ORDINANCE 2012-11
EXHIBIT A

Conformance with Statewide Land Use Planning Goals

- (1) Goal 1: "Citizen Involvement" - All proposed documents were made available for public review and purchase and assistance was available to interpret and explain the technical information. Hearing notices were published in the local newspaper in accordance with notice requirements. Therefore, the amendments are consistent with Goal 1.
- (2) Goal 2: "Land Use Planning" - This goal is to establish a land use planning process and policy framework as a basis for all decisions and actions related to use of land and to insure an adequate factual basis for such decisions and actions. The Lincoln City Comprehensive Plan and its implementation measure, the Lincoln City Zoning Ordinance, was adopted by the City Council of Lincoln City after public hearings and have been reviewed on a periodic cycle to take into account changing public policies and circumstances. Opportunities were provided for review and comment by citizens and affected governmental units during preparation, review, and revision of the plan and implementing ordinances. Review of this application in accordance with the Lincoln City Comprehensive Plan and the applicable zoning ordinance provisions establishes conformance with this goal.
- (3) Goal 3: "Agricultural Lands" - Because the proposed amendments do not address agricultural lands in any way, and because there are no agricultural lands within the city, Goal 3 is not applicable.
- (4) Goal 4: "Forest Lands" - Because the proposed amendments do not address forest lands in any way, and because there are no forest lands within the city, Goal 4 is not applicable.
- (5) Goal 5: "Open Spaces, Scenic and Historic Areas and Natural Resources" - Because the proposed amendments do not allow any additional signs, and further provide for removal of certain illegal signs, the proposed amendments are consistent with Goal 5.
- (6) Goal 6: "Air, Water and Land Resources Quality" - Because the proposed amendments will not serve to increase the waste and process discharges already being generated within the city, Goal 6 is not applicable.
- (7) Goal 7: "Areas Subject to Natural Disasters and Hazards" - Because the proposed amendments do not authorize any development inconsistent with the city's existing natural hazard standards, Goal 7 is not applicable.
- (8) Goal 8: "Recreational Needs" - Because the proposed amendments do not authorize any development inconsistent with the recreational needs of the community, region, or state, Goal 8 is not applicable.

- 1 (9) Goal 9: "Economic Development" - Because the proposed amendments do not affect the
2 availability of land suitable for industrial and commercial development, Goal 9 is not
3 applicable.
4
- 5 (10) Goal 10: "Housing" - Because the proposed amendments do not adversely affect the
6 availability of housing, Goal 10 is satisfied.
7
- 8 (11) Goal 11: "Public Facilities and Services" - Because existing City water and sewer
9 infrastructure and treatment facilities will not be affected by the amendments, nor will
10 their ability to serve surrounding properties be affected, Goal 11 is not applicable.
11
- 12 (12) Goal 12: "Transportation" - Because the proposed amendment does not affect the City's
13 *Transportation Master Plan*, Goal 12 is not applicable.
14
- 15 (13) Goal 13: "Energy Conservation" - Because the proposed amendments by themselves will
16 have no effect on energy conservation, Goal 13 is not applicable.
17
- 18 (14) Goal 14: "Urbanization" - Because the proposed will not affect the need to expand the
19 Urban Grown Boundary, Goal 14 is not applicable.
20
- 21 (15) Goal 15: "Willamette River Greenway" - The City is not located within the Willamette
22 River Greenway. Therefore, Goal 15 is not applicable.
23
- 24 (16) Goal 16: "Estuarine Resources" - Because the proposed amendments do not by
25 themselves authorize any development affecting estuarine resources, Goal 16 is not
26 applicable.
27
- 28 (17) Goal 17: "Coastal Shorelands" - Because the proposed amendments do not by themselves
29 authorize any development in the city's coastal shorelands, Goal 17 is not applicable.
30
- 31 (18) Goal 18: "Beaches & Dunes" - Because the proposed amendments do not by themselves
32 authorize any development in a beach or active dune area, Goal 18 is not applicable.
33
- 34 (19) Goal 19: "Ocean Resources" - Because the proposed amendments do not by themselves
35 authorize any development affecting ocean resources, Goal 19 is not applicable.
36

