RESOLUTION &
ORDER NO. 2015-064
(Planning and Building Department)
(BC15-0001)
(Findings and Conclusions)

WHEREAS, The Board of County Commissioners for Linn County (Board) conducted a
duly advertised public hearing on February 25, 2015, for the purpose of considering the matter of
proposed Land Development Code (Code) text amendments to be codified at Title 9, Chapter
934.360 – Linn County Home Occupation Performance Standards Code;

WHEREAS, The proposed Code text amendments had been previously considered by
the Linn County Planning Commission at a duly advertised meeting on February 10, 2015, and
who voted 7-0 to recommend approval to the Board;

WHEREAS, The Board opened the meeting for public comment and after hearing such
comments reached a consensus to direct that the proposed text, as set forth in Exhibit 1, attached
hereto, be placed in ordinance format for formal adoption;

WHEREAS, The findings in support of the proposed Code text amendments are attached
hereto as Exhibit 2 (BC15-0001 Decision Criteria, Findings and Conclusions); and now,
therefore, be it

RESOLVED, That the Board of County Commissioners for Linn County approves the
Code text as set forth in Exhibit 1, and the Findings and Conclusions as set forth in Exhibit 2;
and

ORDERED, That the text set forth in Exhibit 1 be placed in ordinance format for formal
adoption in compliance with ORS Chapter 215 by the Board of County Commissioners for Linn

K. HOME OCCUPATION PERFORMANCE STANDARDS

934.360 Home occupations; performance standards
(A) All home occupations shall be conducted in a manner that complies with the standards of operation set forth in subsection (B).
(B) Performance standards.
(1) The home occupation will be owned and operated by a resident of the property on which the business is located. An employee may operate the business during the temporary absence of the owner of the home occupation.
(2) The home occupation shall employ, on site, no more than five full or part-time persons, including residents of the dwelling.
(3) The home occupation will be operated substantially in the dwelling or other buildings normally associated with uses permitted in the zoning district in which the property is located.
(4) No modification to a dwelling shall be made that would cause it to resemble anything other than a dwelling.
(5) Home occupations shall be limited to the numbers and types of vehicles for use in the operation as set forth in this paragraph. The home occupation is limited to two four motor vehicles selected from subparagraph (a), two vehicles from subparagraph (b), and an unlimited number of equipment from subparagraph (c).
(a) Motorized vehicles that are designed for travel on public roads or heavy motorized vehicle equipment such as a tractor, caterpillar, or backhoe.
(b) Non-motorized vehicles that are drawn by a motorized vehicle that is designed to travel on a public road.
(c) Motorized and non-motorized equipment such as lawnmowers, concrete mixers, wheelbarrows.
(6) No more than two four vehicles at any one time may be repaired, serviced, modified, assembled, or stored on-site for such purpose.
(7) The storage of equipment or parts shall be limited to those required for the maintenance, manufacture or repair of products sold, manufactured or repaired by the home occupation. Such storage shall comply with the materials storage requirements listed in LCC 934.130 (D).
(8) On-premise sales of merchandise shall be limited to goods manufactured, processed, finished or repaired by the home occupation.(9) On-premise parking areas shall be of sufficient area to accommodate all vehicles associated with the home occupation.
(10) The operation or use of equipment or processes resulting in offense or irritation to neighboring residents shall not be permitted.
(11) Signs are subject to LCC 934.210 to 934.217.
EXHIBIT 2

BC15-0001

DECISION CRITERIA, FINDINGS, AND CONCLUSIONS

I. Application, Hearing Process, and Decision Criteria

BC15-0001: An application by Linn County for a Zoning Code Text amendment to amend the Home Occupation Performance Standards in Linn County Code (LCC) 934.360(B)(5) and LCC 934.360(B)(6). The amendments increase the number of vehicles allowed to be used or repaired in conjunction with a home occupation from two to four.

The Code text amendment application is classified as a Type IIIA Legislative application. The public notice, evidentiary, and legislative hearing processes were conducted as set forth in LCC 921.130: Type IIIA Legislative Procedure. The “hearing authority” in a Legislative Code text amendment is the Board of County Commissioners for Linn County (Board).

The Planning Commission (Commission) held a public hearing on this matter at 7:00 p.m., February 10, 2015. After considering all the written and oral testimony presented at the Commission hearing the Commission voted 7-0 to recommend that the Board of Commissioners amend LCC Chapter 934.360 (B)(5) and LCC 934.360(B)(6), increasing the number of vehicles allowed to be used or repaired in conjunction with a home occupation from two to four.

