports the agricultural activities in the specific local area. Many of the supportive type commercial or industrial land uses are already specifically listed as conditional uses in the agri-business zone (i.e. petroleum product sales, pump and irrigation, etc.). If other uses are proposed then that use has to be a supportive type land use to the agricultural activities in the local area.

2. The second portion of the intended standard for land uses in the agri-business plan designation found in the Comprehensive Plan explains that the use must “provide an agriculturally related product or service.” Therefore, any other building or use being proposed must be directly related to an agricultural product or service. The sale of non-agricultural oriented products or services is not allowed in the agri-business zone.

The requested modification to UCDC 152.292 Conditional Uses Permitted reads as follows:

(R) Other buildings and uses similar to the list above which shall not have any different or more detrimental effect upon the adjoining neighborhood areas or districts than the buildings and uses specifically listed, shall only be incidental and directly related to the operation of permitted agri-business uses. The land use must comply with one or both of the following standards:

(1) Provides a commercial or industrial use related to and supportive of the agricultural activities in the local area, or

(2) Provides an agriculturally related product or service.”

Therefore, the requested modification to UCDC 152.292 Conditional Uses Permitted to add paragraph (R) complies with the Umatilla County Comprehensive Plan.

FINAL DECISION: THIS UMATILLA COUNTY DEVELOPMENT CODE TEXT AMENDMENT TO ADD PARAGRAPH (R) “OTHER BUILDINGS AND USES SIMILAR...” TO UCDC 152.292 CONDITIONAL USES PERMITTED COMPLIES WITH THE STANDARDS OF THE UMATILLA COUNTY DEVELOPMENT CODE 152.751.