37 Conformance with the Lincoln City Comprehensive Plan goals:

38
39 (1) Planning Goal

40
41 *"To establish a land use planning process and policy framework as a basis for all*
42 *decisions and actions related to use of land and to assure an adequate factual*
43 *base for such decisions and actions."*
44

45 The Lincoln City Comprehensive Plan and its implementation measure, the Lincoln City
46 Zoning Ordinance, was adopted by the City Council of Lincoln City after public hearing

1 and has been reviewed on a periodic cycle to take into account changing public policies
2 and circumstances. Opportunities were provided for review and comment by citizens and
3 affected governmental units during preparation, review, and revision of the plan and
4 implementing ordinances. Review of these amendments in accordance with the Lincoln
5 City Comprehensive Plan and the applicable zoning ordinance provisions, establishes
6 conformance with this goal.

7
8 (2) Citizen Involvement Goal

9
10 *“Develop a Citizen Involvement Program which ensures the continued*
11 *participation of citizens in the land use planning process.”*

12
13 The City has developed a Citizen Involvement Program. In addition, the public hearing
14 process, with notice to the public and property owners and review of the amendments by
15 the Planning Commission (a citizen board), and the City Council (a citizen board)
16 establishes conformance with this goal.

17
18 (3) Public Services and Utilities Goal

19
20 *“To plan and develop a timely, orderly, and efficient arrangement of public*
21 *facility and services which compliment the area and serve as a framework for*
22 *urban and rural development.”*

23
24 Because existing City water and sewer infrastructure and treatment facilities will not be
25 affected by the amendments, nor will their ability to serve surrounding properties be
26 affected, this goal is not applicable.

27
28 (4) Urbanization Goal

29
30 *“To promote an orderly and efficient transition of land uses from rural to urban.”*

31
32 Because the proposed will not affect the need to expand the Urban Grown Boundary, this
33 goal is not applicable.

34
35 (5) Natural Hazard Goal

36
37 *“The City shall control development in hazardous areas to protect life and property from*
38 *natural disasters and hazards.”*

39
40 Because the proposed amendments do not authorize any development inconsistent with
41 the city’s existing natural hazard standards, this goal is not applicable.

42
43 (6) Housing Goal

44
45 *“To provide for the housing needs of all citizens.”*
46

1 Because the proposed amendments do not adversely affect the availability of housing,
2 this goal is not applicable.

3
4 (7) Economy Goal

5
6 *"To support the tourist industry and achieve a degree of diversity in the*
7 *community which will allow a balanced economy that will, in turn, support an*
8 *adequate level of services for all members of the area."*

9
10 Because the proposed amendments do not affect the availability of land suitable for
11 industrial and commercial development, this goal is not applicable.

12
13 (8) Aesthetic Goal

14
15 *"To develop a livable and pleasing city which enhances man's activities while*
16 *protecting the exceptional aesthetic quality of the area."*

17
18 Because the proposed amendments do not by themselves authorize any development, and
19 because the proposed amendments provide for removal of certain illegal signs this goal is
20 satisfied.

21
22 (9) Transportation Goal

23
24 *"To provide a safe, convenient and rapid transportation network to facilitate the*
25 *movement of goods and people."*

26
27 Because the proposed amendments do not by themselves authorize any development, this
28 goal is not applicable.

29
30 (10) Energy Goal

31
32 *"To conserve energy."*

33
34 Because the proposed amendments do not by themselves authorize any development, this
35 goal is not applicable.

36
37 (11) Overall Environmental Goal

38
39 *"To achieve a balance between the need to provide housing and services and the*
40 *need to protect and enhance the natural environment of the city."*

41
42 Because the proposed amendments will not serve to increase the waste and process
43 discharges already being generated within the city, this goal is not applicable.

1 (12) Shoreland, Beaches, Dunes, Estuary and Ocean Resources Goal

2

3 *"To conserve, protect, and enhance the coastal resources of the city."*

4

5 Because the proposed amendments do not by themselves authorize any development, this
6 goal is not applicable.