The Board of County Commissioners for Linn County (Board) conducted a duly advertised public hearing on the proposed Code amendments, to be codified at Title 9, Chapter 934.360 – Linn County Home Occupation Performance Standards Code, on February 25, 2015. After the close of the public hearing, the Board reached a consensus to direct County staff to prepare Ordinance documents for adoption of the proposed Code text amendments.

The applicable decision criteria are contained in LCC 921.824.

II. Decision Findings

Criterion: LCC 921.824(A)(1): The amendment is consistent with the intent and purpose statement of the affected Chapter or subchapter of the Land Development Code; and

Findings:

The amendment is consistent with the intent and purpose statement of the Development Standards Code:

LCC 934.010 Statement of Purpose:
(A) The purpose of LCC 934.100 to 934.499 is to provide general provisions and exceptions to general provisions for building height, yard area, frontage conditions, landscaping, screening, materials storage, parking and sign standards for the uses described, in order to promote vehicle safety, enhance the appearance of the community and provide for greater compatibility between adjoining land uses and zoning districts.

(B) The purpose of LCC 934.500 to 934.999 is to provide specific development and performance standards to which uses permitted and approved pursuant to this Development Code must comply in specific zoning districts.

Home occupations are small scale businesses operated substantially in a dwelling or other buildings normally associated with uses permitted in the zone. The text amendment increases the maximum number of vehicles allowed to be used and stored on-site, or repaired as part of a vehicle repair business, in conjunction with a home occupation, as set forth in LCC 934.360(B)(5) and LCC 934.360(B)(6), from two to four.

Home occupations require a conditional use permit in all Linn County zoning districts. The Board has noted a common concern that limiting the number of vehicles allowed to be used in conjunction with a home occupation to only two vehicles is too restrictive to the operation of many home-based businesses. Increasing the maximum number of vehicles allowed to be used in conjunction with a home occupation from two vehicles to four vehicles is consistent with the intent and purpose statement of the Linn County Land Development Code Development Standards if the new standard continues to promote vehicle safety, enhance the appearance of the community and provide for greater compatibility between adjoining land uses and zoning districts.

Several operators of home occupation vehicle repair businesses have indicated it is difficult to meet the maximum vehicle requirement of two cars due to customers’ unwillingness or inability to pick up repaired vehicles in a timely manner. Likewise, home occupation operators such as small home-based contractor businesses often indicate the current limits make it impossible to maintain enough vehicles and heavy equipment on their property to operate the business. The two vehicle limit therefore inhibits them from accepting additional work and ultimately could affect their workflow and business viability. They contend that the effect on the neighboring properties from allowing them to store up to two additional vehicles as-needed will be negligible, in part because the existing home occupations are allowed a maximum of five employees, including the property owner, which of itself limits the number of vehicles they can repair or store on-site. This proposed amendment would provide more flexibility in regards to staging vehicles for repair and other home based businesses which rely on several vehicles in their operation.

Although the maximum number of vehicles allowed in conjunction with a home occupation is increased from two to four, the actual number of vehicles permitted will continue to be reviewed on a case by case basis to ensure compatibility between the proposed home occupation and the adjoining properties. With the Code text
amendments, the maximum number of vehicles permitted is limited by LCC 934.360(B)(5) and LCC 934.360(B)(6) to no more than four vehicles. The Board finds that the amendments are consistent with the intent and purpose statement of the Linn County Code (LCC) Chapter 934.

Criterion: [LCC 921.824(A)(2)]; The amendment is consistent with the intent of the policies within the applicable section(s) of the Comprehensive Plan.

Findings: The Home Occupation Performance Standards Code amendments increase the maximum number of vehicles allowed to be used or repaired in conjunction with a home occupation from two to four. The amendments do not change the home occupation conditional use permit process or the decision criteria relating to compatibility with surrounding land uses. The Comprehensive Plan policies do not directly address home occupations since they are a secondary or accessory use to the primary use of a dwelling on a property. The proposed change to the Development Standard continues to be consistent with the Comprehensive Plan, since Home Occupations continue to require a conditional use permit in all zoning districts of Linn County. The home occupation conditional use permit process ensures consistency with the Comprehensive Plan. The total number of vehicles allowed in conjunction with a home occupation conditional use permit will continue to be reviewed on a case by case basis to ensure compatibility between the proposed home occupation and the adjoining properties. The Board finds that the amendments are consistent with the Linn County Comprehensive Plan.

III. Conclusion

Based on the record of the hearing before the Board of County Commissioners for Linn County (Board), and the Decision Findings identified above, the Board Concludes the proposed Code text amendments satisfy the applicable decision criteria in LCC 921.824. The Code text amendments are approved as proposed.
